It began like any other just another carefree lazy May afternoon. Then without warning as we rounded the corner my heart commenced beating rapidly and just like that I knew I just knew something terrible had come to pass. Maggie didn't notice being poor her family managed to scrape by even during the Depression. Times were hard for everyone she knew but as long as she had her family she felt contented. After a devastating accident Maggie's world is shattered. A Second Chance. Sometimes we just don't understand why such things come to pass but I don't think God plans on bad things happening to us. I believe he helps us through our troubles and helps us realize that even in hard times there's been some good things happen. This past year I fixed my eyes on him and whispered softly You're my good thing Joe. While Maggie longs to find the love and trust she desires Joe strolls into her heart. After the heartaches she's endured can Maggie believe there is happiness in store for her? Should she trust Joe or will he abandon her as well?
