Maestros In Moscow:

Conducting and Rehearsing the Instrumental Music Ensemble John F. Colson, 2012-08-09 *Conducting and Rehearsing the Instrumental Music Ensemble* is the most comprehensive guide on the rehearsal process for conducting instrumental music ensembles. Ideal for the advanced instrumental music conductor seeking to look beyond basic conducting technique, this work breaks the multidimensional activity of working with an ensemble orchestra or band into its constituent components. Advanced students of conducting will find within the full range of conducting activities. Chapters on the infrastructure of the rehearsal, the rehearsal environment, 10 rehearsal essentials, score study, music imagery, inner singing, and rehearsal procedures with an emphasis on an integrated approach to rehearsing. The technical priorities of intonation and tuning, rhythm patterns, ensemble sonority, tone balance, blend, color, and texture, and articulation. The musical priorities of tempo and ensemble precision, phrasing, and the musical line, style, and interpretation, dynamics, and musical expression. Emphasizing the expectations of 21st century conductors, the challenges of conducting and rehearsing contemporary music, preparing conductor profiles and self evaluations, and moving from the rehearsal process to concert performance. *Conducting and Rehearsing the Instrumental Music Ensemble* is a great resource for teachers and students of conducting as well as current conductors wishing to further hone their skills.

Maestro James O. Gump, 2021-07 Wine insiders called Andr Tchelistcheff the winemaker's winemaker, the wine doctor, and simply maestro. After Prohibition brought Napa Valley and its wine industry to the brink of catastrophe, Tchelistcheff 1901-94 proved essential in its revitalization. Tchelistcheff's unique background: a sickly child, a Russian migrant forced from his homeland during the Bolshevik Revolution, a White Army lieutenant who fought in the Crimea, a physical laborer in a Bulgarian coal mine, a Czechoslovakian-trained agronomist, and a French-schooled viticulturist and enologist prepared him for a remarkable winemaking career. He spent thirty-five years in Napa Valley's Beaulieu Vineyard and nearly two post-retirement decades doing freelance consulting work for more than thirty wineries. His early struggles forged his principal character traits, which he passed on to an entire generation of winemakers. His students, including some of the most accomplished winemakers of the post-Prohibition period, marveled over their mentor's sense of authority, profound insight, humble presence, and abundant wisdom. This inspiring account of Tchelistcheff's life includes interviews with friends, family, and mentees, which reveal how one man used his passion and knowledge to help save a community on the edge of disaster. In *Maestro*, James O. Gump preserves the memory of a fascinating individual and one of the most influential winemakers of the modern era.
