## **Magellan And I:**

Notes on the Natural History of the Strait of Magellan and West Coast of Patagonia Made During the Voyage of H.M.S. 'Nassau' in the Years 1866, 67, 68, & 69 Robert Oliver Cunningham, 1871      Magellan's Cross Richard J Field, 2012-06-08

The hero of this historical novel is Martin Olden. The story is set against the researched facts of Magellan's voyage to Asia. In 1494 the division of the globe into two spheres of influence between Portugal and Spain left a vital question unanswered which country's sphere encompassed Asia particularly the fabulously wealthy Spice Islands. In 1519 Captain General Ferdinand Magellan led a Spanish expedition sailing westwards to disprove Portugal's claim to the Spice Islands and establish that much of the rest of Asia were Spain's possessions. The voyage saw a series of dramatic events by the time Magellan's fleet reached the Magellan Strait mutinies had left all his Spanish Captains dead or marooned and there was appalling deprivation on the long voyage across the unexpectedly vast Pacific to the Philippines. It was there that Magellan disregarding the Spanish king's orders attacked Lapulapu, a local ruler of Mactan Island. Prior to being captured on Mactan Island Martin Olden helped Princess Lulu, Chief Lapulapu's half sister, a skilful healer and powerful Shaman when she was assaulted by Santos, a misogynistic Spanish sailor. Captured by Lapulapu's warriors, Martin subsequently witnessed the fate of Magellan and fell in love with Lulu.      Magellan Michael Burgan, 2002 Describes the journey taken by Magellan that proved the earth was round and that the oceans were connected.

**Quests of the Dragon and Bird Clan** Paul Kekai Manansala, 2006-10-01

Quests of the Dragon and Bird Clan examines how the seafaring trading people known as the Nusantara from Insular Southeast Asia influenced world history. This is a book based on a weblog. The decision to publish the book came after requests to make the information in the blog available in an easier to read and more portable format. The advantage of the printed work is that the blog entries are arranged in easy to manage chronological order without the need for the clicking through the blog archives. The glossary entries are also in alphabetical order for easy look up and a word index and table of contents further increase the readability of the blog book. Important supplementary articles have also been included in the appendices. A must read for those who think there is more to history than what we find in mainstream publications.
