Made You Look Who Do You Look Like:

E. M. Delafield Premium Collection: 6 Novels in One Volume E. M. Delafield, 2023-12-05 E M Delafield's Premium Collection 6 Novels in One Volume gathers a remarkable array of her literary works that delve into the intricacies of British society during the early 20th century. Delafield's writing is characterized by its keen observations, wit, and a subtle irony that brings to life the follies and virtues of her characters. This collection showcases her diverse narrative styles, from the epistolary form to vivid character-driven tales which explore themes of social norms, the role of women, and the confines of class within the backdrop of an evolving England. As a prolific author and a keen observer of her times, E M Delafield (1890-1943) often drew inspiration from her own experiences and the lives of those around her. Her background, which included her studies in languages and her involvement in various social circles, has infused her narratives with authenticity and depth. Delafield's unique perspective on the societal constraints of her era led her to depict the everyday struggles and triumphs of women, making her works resonate with contemporary readers. This Premium Collection is highly recommended for readers interested in early 20th-century literature, particularly those who appreciate insight into the social fabric of post-Victorian society. Delafield's blend of humor and poignant social commentary makes this volume not only a delightful read but also a valuable addition to the canon of feminist literature, enticing both new and seasoned readers to explore her timeless narratives.

Ridley Plays 1 Philip Ridley, 2013-10-16 This volume contains Ridley's first three plays, which heralded the arrival of a unique and disturbing voice in the world of contemporary drama. They are seminal works in the development of the in-your-face theatre that emerged in Britain during the mid-1990s. The three plays here all manifest Ridley's vivid and visionary imagination and the dark beauty of his outlook. They resonate with his trademark themes: East London storytelling, moments of shocking violence, memories of the past, fantastical monologues, and that strange mix of the barbaric and the beautiful he has made all his own. *The Pitchfork* (Disney) was Ridley's first play and is now seen as launching a new generation of playwrights who were unafraid to shock and court controversy. This unsettling, dreamlike piece has surreal undertones and thematically explores fear, dreams, and story-telling. *The Fastest Clock in the Universe* is a multi-award-winning play which caused a sensation when it premiered at Hampstead Theatre in 1992. An edgy and provocative drama, it is now regarded as a contemporary classic. *Ghost from a Perfect Place* is a scorchingly nasty blend of comedy, spectacle, and terror, where a monster from the past meets the monsters of the present. The volume contains the definitive version of the plays, plus an extended and updated introduction and three monologues: *Bloodshot*, *Angry*, and *Voosh*, published here for the first time.
