Magdalene Gospel

Edmondo F. Lupieri

Magdalene Gospel:

The Gospels of Mary Marvin W. Meyer, 2004-04-06 An analysis of the role of Mary Magdalene in the origins of Christianity presents the Gospel of Mary and other religious writings contending that the Church suppressed her story and **The Gospel of Mary** Esther De Boer, 2005-06-20 The success of Dan Brown that she was among Jesus s closest followers s Da Vinci Code has raised new interest in Mary Magdalene and in the Gospel of Mary Here the author examines Mary Magdalene's influence on the beginnings of Christianity and asks what was her impact and her message And furthermore what became of her and her ideas Esther de Boer studies the Gospel of Mary the only Gospel to be named after a woman to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal She argues that the Gospel of Mary is not a Gnostic writing but is more closely related to the writings of Philo the letters of Paul and the Gospel of John She demonstrates that esteem of Mary Magdalene did not just belong to the Gnostic tradition but to a broader Christian context In order to determine this context the study identifies the different portrayals of Mary Magdalene in the New Testament analyses their concepts of discipleship and their views on women and investigates their historical reality Esther de Boer concludes that the portrayal of Mary Magdalene in the Gospel of Mary is close to that in the Gospel of John and investigates the possibility that she is concealed in the Johannine disciple loved by Jesus The Gospel of Mary of Magdala Karen L. King, 2003 Lost for more than fifteen hundred years the Gospel of Mary is the only existing early Christian gospel written in the name of a woman Karen L King tells the story of the recovery of this remarkable gospel and offers a new translation This brief narrative presents a radical interpretation of Jesus teachings as a path to inner spiritual knowledge It rejects his suffering and death as a path to eternal life and exposes the view that Mary Magdalene was a prostitute for what it is a piece of theological fiction The Gospel of Mary of Magdala offers a glimpse into the conflicts and controversies that shaped earliest Christianity **The Gospel of Mary Magdalene** Jean-Yves Leloup, 2002-02-01 Restores to the forefront of the Christian tradition the importance of the divine feminine The first complete English language translation of the original Coptic Gospel of Mary with line by line commentary Reveals the eminence of the divine feminine in Christian thought Offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Perhaps no figure in biblical scholarship has been the subject of more controversy and debate than Mary Magdalene Also known as Miriam of Magdala Mary Magdalene was considered by the apostle John to be the founder of Christianity because she was the first witness to the Resurrection In most theological studies she has been depicted as a reformed prostitute the redeemed sinner who exemplifies Christ's mercy Today's reader can ponder her role in the gospels of Philip Thomas Peter and Bartholomew the collection of what have come to be known as the Gnostic gospels rejected by the early Christian church Mary's own gospel is among these but until now it has remained unknown to the public at large Orthodox theologian Jean Yves Leloup s translation of the Gospel of Mary from the Coptic and his thorough and profound commentary on this text are presented here for the

first time in English The gospel text and the spiritual exegesis of Leloup together reveal unique teachings that emphasize the eminence of the divine feminine and an abiding love of nature over the dualistic and ascetic interpretations of Christianity presented elsewhere What emerges from this important source text and commentary is a renewal of the sacred feminine in the Western spiritual tradition and a new vision for Christian thought and faith throughout the world Teachings of Mary Magdalene Claire Nahmad, Margaret Bailey, 2012-01-01 This in depth commentary on the lost material of The Gospel of Mary Magdalene presents Jesus most important and misunderstood disciple as you ve never seen her before Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary's teachings from the original Greek and Coptic offers a unique new perspective authors Claire Nahmad and Margaret Bailey utilized inner listening to uncover lost material and they present Mary's ideas in the form of a dialogue between the risen Savior and His disciples Most importantly The Secret Teachings of Mary Magdalene includes a description by Mary of special revelations given to her by Jesus Nahmad and Bailey argues that Mary was not just the consort of Christ but the feminine Christ herself and in their view the partnership between Jesus and Mary exemplifies the crucial balance of male and female in spiritual and corporeal life It's an interpretation that uncovers a rich subtext in Mary's words offering wisdom on an extraordinary range of concerns from the origins of the human race to the pathway to Christlike consciousness The Crucifixion of Mary Magdalene Richard J. Hooper, 2005 A careful study of Christian origins and detailed analysis of all the canonical apocryphal and Gnostic Gospels in which Mary Magdalene appears Considered the first apostle of Christianity by early Christians the author explains why the patriarchs of the early church found it necessary instead to reinvent Mary as a wanton woman rather than Jesus most favored disciple The Magdalene **Mystique** Betty Conrad Adam, 2006 Offers an overview of the Gospel of Mary and reviews the Church's long history of misunderstanding her This work offers advice prayers and liturgy for living Magdalene spirituality Mary Magdalene Revealed Meggan Watterson, 2021-01-19 WALL STREET JOURNAL BESTSELLER The Gospel of Mary Magdalene reveals a very different love story from the one we ve come to refer to as Christianity Harvard trained theologian Meggan Watterson leads us verse by verse through Mary's gospel to illuminate the powerful teachings it contains A gospel as ancient and authentic as any of the gospels that the Christian bible contains was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed Fortunately some rebel monks were wise enough to refuse and thanks to their disobedience and spiritual bravery we have several manuscripts of the only gospel that was written in the name of a woman The Gospel of Mary Magdalene Mary s gospel reveals a radical love that sits at the heart of the Christian story Her gospel says that we are not sinful we are not to feel ashamed or unworthy for being human In fact our purpose is to be fully human to be a true human being that is a person who has remembered that yes we are a messy limited ego and we are also a limitless soul And all we need to do is to turn inward again and again to meditate like Mary Magdalene in the way

her gospel directs us so that we can see past the ego of our own little lives to what s more real and lasting and infinite and already here within With searing clarity Watterson explains how and why Mary Magdalene came to be portrayed as the penitent prostitute and relates a more historically and theologically accurate depiction of who Mary was within the early Christ movement And she shares how this discovery of Mary's gospel has allowed her to practice and to experience a love that never ends a love that transforms everything The Gospel of Mary Magdalene Alexander Rigoni, History Academy, 2021-10-10 A gospel as ancient and authentic as any of the gospels that the Christian bible contains was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed Fortunately some rebel monks were wise enough to refuse and thanks to their disobedience and spiritual bravery we have several manuscripts of the only gospel that was written in the name of a woman The Gospel of Mary Magdalene Restores to the forefront of the Christian tradition the importance of the divine feminine and offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Also known as Miriam of Magdala Mary Magdalene was considered by the apostle John to be the founder of Christianity because she was the first witness to the Resurrection Mary s gospel reveals a radical love that sits at the heart of the Christian story Her gospel says that we are not sinful we are not to feel ashamed or unworthy for being human In fact our purpose is to be fully human to be a true human being that is a person who has remembered that yes we are a messy limited ego and we are also a limitless soul And all we need to do is to turn inward again and again to meditate like Mary Magdalene in the way her gospel directs us so that we can see past the ego of our own little lives to what s more real and lasting and infinite and already here within This brief narrative presents a radical interpretation of Jesus teachings as a path to inner spiritual knowledge It rejects his suffering and death as a path to eternal life The Gospel of Mary Magdalene sheds new light on his relationship with his favorite follower The wisdom in this inspiring collection of texts is wholly relevant to our lives today addressing the questions of good and evil sin and suffering and the path to salvation The Lost Gospel of Mary Magdalene reveals secrets that have been hiding in plain sight for millennia The author has done it again he has fully interpreted every verse leaving no stone unturned and what is revealed is astonishing Knowledge that has been kept secret by the church for nearly two thousand years is laid bare for all to see thereby ending the greatest deception mankind has ever suffered An in depth study of the heart centered teachings of Mary Magdalene Reveals Mary Magdalene as a gifted visionary teacher and the best qualified disciple to lead the Jesus movement after his death translates and introduces the Gnostic and New Testament texts that together reveal the story and importance of Mary Magdalene discloses the long suppressed story of Mary's vital role in the life of Jesus and in the formative period after his crucifixion presents as authentically as possible the real Mary Magdalene Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary s teachings from the original Greek and Coptic offers a unique new perspective No secret oral tradition as extensive as this has ever been

recorded and none has ever presented a Gnostic view of Mary Magdalene as she is portrayed in this groundbreaking work as a powerful holy woman the innermost disciple and beloved wife of Jesus and a Christed woman who is coequal with Jesus in the Christ revelation The veil has been lifted Discover the Gospel truth about the most myth understood woman of the New Testament With her own eyes she saw him With her own ears she heard him With her own hands she touched him Magdalene Gospel Mary Ellen Ashcroft, 1995 Even though Mary Magdalene was the first person to see Jesus on Easter morning she had to wait two thousand years for her story to be told Finally after all the centuries of silence imposed on Mary Magdalene on Mary the mother of Jesus and on the other women who devoted their lives to Jesus Mary Ellen Ashcroft triumphantly proclaims the stories of these women in this fictional Gospel BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Essential Gnostic Gospels Alan Jacobs, 2006 The Gnostics were early Christians whose beliefs and practices put them at odds with the orthodox Church indeed the Church considered Gnostics to be heretics and made a concerted effort to destroy their writings However in 1945 a remarkable discovery was made in Nag Hamadi in the Egyptian desert a jar containing 13 papyrus documents dating back to the fourth century ad with genuine Gnostic texts in the original Greek In addition this manuscript included four gospels that offered accounts of Jesus and His times that are strikingly different from the New Testament Alan Jacobs brings his unrivalled scholarship to bear on these illuminating and eye opening works offering inspiring and poetic translations that capture the verses uplifting spiritual The Quest For Mary Magdalene Michael Haag, 2016-03-17 Mary Magdalene is a larger figure than message and beauty any text larger than the Bible or the Church she has taken on a life of her own She has been portrayed as a penitent whore a wealthy woman Christ's wife an adulteress a symbol of the frailty of women and an object of veneration And to this day she remains a potent and mysterious figure In the manner of a quest this book follows Mary Magdalene through the centuries explores how she has been reinterpreted for every age and examines what she herself reveals about woman and man and the divine It seeks the real Mary Magdalene in the New Testament and in the Gnostic gospels where she is extolled as the chief disciple of Christ It investigates how and why the Church recast her as a fallen woman it traces her story through the Renaissance when she became a goddess of beauty and love and it looks at Mary Magdalene as the feminist icon she has become today **The Gospel of Philip** Jean-Yves Leloup, 2004-08-16 A new translation and analysis of one of the most controversial of the apocryphal gospels Emphasizes an initiatic marriage between the male and female principles as the heart of the Christian mystery Bears witness to the physical relationship shared by Jesus and Mary Magdalene Translated from the Coptic and analyzed by the author of the bestselling The Gospel of Mary Magdalene over 90 000 sold The mainstream position of the Christian church on sexuality was perhaps best summed up by Pope Innocent III 1160 1216 when he stated that the sexual act is so shameful that it is intrinsically evil Another Christian theologian maintained that the Holy Ghost is absent from the room shared by a wedded couple What Philip records in his gospel is that Christ said precisely the opposite

The nuptial chamber is in fact the holy of holies For Philip the holy trinity includes the feminine presence God is the Father the Holy Ghost is the Mother and Jesus is the Son Neither man nor woman alone is created in the image of God It is only in their relationship with one another the sacred embrace in which they share the divine breath that they resemble God The Gospel of Philip is best known for its portrayal of the physical relationship shared by Jesus and his most beloved disciple Mary of Magdala Because it ran counter to the direction of the Church which condemned the works of the flesh Philip's gospel was suppressed and lost until rediscovered at Nag Hammadi in 1947 Orthodox theologian Jean Yves Leloup s translation from the Coptic and his analysis of this gospel are presented here for the first time in English What emerges from this important source text is a restoration of the sacred initiatic union between the male and female principles that was once at the heart of Christianity's sacred mystery Mary Magdalene Bruce Chilton, 2006-11-21 After two thousand years of flawed history here at last is a magnificent new biography of Mary Magdalene that draws her out of the shadows of history and restores her to her rightful place of importance in Christianity Throughout history Mary Magdalene has been both revered and reviled a woman who has taken on many forms witch whore the incarnation of the eternal feminine the devoted companion and perhaps even the wife of Jesus In this brilliant new biography Bruce Chilton a renowned biblical scholar offers the first complete and authoritative portrait of this fascinating woman Through groundbreaking interpretations of ancient texts Chilton shows that Mary played a central role in Jesus ministry and was a seminal figure in the creation of Christianity Chilton's descriptions of who Mary Magdalene was and what she did challenge the male dominated history of Christianity familiar to most readers Placing Mary within the traditions of Jewish female savants Chilton presents a visionary figure who was fully immersed in the mystical practices that shaped Jesus own teachings and a woman who was a religious master in her own right Mary Magdalene from the New Testament to the New Age and Beyond Edmondo F. Lupieri, 2019-10-14 An international team of twenty scholars under Edmondo F Lupieri s direction produced Mary Magdalene from the New Testament to the New Age and Beyond While the historical figure of the Magdalene may be lost forever the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith Different pictures of Mary travelled through time and space from history to legend and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others The True Christian Gospel Orlando A. St. Mary Magdalene Tau Malachi, 2012-02-08 A gnostic biography that brings to light the Robertson, 2012-09-07 importance and spirituality of the Christian saint Mary of Magdala In the Gospels of the Bible there are a few comments about Mary Magdalene here and there But in the Gnostic scriptures that have been discovered there are tantalizing hints that both her relationship to Jesus and her role among Jesus disciples may have been profoundly important Among several

schools of Gnostic Christianity Mary plays an essential role in the revelation of the gospel Here for the first time in print is a Sophian Gospel of St Mary Magdalene No secret oral tradition as extensive as this has ever been recorded and none has ever presented a Gnostic view of Mary Magdalene as she is portrayed in this groundbreaking work as a powerful holy woman the innermost disciple and beloved wife of Jesus and a Christed woman who is coequal with Jesus in the Christ revelation
