about her than he could ever reveal Lion also sees that Magenta is unwittingly making things happen around her but must keep it secret as some of his kind may see her as a threat Then on Halloween night Magenta suffers a massive hemorrhage in her brain After waking up in the hospital she begins seeing terrifying visions the hunted women all with flaming red hair just like hers her mother who has been dead for years and the Shadow Man always in the background always elusive but always there And if that isn't enough everything will change again And when it does it changes big **Magenta** Emmel

Pound, 2015-02-25 Magenta refers to a tribe of primitives who decorate themselves with a broad magenta stripe from ear to ear across their faces They live in the rain forest and are engaged in a never ending if intermittent war with a second tribe at a similar level of social development Large reptilian omnivores abound Elsewhere and at a distant remove there lives a technically sophisticated but largely naive society These are a population at the other end of the evolutionary scale whose ability to procreate due to isolation and many thousands of years of existence is on the wane The tectonic plate upon which they live is inching towards ever colder climes whilst separating from Pangaea our original singular continent Their race is not sustainable as things stand Not only must they move to a warmer latitude to survive but also introduce new blood into their line Given the necessity of interbreeding with primitives amongst the more sophisticated population there is a commonly held fear that such a course of action might produce physically and mentally incompatible offspring The higher culture's government attempts to accelerate the mental development of the primitives by artificial means A profiteering scheme that goes catastrophically wrong **The Magenta**, 1873 *Cumulated Index Medicus*, 1989 **Index Medicus**, 2004 Vols for 1963 include as pt 2 of the Jan issue Medical subject headings *Medical Subject Headings*, 2004
