Past Lives That Matter Isisi Allthings, 2023-02-27 As a dawning understanding emerged slowly into view Rose began to see her life experiences through a more compassionate lens It became necessary for her to fully forgive and release any trauma she still clung on to from her past but not only from this present lifetime Her ever more mysterious life path began to lead her along a metaphysical pilgrimage into other past lives and experiences not belonging solely to her current one but strangely inter linked What she discovered about her conscious reality began to metamorphose into a realisation that she is not a lone figure in the tapestry of experiences that she wove over the centuries Stitch by stitch she imagined a far greater picture with others joining her along the way on a special past life pilgrimage As she stood back and observed it from afar as an artist would a painting it seemed that all the unrelated knots and ties came together as a beautiful whole Along The Way she learned how her challenges had shaped her destiny over and over again down through history Some experiences taught her painful lessons and others brought her unimaginable gifts but everyone she includes in this jigsaw of a tale seemed to play a unique
