Madame Paul Affair

Trina Robbins

Madame Paul Affair:

The Madame Paul Affair Julie Doucet, 2000 Julie Doucet and her boyfriend find a new apartment with cheap rent and a string of nutty neighbors One ex con breaks out of his apartment by smashing his own window Another man attempts to kill himself by stuffing his head in a gas oven But perhaps the oddest person of all is the landlady herself Madame Paul who one day mysteriously disappears *The Comics of Julie Doucet and Gabrielle Bell* Tahneer Oksman, Seamus O'Malley, 2018-12-05 Winner of the 2020 Comics Studies Society Edited Book Prize Contributions by Kylie Cardell Aaron Cometbus Margaret Galvan Sarah Hildebrand Frederik Byrn K hlert Tahneer Oksman Seamus O Malley Annie Mok Dan Nadel Natalie Pendergast Sarah Richardson Jessica Stark and James Yeh In a self reflexive way Julie Doucet s and Gabrielle Bell s comics though often autobiographical defy easy categorization In this volume editors Tahneer Oksman and Seamus O Malley regard Doucet s and Bell s art as actively feminist not only because they offer women s perspectives but because they do so by provocatively bringing up the complicated multivalent frameworks of such engagements While each artist has a unique perspective style and worldview the essays in this book investigate their shared investments in formal innovation and experimentation and in playing with questions of the autobiographical the fantastic and the spaces in between Doucet is a Canadian underground cartoonist known for her autobiographical works such as *Dirty Plotte* and *My New York Diary* Meanwhile Bell is a British American cartoonist best known for her intensely introspective semiautobiographical comics and graphic memoirs such as the *Lucky* series and *Cecil and Jordan in New York* By pairing Doucet alongside Bell the book recognizes the significance of female networks and the social and cultural connections associations and conditions that shape every work of art In addition to original essays this volume republishes interviews with the artists By reading Doucet s and Bell s comics together in this volume housed in a series devoted to single creator studies the book shows how despite the importance of finding a place inside yourself to create this space seems always for better or worse a shared space culled from and subject to surrounding lives experiences and subjectivities *Laugh on Friday* Patricia Robins, 2014-12-11 For Ann Elgar the chance to work in a Swiss resort at Madame Menton s ski club is a golden opportunity Luc Menton her employer s son makes her especially welcome and soon it is clear that his affection is turning into love But Anne is spellbound by the sophisticated French actor Paul Duret who makes no secret of his infatuation with her The more Luc and Madame Menton warn her against Paul the greater becomes her desire to be with him A compelling classic romance from the inimitable Patricia Robins first published in 1969 and now available for the first time in eBook *The Penny Story-teller* ,1833 **Serial Selves** Frederik Byrn K hlert, 2019-03-15 Autobiography is one of the most dynamic and quickly growing genres in contemporary comics and graphic narratives In *Serial Selves* Frederik Byrn K hlert examines the genre s potential for representing lives and perspectives that have been socially marginalized or excluded With a focus on the comics form s ability to produce alternative and challenging autobiographical narratives thematic chapters investigate the work of artists writing from

perspectives of marginality including gender sexuality disability and race as well as trauma Interdisciplinary in scope and attuned to theories and methods from both literary and visual studies the book provides detailed formal analysis to show that the highly personal and hand drawn aesthetics of comics can help artists push against established narrative and visual conventions and in the process invent new ways of seeing and being seen As the first comparative study of how comics artists from a wide range of backgrounds use the form to write and draw themselves into cultural visibility *Serial Selves* will be of interest to anyone interested in the current boom in autobiographical comics as well as issues of representation in comics and visual culture more broadly

Pretty in Ink Trina Robbins,2013-12-02 Trina Robbins has spent the last thirty years recording the accomplishments of a century of women cartoonists and *Pretty in Ink* is her ultimate book a revised updated and rewritten history of women cartoonists with more color illustrations than ever before and with some startling new discoveries such as a Native American woman cartoonist from the 1940s who was also a Corporal in the women s army and the revelation that a cartoonist included in all of Robbins s previous histories was a man In the pages of *Pretty in Ink* you ll find new photos and correspondence from cartoonists Ethel Hays and Edwina Dumm and the true story of Golden Age comic book star Lily Renee as intriguing as the comics she drew Although the comics profession was dominated by men there were far more women working in the profession throughout the 20th century than other histories indicate and they have flourished in the 21st Robbins not only documents the increasing relevance of women throughout the 20th century with mainstream creators such as Ramona Fradon and Dale Messick and alternative cartoonists such as Lynda Barry Carol Tyler and Phoebe Gloeckner but the latest generation of women cartoonists Megan Kelso Cathy Malkasian Linda Medley and Lilli Carr among many others Robbins is the preeminent historian of women comic artists forget her previous histories *Pretty in Ink* is her most comprehensive volume to date

Comics as a Nexus of Cultures Mark Berninger,Jochen Ecke,Gideon Haberkorn,2010-03-10 These essays from various critical disciplines examine how comic books and graphic narratives move between various media while merging youth and adult cultures and popular and high art The articles feature international perspectives on comics and graphic novels published in the U S Canada Great Britain Portugal Germany Turkey India and Japan Topics range from film adaptation to journalism in comics to the current manga boom

The New Monthly Magazine and Humorist ,1850 *A History of Women Cartoonists* Mira Falardeau,2020-08-01 In this volume Mira Falardeau looks at the work of great women artists and their experiences in the industry to reveal advice and positive encouragement for future cartoonists Heavily illustrated with cartoons and artwork from many of the best in the field the book also asks serious questions about why there have been so few women cartoonists in the field of visual humor and if the digital age is opening more opportunities for female humorists Falardeau is uniquely positioned to ask these questions She has spent decades as an art historian a specialist in visual humor and the author of several books and essays on cartoonists and their history She was also a former cartoonist herself among the first generation of women in her field during the 1970s and 1980s *A History of*

Women Cartoonists is the first book to offer a truly global survey and analysis of the great women cartoonists of the last three decades and a welcome addition to the history of comics and cartoons
