## **Madame Dorion:**

**Madame Dorion** Lenora Rain-Lee Good, 2014-02-10 The year 2014 marks the 200th anniversary of Marie Dorion's dramatic escape with her two young sons from the horrific massacre that killed not only her husband but also their friends and fellow trappers on the Boise River. In 1811 Marie, her husband Pierre and their two sons Jean Baptiste and Paul joined the Wilson Price Hunt expedition to travel from Saint Louis, Missouri to Fort Astoria in the Oregon Country. The party originally planned to follow the trail of the Lewis and Clark expedition seven years earlier but at roughly present day Mobridge, South Dakota they turned west to go overland through uncharted territory to avoid trouble with the Sioux farther upriver. The Astorians as the group was called survived a harrowing cross country journey suffering deadly thirst, starvation, extreme weather, loss of supplies and life. While in the fierce winter wilds of the Blue Mountains Marie gave birth to a baby who lived about a week. This is a story of Marie Dorion's journey to the Oregon Country. She was an incredibly strong and brave woman who not only witnessed history and the opening of the Oregon Country to trappers and immigrants she played an active and vital role in the making of that history. Unlike her contemporary Sacajawea who returned with Lewis and Clark Marie and her boys remained even when offered the opportunity to return to Saint Louis with a group of returning Astorians. She and her family became early settlers in the Oregon Country. This journal *Madame Dorion: Her Journey to the Oregon Country* is fiction. It is my interpretation of what happened based on the history and journals of the men who made the journey and lived to write about it.

**Madame Dorion** Jerome Peltier, 1980 *Biography of Madame Dorion* an Indian woman who accompanied the ill-fated overland expedition of the Astorians. *Women of the West* Rick Steber, Early day women of the West are depicted in fading photographs: a gaunt bonneted figure in a long dress walking beside a wagon; a baby cradled in her arms; children scattered behind a woman looking older than her years; stirring lye soap over an open fire; a dancehall girl on stage; miners watching her every move. Letters and diaries tell the details of these women's existence: the sorrow of being uprooted from family and friends; the yearning for companionship of other women bearing children without the benefit of a doctor and trying to rear them in an uncivilized land. One turn of the century Western historian noted: With the coming of woman came also the graces of life, better social order and conditions and increased regard for the amenities of life. Eastern women were relegated to conduct themselves within strictly established social boundaries. Western women were allowed more freedom to stretch their wings and explore the realm of their existence. And in the process they tamed the wild West. *Legendary*

*Locals of Walla Walla* Diane B. Reed, 2014-05-19 Nestled in the foothills of southeastern Washington's Blue Mountains, Walla Walla has been a center of commerce and culture since its founding in 1862. Earlier the Walla Walla River Valley was the site of Indian rendezvous, Marcus and Narcissa Whitman's mission and British and American forts and trading posts. The new city prospered as an outfitting center for nearby Idaho goldfields. Capt. John Mullan's military road provided a route for miners and new settlers coming to the valley. Merchants like the Schwabacher Brothers and bankers Dorsey Syng Baker and John Boyer

tapped into the city's growth which expanded as wheat became the new gold. Home to Fort Walla Walla, the city welcomed Whitman College, Walla Walla University, and the territorial penitentiary. Today, the revitalized downtown and burgeoning culinary and arts scene are popular tourist destinations. Walla Walla sweet onions are nationally known, and more than 120 wineries call the valley home, from Figgins Family's pioneer Leonetti Cellar (1977) to football legend Drew Bledsoe's Doubleback winery.

The Perilous West Larry E. Morris, 2013. Although a host of adventurers stormed west in 1806 after Lewis and Clark's safe return, seven of them left unique legacies because of their monumental journeys, their lionhearted spirit in the face of hardship, and the way their paths intertwined time and again. *The Perilous West* tells this riveting story in depth for the first time, focusing on each of the seven explorers in turn: Ramsay Crooks, Robert McClellan, John Hoback, Jacob Reznor, Edward Robinson, Pierre Dorion, and Marie Dorion. These seven counted the Tetons, Hells Canyon, and South Pass among their discoveries. More importantly, they forged the Oregon Trail, a path destined to link the Atlantic coast with the Pacific, spurring national expansion as it carried trappers, soldiers, pioneers, missionaries, and gold seekers westward. *The Perilous West* begins in 1806 when Crooks and McClellan meet Lewis and Clark, and the vast expanse from the Dakotas to the Pacific coast appears a commercial paradise. The story ends in 1814 when a band of French Canadian trappers rescue Marie Dorion, and even John Jacob Astor's well-financed enterprise has ended in violence and chaos, placing the protagonists squarely in the context of Thomas Jefferson's monumental opening of the West, which stalled with the War of 1812.

*A Name of Her Own* Jane Kirkpatrick, 2009-10-07. Based on the life of Marie Dorion, the first mother to cross the Rocky Mountains and remain in the Northwest, *A Name of Her Own* is the fictionalized adventure account of a real woman's fight to settle in a new landscape, survive in a nation at war, protect her sons, and raise them well, and despite an abusive alcoholic husband, keep her marriage together. With two rambunctious young sons to raise, Marie Dorion refuses to be left behind in St. Louis when her husband heads West with the Wilson Hunt Astoria expedition of 1811. Faced with hostile landscapes, an untried expedition leader, and her volatile husband, Marie finds that the daring act she hoped would bind her family together may, in the end, tear them apart. On the journey, Marie meets up with the famous Lewis and Clark interpreter, Sacagawea. Both are Indian women married to mixed-blood men of French Canadian and Indian descent; both are pregnant; both traveled with expeditions led by white men; and both are raising sons in a white world. Together, the women forge a friendship that will strengthen and uphold Marie long after they part, even as she faces the greatest crisis of her life and as she fights for her family's very survival with the courage and gritty determination that can only be fueled by a mother's love.

Fighting to Survive in the American West Eric Braun, 2020. Life in the American West was difficult. Pioneers and explorers had to deal with rough terrain, extreme weather, deadly animal attacks, and many other challenges. Discover the terrifying true stories of Hugh Glass, Janette Riker, the Donner Party, and others who survived in the rugged American West. Back cover.

Every Fixed Star Jane Kirkpatrick, 2009-09-30. Continuing the Tender Ties Historical Series, *Every Fixed Star* brings readers more of the dramatic fictionalized account of

Marie Dorion the real life woman who was the first mother to cross the Rocky Mountains and remain in the Northwest In Book Two of the series Marie learns the value of a tender heart the faith of distant friends and the act of holding life's circumstances in open hands Following the family tragedy the great battle for survival and the test of faith described in A Name of Her Own Marie relocates her family to the Pacific Northwest territory's Okanogan settlement The year is 1814 and as is customary of her life out West Marie faces constant challenges simply to keep her children clothed and fed Yet inside each challenge awaits a gift to be unwrapped Countless times Marie has proven herself a survivor Incredibly she must now endure further realizations of a woman's fears an abrupt ending to love distance from friends the disappearance of one child the consequences of another's poor choices Through it all Marie is tempted to believe that she doesn't deserve God's love in the everyday places When blessings arrive she struggles to accept them fearing they will be followed by more difficult challenges But ultimately the threads of past friendships and their prayers a faithful love and her own service to others all lead her to God's gift of a full and abundant life

Saddles East Chaplain John W. Beard, 2018-02-27 Saddles East Horseback Over the Old Oregon Trail a book by the WWI fighting chaplain John W Beard was first published in 1949 It is an informal narrative of a horseback ride in modern times over the famous covered wagon route of the pioneers For countless ages the Red Man knew this trail In the fullness of time the trapper the mountain man the fur trader found it and lived their life among its reaches The seeker after gold hastened over it The priest with the cross and the missionary with his Bible made it beautiful with their message of life and peace The hardy pioneer and the eager emigrant traveled it into the land of their dreams The pony express rider flashed his phantom the Overland Stage rumbled by The soldier built his forts Who knows even a little of the story of the old trail and does not wish to know it all Who has ever traveled over any part of the old trail and does not long to travel over all of it even to its very end Who has ever heard the story of wagons west who does not want to take Saddles East and ride into the sunrise as the pioneers rode into the sunset
