Guyon , *The Complete Madame Guyon* Rev. Nancy C. James, 2011-12-01 Guyon's theology and spiritual writing opened new doors to people from all walks of life who yearned for spiritual joy and wisdom. These new translations include her popular *A Short and Easy Method of Prayer* as well as her biblical commentary on the Song of Songs. *The Complete Madame Guyon* also presents examples of her passionate poetry, some of which has never before been translated into English. Nancy James's historical introduction explains the events of Guyon's life, first as an aristocratic wife and mother of five and later as a widow traveling around Europe as an author who ended up incarcerated in the Bastille by the direct order of Louis XIV. Guyon suffered ten years of incarceration along with accusations of heresy. Cleared of all charges at the end of her life, in all of her writing, Madame Guyon testified to the goodness and holiness of God.

Jeanne Guyon Jeanne Marie Bouvier de La Motte Guyon, 2012 Jeanne Guyon was a seventeenth-century French mystic and Quietist and a fascinating figure in the court of Louis XIV. This book offers new translations of her most important spiritual and autobiographical writings and introduces readers to her life and work.

The Autobiography of Madame Guyon Madame Jeanne Guyon, 2020-01-07 Jeanne Marie Bouvier de la Motte Guyon, commonly known as Madame Guyon (13 April 1648 – 9 June 1717) was a French mystic and was accused of advocating Quietism, although she never called herself a Quietist. Intellectual stillness and interior passivity (Quietism) was considered heretical by the Roman Catholic Church, and she was imprisoned from 1695 to 1703 after publishing the book *A Short and Very Easy Method of Prayer*. Guyon believed that one should pray at all times and that one should devote all one's time to God. Prayer is the key of perfection and of sovereign happiness; it is the efficacious means of getting rid of all vices and of acquiring all virtues. For the way to become perfect is to live in the presence of God. He tells us this: "Himself walk before Me and be blameless." Genesis 17:1 "Prayer alone can bring you into His presence and keep you there continually." As she wrote in one of her poems: "There was a period when I chose a time and place for prayer. But now I seek that constant prayer in inward stillness known." In the Christian dispute regarding grace and works, Guyon defended the belief that salvation is the result of grace rather than works. Like St. Augustine, St. Thomas Aquinas, Calvin, and Martin Luther, she thought that a person's deliverance can only come from God as an outside source, never from within the person himself or herself. As a result of His own free will, God bestows His favour as a gift. This predestination was opposed by Pelagians who considered it to be irrational in that God would favour a wicked sinner over a good person. However, according to the atheist Schopenhauer, describing this controversy, if it were works springing from motives and deliberate intention that led to the blissful state, then however we may turn it, virtue would always be only a prudent, methodical, far-seeing egoism. Works can never justify because they are always an action from motives. In her autobiography, for example, Madame Guyon criticized self-righteous people who try to gain heaven through their works. She praised lowly sinners who merely submitted themselves to God's will. Of the so-called righteous, she wrote: "The righteous person, supported by the great number of works of righteousness he presumes to have done, seems to hold his salvation in his own hands and regards heaven as the recompense."

due to his merits His Saviour is for him almost useless These righteous persons expect God to save them as a reward for their good works In contrast to the self sufficient righteous egoists the sinners who have selflessly submitted to God are carried swiftly by the wings of love and confidence into the arms of their Saviour who gives them gratuitously what He has infinitely merited for them God s bounties are effects of His will and not the fruits of our merits wikipedia org *Autobiography of Madame Guyon; Volume 2* Jeanne Marie Bouvier de la Motte Guyon,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
