**Locker #12** Jack Callahan, 2010-02-16 An envelope left for Jack at his wife's funeral contained a clandestine message. It read: Jack, I critically need your help. Use this airline ticket to Boston. Go directly to the airport locker area. The key is for LOCKER 12. My Government Agency appreciates your efforts on behalf of your country. This message continued to mystify Jack until his meeting with Kevin, a CIA Agent. An unforgettable cast of characters: Jack, an ordinary citizen; Kevin, his college buddy; Henry Dodd, a central spy figure; Amy, a new woman in Jack's life; Maggie, a fellow confidant; Ms. Mossy, an unpredictable central figure; Collins, a rookie FBI agent from Nebraska. **A Death for a Dancer • A Death for a Doctor** E.X. Giroux, 2024-03-26 Gentlemanly Robert Forsythe and his longtime PA Sandy Sanderson are sleuthing up a storm, investigating innocent victims who maybe weren't so innocent after all. No Katherine St. Croix was not a hoofer, but she also wasn't the pathetic angelic starveling that the wealthy Dancer clan imagined. In fact, she was a talented con artist selling her sob story while helping herself to the family jewels and silver. But what she is now is dead; her mutilated body found on the Dancer estate. It's clear that one of the Dancers is similarly sitting on some sinister secrets, and Forsythe has been asked to poke around. He's happy to do the favor, especially if he can stay alive while doing it. And who would kill the village sawbones, nice Dr. Foster, not to mention his pretty wife? To answer that question, Sandy goes undercover, only to discover an embarrassment of suspects. It seems that half the folks in town had reason to loathe the doctor, not to mention his pretty wife. Can Sandy sift through them all? Sure, but she'll risk her own life to do it.

**The Kitty Committee** Kathryn Berla, 2018-08-14 Every year it comes. And every year it reminds Grace that someone knows her deepest secret, the secret whose silence has tormented Grace over the years. That secret began with an innocent gang of teenage friends who called themselves The Kitty Committee. The Kitty Committee of Grace's youth was ostensibly a group of friendship and support. But the friends fell victim to the ringleader's manipulative personality and recklessness, which set the girls on a course of vigilante justice, culminating in an act that will forever change their lives, an act that becomes their shared secret. Grace's silence and guilt have led to over twenty years of disappointing relationships, an inability to commit, and a crisis of morality. And no matter how much Grace has suffered and lost, still it comes every year. The reminder that someone out there wants The Kitty Committee to suffer, someone who won't

McFee,2014-01-08 Ever wonder what happens to the zoo and circus elephants after the all the people go home for the day Ernest knows Ernest is a captive born elephant with no connection to his wild relatives He has had no chance to experience the wild and this is perhaps his greatest tragedy He doesn t know what he is missing but he s about to find out Ernest is one of thousands of elephants kept in zoos and circuses for the amusement of humans Throughout the day humans stare at him and make silly faces At night he s confined to a tiny paddock He has no idea about life in the wild where close knit families of elephants live as long as humans presuming humans let them His first elephant friend wild born Frankie tells Ernest all about the pleasures of living wild and the family he misses so much When humans send Ernest to the circus to perform he meets other wild born elephants including wise old Mary and majestic motherly Eve Ernest learns more about what he s been denied even as he discovers the rigorous sometimes brutal world of circus training A somber but ultimately

hopeful tale told from an elephant's point of view *Through the Eyes of Ernest A Memoir to Honor Elephants* asks us to consider why we keep such intelligent social animals in captivity I Am With You Always Phyllis Pritchard, 2016-12-08 *I Am With You Always* by Phyllis Pritchard *I Am With You Always* is a message to the world of possible future happenings if mankind doesn't change their ways. This will inspire all who read it that it is time for everyone to heed now of their present relationships with their God and with that discovery on their part fulfilled to act accordingly because we may be in the end of time scenario. We are a society that is very comfortable in our own little corner of our world and don't really like any kind of drastic changes in our lives. We need to come to the realization that changes are in the making and will continue to happen on a longer and faster scale in our future Cruel Joke K.A. Mihalics, 2017-01-11 McKenzie Shaw lived a simple and uneventful life. She'd always felt ordinary, always one to follow the straight and narrow and never one to take chances. She worked hard and tried to have some fun along the way but when it came down to it her career always came first. That all changed one weekend while visiting her best friend Maggie in upstate New York. Little did Kenzie know that life as she knew it would be turned upside down the day she pulled into the Hainsworth Farm Market along the country road that summer day. A chance encounter with a deliciously hot country boy named Jase would change her world and unravel every fiber of her being. Their connection would run deep but distance and her career would never allow it to become anything more. Or would love have a different plan for her *Life With The Lid Off* Nicola Hodgkinson, 2010-03-18 The winner of the Alan Titchmarsh People's Author national competition tells of the travails of family life with wit and warmth. I gaze down and see your garden the gate hanging off its hinges the mess your children running around half naked like little street urchins. It spoils the view entirely. When single mother Nicola Hodgkinson decided to follow her rural dream it involved transporting her young family three rowdy children her beloved horse a wilful donkey and two single minded bantams to a ramshackle cottage in an idyllic seaside village. The family soon attracts the horrified attention of nosey neighbours and annoys motorists by hogging country lanes with a horse drawn caravan. But amid the chaos the magic of family life shines through peppered with humour love moments of high drama and nostalgia. *LIFE WITH THE LID OFF* is a brilliant profound and funny evocation of a universal theme how to find yourself again amongst the hurly burly of family life.
