Madras And Beyond:

To the Regions Beyond Lela F. Folkers, 2024-12-11 After graduating from Fresno State with a degree in education and a teaching credential Lela Folkers soon faced a spiritual challenge that demanded a decision Would she commit her life to God s service or choose another path She accepted the challenge to live with His guidance and follow His path Although the path has not always been straight easy or full of rewards Lela has come to know that God walks beside her through every bright or dark place In an inspirational retelling of her life story Lela chronicles her experiences as a child of God who traveled the world during four decades of service While sharing a glimpse into her journey as she moved from India to the exotic islands of the South Pacific and Stepps of Mongolia all while feeling God s constant presence and protection Lela also describes her other travels to and work in regions beyond that included time spent in Papua New Guinea Puerto Rico Australia Germany Spain Barbados Japan China and Uzbekistan To the Regions Beyond is the true story of a woman s experiences as she trusted God s promise and traveled to India in God s service opening a world of opportunities for the next forty years

Beyond Macaulay Parimala V. Rao, 2024-12-10 Beyond Macaulay provides a radical and comprehensive history of Indian education in the early colonial era from 1780 to 1860 It critically explores data of 16 000 indigenous schools which shows that indigenous education was not oral informal and Brahmin centric but written formal and egalitarian Based on rich archival evidence the book challenges the conventional theory that the British administration imposed the English language and modern education on Indians By including hitherto unused 41 Educational Minutes of Macaulay the volume examines his educational ideas his insistence on compulsory teaching of Indian languages in English schools his encouragement of the Hindi language his opposition to making Arabic as a medium of instruction in medical and technical education opens up hitherto unknown perspectives on Orientalist Modernist debates Contrasting the educational ideas of the British elites and the Orientalists with dissenting Scottish voices it shows that the colonial administration was not monolithic The book discusses post Macaulayan educational policies closing down of Macaulay s schools and the Wood s Despatch of 1854 as well as how people protected English schools during the revolt of 1857 This second edition is supplemented with complete student essays which reveal the students use of the English language classical imageries the debates in Europe and finally their own location in Indian society The essays by upper caste OBC and Dalit students demonstrate their extraordinary competency and command over the English language The book will be of great interest to scholars and researchers of education history of education Indian history the history of English language teaching in India sociology and political science

Beyond the Academy David Thang Moe, 2024-10-11 The term public theology was introduced by Martin E Marty in a 1974 article Since then scholarly discussions on public theology have become more popular in academic circles This book however is about the invitation for moving beyond the academy It provides two reasons for doing so First an overtly academic public theology is in crisis today Although public theology may be flourishing in the academy its relevance for real life is limited

Second there is the ecclesial flourishing among grassroots Christian communities across Asia who witness to their lived faith in public and hidden life Their voices are largely unheard due to the gaps between the academy and the church This volume argues that we should consider their voices as key sources for developing a relevant lived Asian public theology The author makes the case for reimagining the paradigm shifts in lived Asian public theology of religions and for bridging the unhappy gaps between the academic and grassroots voices

Knowing Beyond Knowledge Thomas A. Forsthoefel, 2020-09-10 This title was first published in 2002 This book builds on contemporary discussion of mysticism and religious experience by examining the process and content of religious knowing in classical and modern Advaita Drawing from the work of William Alston and Alvin Plantinga Thomas Forsthoefel examines key streams of Advaita with special reference to the conditions contexts and scope of epistemic merit in religious experience Forsthoefel uniquely employs specific analytical categories of contemporary Western

epistemologies as heuristics to examine the cognitive dimension of religious experience in Indian Vedanta Showing the developing nuances in the analysis of religious experience in the thought of Shankara and his immediate disciples Suresvara and Padmapada as well as in the teaching of Ramana Maharshi an understudied but important South Indian saint of the 20th century this book offers a substantial contribution to studies of Indian philosophy as well as to contemporary philosophy of religion Using the tools of exegesis and comparative philosophy Forsthoefel argues for a careful justification of claims following religious experience even if such claims involve as they do in the Advaita a paradoxical knowing beyond knowledge

Beyond Price R. A. Donkin, 1998 Man has been intrigued by the origin of pearls sensitive to their beauty and convinced of their medicinal value for at least 5 cent A mixture of folklore and observation preceded the earliest scientific inquiries Fishing and trade commenced in S Asia between India and Sri Lanka and around the Persian Gulf In W and Central Europe Inner Asia and China and N Amer Freshwater pearls were probably known and treasured before those of marine origin A refined nomenclature points to a long familiarity with etymologically related words for pearl Pearls were prominent among the luxury products of world trade and were high among the objectives of expeditions to the eastern and western Tropics Illustrations
