Stephen Greco,2025-02-25 A dazzling novel based on the real ultra-glamorous lives of Doris Duke and Barbara Hutton, the public rivalry that defined them and the secret bond that sustained them both. From the author of the acclaimed *Such Good Friends*, the press dubs them the Gold Dust twins. Born within a week of one another in Manhattan in 1912, Doris Duke and Barbara Hutton both inherit unimaginable fortunes. By the time of their lavish coming-out balls, they are two of the richest women in the world. Barbara, heiress to the Woolworth millions, amasses seven husbands over her lifetime. Doris, meanwhile, has a sophistication and financial savvy that Barbara tries endlessly to emulate. When filmmaker Emma Radetsky begins researching her new documentary about prominent women and their jewelry collections, she's familiar with the lore surrounding both Doris and Barbara: the couture gowns, exotic homes and romantic interludes, including sequential marriages to the same notorious playboy. And of course the priceless jewels they acquire as easily as candy. Yet delving into their backgrounds with the help of one of Doris's closest companions, Oliver Wendell Shaw, Emma encounters a deeper story of a

private game to manipulate the media and a hidden life long kinship between two complex women who understood each other as no one else could Interweaving past and present filled with sumptuous details from an age of excess Stephen Greco's novel is also a mesmerizing story about the nature of celebrity and the transformative power of friendship *Bad Magic* Stephan Zielinski,2004-12 There are some things people weren't meant to know Some people know those things anyway Sucks to be them Barter Island Peter Scott,2007-06-25 In this sequel to Peter Scott's first novel Something in the Water islanders face another invasion this one by refugees from the turbulent social upheavals of the late 1960s In this book hippies Vietnam veterans and back to the landers bring with them beliefs and behaviors that seem to threaten the traditional island ways and outrage the islanders sense of right and wrong **The Chronicle of the Horse** ,2012 **Home Fires** Luanne Rice,2005-04-26 Anne Davis has returned to the house where she grew up trading her glamorous Manhattan lifestyle for a harsh winter on a wind whipped New England island Her marriage has crumbled in the wake of a tragic accident Now she has returned to the home on Salt Whistle Road that has always meant shelter security family and love When she awakens one snowy night to a fire that roars through the old house Anne escapes but runs back into the blaze to save something so precious that it's worth risking her life for It is that reckless act of blind desperation that sets a miracle in motion Not Dead Yet Jeffrey Siger,2025-04-01 A corrupt millionaire A suspicious plane crash A sole survivor Chief Inspector Kaldis is on the case in the latest installment of the internationally bestselling critically acclaimed mystery series set in Greece Thoughtful police procedurals set in picturesque but not untroubled Greek locales New York Times A new Kaldis case is always a treat Booklist Starred Review Terrific novels which take place on the Greek islands Readers Digest Wealthy Greek businessman Dimitris Onofrio is known to be corrupt to the core but the police have never been able to make his crimes stick Powerful influential and extremely dangerous Onofrio is not a man to cross and every witness prepared to come forward against him has died before they could testify So when Onofrio's private jet crashes seemingly with no survivors the police breathe a sigh of relief quickly replaced by horror when Onofrio is found alive but catatonic on a remote Ionian beach beside the body of his beloved wife Was the crash an accident or sabotage Chief Inspector Andreas Kaldis head of Athens Special Crimes Unit knows that unless he can discover the truth before Onofrio recovers the tycoon will be out for bloody revenge on all involved Including Kaldis own beloved wife who is more mixed up in the accident than anyone would ever have suspected With its gorgeous Greek locations engaging characters and fast paced plotting this international crime series is a perfect pick for fans of Donna Leon Louise Penny Martin Walker and David Hewson **National Chester White Record** National Chester White Association,1903 *Fire in Their Eyes* Karen Magnuson Beil,1999-03-31 What drives some people to stand in the path of a wall of flame Who are these brave foolhardy visionary firefighters This intimate look at the elite groups that fight wildfires explores the trials tragedies and triumphs of these courageous few as they battle wilderness blazes from Alaska to Maine From the grueling training of a smokejumper class in Montana through harrowing fights with some up close
