Magdalene Diaries:

Origins of the Magdalene Laundries Rebecca Lea McCarthy, 2010-03-08 The convents asylums and laundries that once comprised the Magdalene institutions are the subject of this work Though originally half way homes for prostitutes in the Middle Ages these homes often became forced labor institutions particularly in Ireland Examining the laundries within the context of a growing world capitalist economy the work argues that the process of colonization and of defining a national image determined the nature and longevity of the Magdalene Laundries This process developed differently in Ireland where the last laundry closed in 1996 The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization from an affluent strong supporter of Jesus to a simple fallen woman [Legacies of the Magdalen Laundries](#)

Miriam Haughton, Mary McAuliffe, Emilie Pine, 2021-11-23 This collection raises incisive questions about the links between the postcolonial carceral system which thrived in Ireland after 1922 and larger questions of gender sexuality identity class race and religion This kind of intersectional history is vital not only in looking back but in looking forward to identify the ways in which structural callousness still marks Irish society Essays include historical analysis of the ways in which women and children were incarcerated in residential institutions Ireland's Direct Provision system the policing of female bodily autonomy though legislation on prostitution and abortion in addition to the legacies of the Magdalen laundries This collection also considers how artistic practice and commemoration have acted as vital interventions in social attitudes and public knowledge helping to create knowledge and re shape social attitudes towards this history *Ireland's Magdalen Laundries and the Nation's Architecture of Containment*

James M. Smith, 2007-09-01 The Magdalen laundries were workhouses in which many Irish women and girls were effectively imprisoned because they were perceived to be a threat to the moral fiber of society Mandated by the Irish state beginning in the eighteenth century they were operated by various orders of the Catholic Church until the last laundry closed in 1996 A few years earlier in 1993 an order of nuns in Dublin sold part of their Magdalen convent to a real estate developer The remains of 155 inmates buried in unmarked graves on the property were exhumed cremated and buried elsewhere in a mass grave This triggered a public scandal in Ireland and since then the Magdalen laundries have become an important issue in Irish culture especially with the 2002 release of the film *The Magdalene Sisters* Focusing on the ten Catholic Magdalen laundries operating between 1922 and 1996 Ireland's Magdalen Laundries and the Nation's Architecture of Containment offers the first history of women entering these institutions in the twentieth century Because the religious orders have not opened their archival records Smith argues that Ireland's Magdalen institutions continue to exist in the public mind primarily at the level of story cultural representation and survivor testimony rather than history archival history and documentation Addressed to academic and general readers alike James M Smith's book accomplishes three primary objectives First it connects what history we have of the Magdalen laundries to Ireland's architecture of containment that made undesirable segments of the female population such as illegitimate children single

mothers and sexually promiscuous women literally invisible Second it critically evaluates cultural representations in drama and visual art of the laundries that have over the past fifteen years brought them significant attention in Irish culture Finally Smith challenges the nation church state and society to acknowledge its complicity in Ireland s Magdalen scandal and to offer redress for victims and survivors alike

Ireland and the Magdalene Laundries Claire McGettrick,Katherine O'Donnell,Maeve O'Rourke,James M. Smith,Mari Steed,2021-08-12 Between 1922 and 1996 over 10 000 girls and women were imprisoned in Magdalene Laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the Church and State and unmarried mothers These girls and women were subjected to forced labour as well as psychological and physical maltreatment Using the Irish State s own report into the Magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of Ireland s Magdalene institutions The book offers an overview of the social cultural and political contexts of institutional survivor activism the Irish State s response culminating in the McAleese Report and the formation of the Justice for Magdalenes campaign a volunteer run survivor advocacy group Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened Drawing from a variety of primary sources this book reveals the fundamental flaws in the state s investigation and how the treatment of the burials exhumation and cremation of former Magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC Empowering People in Care

Experience, Identity & Epistemic Injustice within Ireland's Magdalene Laundries Chloe K. Gott,2022-02-10 How are the identities of women shaped by religious disciplinary processes in Magdalene laundries and how do women re engage with their sense of self after leaving the institutions Chlo K Gott situates these questions within the current cultural climate in which the institutions now sit considering how they fit into Ireland s present as well as its past This book represents the first significant secondary analysis to be conducted of 81 oral history interviews recorded as part of the Government of Ireland Collaborative Research project Magdalene Institutions Recording an Archival and Oral History funded by the Irish Research Council These were taken with women formerly incarcerated in these institutions as well as others associated with this history Grounded in qualitative analysis of this archive the book is structured around the voices and words of survivors themselves With a strong focus on how the experience of being incarcerated in a Magdalene laundry impacted on the gendered religious selves of the women this book tracks the process of entering working in and leaving a laundry explored through the lens of epistemic injustice

Grant,2005 Criminology of the Domestic Pamela Davies,Michael Rowe,2023-06-29 Bringing together a range of perspectives this book establishes a criminology of the domestic paying particular attention to

emerging spatial and relational reconfigurations We move beyond criminologies of public and urban domains to consider over looked non public locales and crimes and harms that occur in the home and other private spaces Developed in the context of the COVID 19 lockdowns where distinctions between public and private became increasingly untenable the book considers how the pandemic has accelerated new patterns of behaviour enabled by technology and shifting social relations Drawing on a range of criminological topics including victimisation offending property and violent crime consumption deviance and leisure and zemiology the book argues that the domestic sphere and its relation to the public realm needs to be more carefully conceptualised if criminology is to respond to new spatial and relational dimensions of changing lifestyles An accessible and compelling read this book will appeal to students and scholars of criminology sociology politics geography history gender surveillance and security and all those interested in a criminology of the domestic sphere Text, Lies and Cataloging Jana Brubaker, 2018-07-09 What do James Frey's *A Million Little Pieces* Margaret B Jones' *Love and Consequence* and Wanda Koolmatrie's *My Own Sweet Time* have in common None of these popular books are what they appear to be Frey's fraudulent drug addiction memoir was really a semi fictional novel Jones' chronicle of her life in a street gang was a complete fabrication and Koolmatrie was not an Aboriginal woman removed from her family as a child as in her seemingly autobiographical account but rather a white taxi driver named Leon Carmen Deceptive literary works mislead readers and present librarians with a dilemma Whether making recommendations to patrons or creating catalog records objectivity and accuracy are crucial and can be difficult when a book's authorship or veracity is in doubt This informative and entertaining study addresses ethical considerations for deceptive works and proposes cataloging solutions that are provocative and designed to spark debate An extensive annotated bibliography describes books that are not what they seem Popular Trauma Culture Anne Rothe, 2011-09-15 In *Popular Trauma Culture* Anne Rothe argues that American Holocaust discourse has a particular plot structure characterized by a melodramatic conflict between good and evil and embodied in the core characters of victim survivor and perpetrator and that it provides the paradigm for representing personal experiences of pain and suffering in the mass media The book begins with an analysis of Holocaust clichés including its political appropriation the notion of vicarious victimhood the so called victim talk rhetoric and the infusion of the composite survivor figure with Social Darwinism Readers then explore the embodiment of popular trauma culture in two core mass media genres daytime TV talk shows and misery memoirs Rothe conveys how victimhood and suffering are cast as trauma kitsch on talk shows like Oprah and as trauma camp on modern day freak shows like Springer The discussion also encompasses the first scholarly analysis of misery memoirs the popular literary genre that has been widely critiqued in journalism as pornographic depictions of extreme violence Currently considered the largest growth sector in book publishing worldwide many of these works are also fabricated And since forgeries reflect the cultural entities that are most revered the book concludes with an examination of fake misery memoirs **Irish National Cinema** Ruth Barton, 2004 Ruth Barton argues that in order to understand the

position of filmmaking in Ireland and the inheritance on which contemporary filmmakers draw definitions of the Irish culture and identity must take into account the Irish diaspora and engage with its cinema

The Da Vinci Fraud Robert M. Price, 2009-12-30 Was Leonardo Da Vinci a member of the Priory of Sion a secret society reaching all the way back to the Crusades Does his famous painting The Last Supper contain a hidden code about this society's most precious secret Did Jesus father children by Mary Magdalene What was the Holy Grail The best selling novel The Da Vinci Code by Dan Brown has stirred the popular imagination by cleverly interweaving theories about such questions with a fast paced fictional narrative Many readers have been so swept away by the drama of this murder mystery that they have accepted Brown's fictional reconstruction of Christian origins and medieval history as established fact New Testament scholar Robert M Price a member of the prestigious Jesus Seminar examines the creative uses of history in Brown's novel showing that however intriguing Brown's fictional speculations may be the real facts behind the novel are even more fascinating What does the best historical evidence say about the possibility that Jesus might have survived the crucifixion How did the Gospels come to be accepted as the established accounts of Jesus' life and why were other Gnostic traditions suppressed How did the Roman Emperor Constantine figure in the development of Christian dogma What was Mary Magdalene's role in early Christianity and how was it adapted in later attempts to develop a sacred feminine element in Christianity These are some of the important questions about Christianity that Dr Price pursues in this engrossing discussion of Christian history Price combines sophisticated historical analysis with completely accessible and witty prose in this enlightening factually based analysis of Brown's speculative bestseller

Grant,2017-09-29 Inspired by Edgar Cayce's readings on Mary Magdalene biblical events and from his heartfelt attunement to the spirit and mind of Mary Magdalene author Robert J Grant has written a beautiful novel told through the eyes of Mary Magdalene herself In her own words Mary tells of her life from her tumultuous childhood to her fateful meeting with Jesus She shares details of her friendship with Mary the mother of Jesus her account of the Last Supper and the true meaning behind Judas betrayal Experience the story of this remarkable woman's life love and friendship with the Master *The Magdalene Diaries* is timeless passionate and powerful One that will touch your heart *The New Scottish Cinema* Jonathan Murray,2015-03-31 From a near standing start in the 1970s the emergence and expansion of an aesthetically and culturally distinctive Scottish cinema proved to be one of the most significant developments within late twentieth and early twenty first century British film culture Individual Scottish films and filmmakers have attracted notable amounts of critical attention as a result *The New Scottish Cinema* however is the first book to trace Scottish film culture's industrial creative and critical evolution in comprehensive detail across a forty year period On the one hand it invites readers to reconsider the known films such as *Shallow Grave* *Ratcatcher* *The Magdalene Sisters* *Young Adam* *Red Road* and *The Last*

King of Scotland On the other it uncovers the overlooked from the 1980s comedic film makers who followed in the footsteps of Bill Forsyth to the variety of present day Scottish film making a body of work that encompasses explorations of multiculturalism exploitation of the macabre and much else in between In addition to analysing an eclectic range of films and filmmakers The New Scottish Cinema also examines the diverse industrial institutional and cultural contexts which have allowed Scottish film to evolve and grow since the 1970s and relates these to the images of Scotland which artists have put on screen In so doing the book narrates a story of interest to any student of contemporary British film
