EVANGELICALISM

# Made In America The Shaping Of Modern American Evangelicalism

**Erling T. Jorstad**

## **Made In America The Shaping Of Modern American Evangelicalism:**

*Made in America* Michael Scott Horton,1994 An incisive evaluation of American Christianity by the author of *Putting the Amazing Back Into Grace* Cultural accommodation is the primary charge leveled by this historical and cultural examination of evangelicalism Horton contends that American Christianity once distinguished by passionate warm hearted orthodoxy has largely become a popular religion of shallow assertions and legalism *Made In America* Michael S. Horton,1998-12-16

There is a crisis of truth in our time asserts Michael Horton even in our evangelical church And it is due at least in part to our cultural accommodation Horton believes the time has come to call evangelicals back to faith and truth *Made in America*

Michael Scott Horton,2006 *Made In America* Michael S. Horton,1998-12-16 There is a crisis of truth in our time asserts Michael Horton even in our evangelical church And it is due at least in part to our cultural accommodation Horton believes the time has come to call evangelicals back to faith and truth **Jesus Made in America** Stephen J. Nichols,2010 Jesus is

as American as baseball and apple pie But how this came to be is a complex story one that Stephen Nichols tells with care and ease Beginning with the Puritans he leads readers through the various cultural epochs of American history showing at each stage how American notions of Jesus were shaped by the cultural sensibilities of the *Evangelicalism* Richard

Kyle,2017-09-20 Most forms of religion are best understood in the con text of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In

*Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them

Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture

consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success

in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful *Popular Evangelicalism in American Culture* Richard Kyle, 2017-09-18 Popular Evangelicalism in American Culture explores the controversies complexities and historical development of the evangelical movement in America and its impact on American culture Evangelicalism is one of the most dynamic and growing religious movements in America and has been both a major force in shaping American society and likewise a group which has resisted aspects of the modern world Organised thematically this book demonstrates the impact of American culture on popular evangelicalism by exploring the following topics politics economics salvation millennialism the megachurch and electronic churches and popular culture This accessible and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America **The Evangelicals** Robert Krapohl, Charles H. Lippy, 1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing **The Perfect 10** Michael G. Moriarty, 1999 Most of us realize that traffic laws exist to preserve our lives not cramp them Yet when it comes to moral laws 66 percent of Americans believe there are no absolutes Is it any wonder then that the highway of our postmodern culture is strewn with wrecks Broken marriages overcrowded prisons murder in the classrooms babies having babies they're what happen when we confuse liberty with ignoring the rules of the road That's why Michael Moriarty is convinced that the Ten Commandments really are The Perfect 10 Behind them lie God's concern for our welfare and his understanding of the indelible truths that govern our world our relationships and our inner being One by one Moriarty reveals the Ten Commandments as the keys to wholeness and freedom and shows their far reaching application for us today For the Perfect 10 remain the ideal ethical compass They help us align our lives with the character of God and to a world hurtling blindly down the dead end road of moral relativism they point the way back to sanity restoration and life [America's Preacher and His Message](#) Timo Pokki, 1999 Although the popular literature concerned with Billy Graham as an evangelical icon is vast

there have been few serious academic considerations of his religious views In America's Preacher and His Message Timo Pokki provides the most extensive systematic analysis to date on Graham's theology paying particular attention to views surrounding conversion and sanctification The study not only provides a detailed analysis of Graham's thoughts on these topics but also investigates the impact of Calvinism and Arminianism on revivalism and evangelicalism in general

**Everything You Know about Evangelicals Is Wrong (Well, Almost Everything)** Steve Wilkens, Don Thorsen, 2010-08-01 While evangelicals make up a significant portion of American society they still constitute a mystery for many They exert considerable influence on virtually every aspect of American life and culture yet by those who don't appreciate them they're seen as rednecks crypto fundamentalists and people without education Wilkens and Thorsen contend that evangelicals are tired of being caricatured and provide an insider's look at myths and realities surrounding the movement They winsomely and sometimes humorously assess the breadth and depth of evangelical beliefs values and practices arguing that evangelicalism is identifiable by a family resemblance vitality and relevance that transcends particular theological and political stereotypes that arise inside as well as outside of it The book provides a synthetic presentation of contemporary evangelical Christianity as well as critiques of it

*The Sound of Light* Don Cusic, 2002 The Sound of Light is a sweeping overview of the history of gospel music Powerful and incisive it traces contemporary Christianity and Christian music to the 16th century and the Protestant Reformation after examining music in the Bible and early church music From the psalms of the early Puritans through the hymns of human composure of Isaac Watts and the social activism of the Wesleys gospel music was established in 18th century America With the camp meeting songs of the Kentucky Revival the spirituals that came from the slave culture and the hymns from the great revival after the Civil War gospel music advanced through the 19th century The 20th century brought recording technology and electronic media to the table Gospel music has developed with Christian revivals and the history of American gospel music is the history of Christianity in America Gospel music reflects the American spirit of freedom and the free market as a Christian culture emerges in the 20th century providing a spiritual as well as economic foundation The Sound of Light presents gospel music as part of the history of contemporary Christianity It is a work broad in scope that defines a music essential to understanding American culture as well as American music in the 20th century Don Cusic is the author of ten books including the biography Eddy Arnold I'll Hold You in My Heart and an encyclopedia of cowboys Cowboys and the Wild West An A-Z Guide from the Chisholm Trail to the Silver Screen He joined the faculty at Middle Tennessee State University in 1982 teaching courses in the music business He earned a Masters and Doctorate in Literature from MTSU Since August of 1994 Cusic has been Professor of Music Business at Belmont University

**Power and Identity in the Global Church:** Brian M. Howell, Edwin Zehner, 2009-06-01 Power and Identity in the Global Church Six Contemporary Cases applies contemporary sociological theological and New Testament insights to better understand how God's people can do and should interact in the field thereby laying the

groundwork for better multicultural approaches to mission partnership The authors six evangelical anthropologists and theologians also show that faithfulness in mission requires increased attention to local identities cultural themes and concerns including the desire to grow spiritually through direct engagement with God s word In this context failure to attend to power imbalances can stunt spiritual and leadership growth Attending to those imbalances should make Christian churches more truly brothers and sisters in Christ equal members of the one global body of which Christ alone is the head

**Saved by Song** Don Cusic,2012-09-25 Saved by Song returns to print with its sweeping overview of the history of gospel music Powerful and incisive the book traces contemporary Christianity and Christian music to the sixteenth century and the Protestant Reformation after examining music in the Bible and early church In America gospel music has been divided between white and black gospel Within these divisions are further divisions southern gospel contemporary Christian music spirituals and hymns Don Cusic has provided background and insight into the developments of all these rich facets of gospel music From the psalms of the early Puritans through the hymns of Isaac Watts and the social activism of the Wesleys to the camp meeting songs of the Kentucky Revival the spirituals that came from the slave culture and the hymns from the great revival after the Civil War gospel music advanced through the nineteenth century The twentieth century brought the technologies of recordings and the electronic media to gospel music Saved by Song is ultimately the definitive and complete history of a uniquely American art form It is a must for anyone interested in the musical and spiritual life of a nation

Popular Religion in America Erling T. Jorstad,1993-04-22 The enormous growth of evangelicalism is one of the major developments in recent American life Like other scholars Jorstad acknowledges that evangelicalism has grown because it is theologically attractive But Jorstad also attributes the growth of the evangelical movement to its relationship with American popular culture According to the author the evangelical movement was able to integrate populist democratic traditions with a cultural inclusiveness a mastery of high technology and a willingness to use mass media to spread its views The book contains three sections The first traces the development of evangelical subculture between 1960 and 1990 The second part discusses the evangelical movement and social and individual values The third part explores popular religion and the media The book considers the involvement of evangelicals in popular religion the appeal of popular religion to many but not to all evangelicals the similarities between popular religion and more traditional religious organizations and the means by which evangelicalism effectively utilizes the many genres and styles of popular culture

The Crisis of Evangelical Christianity Keith C. Sewell,2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating the order of creation our calling to develop integral Christian thinking and living the religious significance of culture and the coming of the kingdom reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies

As a result we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications and restricted to institutional church life and the cultivation of private spiritual experience The consequences are frequently enervating and corrosive Without disregarding what is important in the past evangelicals are here challenged to take the Bible much more seriously and thereby transcend the limitations of their habitual reductionism Evangelicals are encouraged to embrace an integral and full orb'd understanding of Christian discipleship that will equip the faithful to address the deep and complex challenges of the twenty first century

**The Gagging of God** D. A. Carson, 2009-09-01 The Gold Medallion Award winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism This isn't unique to secular culture Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness It's no secret that the contemporary challenges to Christianity are complex and serious Yet far from simple fear mongering or cultural warmongering *The Gagging of God* takes a hard look at the background and intricacy of pluralism postmodernity and hermeneutics and equips thoughtful Christians to have intelligent culturally sensitive and passionate fidelity to the gospel of Jesus Christ In his contemplative even handed approach Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface It invites Christians to grapple responsibly with urgent questions of biblically grounded theology spirituality and the defining lines of Christianity along with its range of challenges from without and within *The Gagging of God* offers an in depth look at the big picture shows how the many ramifications of pluralism are all parts of a whole and provides a systematic Christian response

**Four Views on Salvation in a Pluralistic World** Zondervan, 2010-09-21 Religious pluralism is the greatest challenge facing Christianity in today's Western culture The belief that Christ is the only way to God is being challenged and increasingly Christianity is seen as just one among many valid paths to God In *Four Views on Salvation in a Pluralistic World* four perspectives are presented by their major proponents Normative Pluralism All ethical religions lead to God John Hick Inclusivism Salvation is universally available but is established by and leads to Christ Clark Pinnock Salvation in Christ Agnosticism regarding those who haven't heard the gospel Alister McGrath Salvation in Christ Alone Salvation depends on explicit personal faith in Jesus Christ alone R Douglas Geivett and W Gary Phillips This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

**What Is Truth?** James Emery White, 2006-09-01 **SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD** In this postmodern age truth especially

religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry Biblical Counsel ,1993

The Enigmatic Realm of **Made In America The Shaping Of Modern American Evangelicalism**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. ## Made In America The Shaping Of Modern American Evangelicalism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Made In America The Shaping Of Modern American Evangelicalism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Made In America The Shaping Of Modern American Evangelicalism has opened up a world of possibilities. Downloading Made In America The Shaping Of Modern American Evangelicalism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Made In America The Shaping Of Modern American Evangelicalism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Made In America The Shaping Of Modern American Evangelicalism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Made In America The Shaping Of Modern American Evangelicalism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure

ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Made In America The Shaping Of Modern American Evangelicalism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Made In America The Shaping Of Modern American Evangelicalism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Made In America The Shaping Of Modern American Evangelicalism Books

**What is a Made In America The Shaping Of Modern American Evangelicalism PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Made In America The Shaping Of Modern American Evangelicalism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Made In America The Shaping Of Modern American Evangelicalism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Made In America The Shaping Of Modern American Evangelicalism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Made In America The Shaping Of Modern American Evangelicalism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers

PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
