Star Hoppers Bill Napoli,2015-01-23 Mike and Cindy are soul twins They are also omnipotent Gods who together with their eight other soul mates have lived forever While living in the Prime Realm they possess the infinite power and knowledge that is enjoyed by all omnipotent Gods However most of the time they choose to live in other realms where they are totally unaware of who or what they are Like all people who have elected to leave the Prime Realm they have chosen to live their lives as ordinary mortals possessing absolutely no special knowledge or powers Their reasoning for doing this is simple For them living a heavenly existence in the Prime Realm isnt so heavenly after all It means living a blissfully boring existence one devoid of the opportunity to work to grow to learn to be challenged to fail to succeed and to make a meaningful difference in the lives of those around them Nine of the ten soul mates have completed their most recent lifetimes on Earth and are temporarily back home in their mansion in the Prime Realm Only Cindy remains alive on Earth While the others await Cindys inevitable death and her subsequent return to the Prime Realm they research a variety of exotic planets and realms in which to spend their next mortal lifetimes together Three are among their leading planetary choices Kardon is a world where the population has mastered complete control of gravity Baltham another favorite is a world where complete strangers routinely request and grant sexual pleasures to each other Benu the most interesting of all is located in the Seventh Realm where planets and suns are alive and their inhabitants consider them to be gods When Cindy at last dies and rejoins her group the ten soul mates decide to spend their next lifetime on the planet Benu whose Sun is predicted to go supernova within the next several hundred years Their goal is to work together in their new incarnations helping the inhabitants of Benu find some way to avoid total annihilation Before embarking on this new adventure they place blocks on their godly memories and powers Determined to save the planets inhabitants the ten soul mates soon encounter numerous obstacles and pitfalls At every turn the group must deal with a deeply religious population who shuns science and instead prefers to leave their global fate in the hands of their planetary and solar gods One way or another the team of intrepid soul mates must overcome the populations massive resistance to embracing science over religion which in actuality offers their worlds only hope for salvation In addition to being a riveting sci fi tale this book offers readers highly original answers to the eternal questions regarding our purpose in life where we came from and where we are going You may find yourself asking Suppose just suppose

Dodd,Irene Fubara-Manuel,2017-06-06 So the film or television lesbian character dies It seems to happen frequently But does it really If so is it something new Surveying the fates of numerous characters over decades this study shows that killing off the lesbian is not a new trend It is a form of symbolic annihilation and it has had an impact in real life When more women are working behind the scenes what appears on screen also becomes more diverse yet unhappily the story lines don t necessarily change From the Xenaverse to GLAAD to the Lexa Pledge fans have demanded better As fan fiction migrates from the computer screen to the printed page authors reanimate the dead and insist on happy endings I am Heartless... A Real Confession Vinit K. Bansal, This is not only a story rather it is real confession of a lover The story revolves around VIREN who is a day dreamer an egoistic a hopeless romantic and an attention seeker afflicted with a bizarre madness and arrogance engulfing him It is the story of his life which encompasses love dedication eccentricity friendship and overall his discovery of his true love and also the anguish of losing it due to his obstinacy and self centeredness It is a repertoire of moments coated with velvetiness of love and bruised by the thorns of betrayal It highlights the situations which ultimately turns him into a devil who wants to annihilate the whole world with his impiety consequences being the least he cares about and eventually loses his happiness identity and even himself in this process I could neither speak in words nor could ever write it down The loneliness the emptiness your absence left behind Those moments spent in the warmth of your cuddle Still linger in a cruel heart in a guilty mind Whenever I dream I see you so tranquil Can I trace the reason of my going away and getting back never If by closing my eyes I see you happy sweetheart I promise I shall close my eyes FOREVER *The Ascended Masters on Soul Mates and Twin Flames* Elizabeth Clare Prophet,Mark L.
