Nicky Deuce Welcome To The Family:

Nicky Deuce: Welcome to the Family Steven R. Schirripa, Charles Fleming, 2009-03-04 It's July and Nicholas Borelli II's parents are scheduled to spend two weeks on a cruise. Nicholas will spend those two weeks as he does every summer at Camp Wannameka. The night before he's to leave, however, there's a phone call: thanks to an explosion in the septic system, camp is canceled. The only place for Nicholas to go instead is to his grandmother's house in Bensonhurst, Brooklyn, New York. Nicholas's father grew up in Brooklyn, but you'd hardly know it. An Italian dinner at Nicholas's house in the suburbs is whole wheat pasta, organic tomato sauce, and if he's lucky, a tofu meatball. And Brooklyn? Well, Brooklyn is the place his father left and never talks about. Nicholas has never been there, and he doesn't want to go now. But when Nicholas tastes his grandma Tutti's meatballs for the first time, gets a nickname from his uncle Frankie, and makes a friend in the neighborhood, his feelings about Brooklyn and family begin to change. **Nicky Deuce: Home for the Holidays** Steven R. Schirripa, Charles

Fleming, 2009-04-22 If you ask Nicholas Borelli II, better known as Nicky Deuce, winter in New Jersey is awfully boring compared to summertime in Brooklyn, where he had the best two weeks of his life. Now it's cold out, he's back in school, and he has to live without Grandma Tutti's home-cooked Italian meals and Uncle Frankie's funny, tough-guy attitude. But not for long: Nicky's father is throwing a New Year's Eve party, and the whole family is going to stay at their house, and the gang from Brooklyn is coming to visit. By Christmas, Nicky's home is brimming with Brooklyn accents. Grandma Tutti wastes no time taking over the kitchen, while Uncle Frankie charms the neighbors, and cousin Tommy beats up Dirk Van Allen, the biggest jerk in the neighborhood. Suddenly, Tommy becomes a local hero, but he and Nicky also become the prime target of a bully's revenge. Nicky Deuce is about to find out that winter in New Jersey is anything but boring. **Shark Life** Peter

Benchley, 2008-12-18 From the bestselling author of *Jaws* comes a firsthand guide to one of the most feared and often misunderstood animals: sharks. In direct and accessible prose, Peter Benchley sets the record straight about the many types of sharks, including the ones that pose a genuine threat to us; the behavior of sharks and other sea creatures we fear; the odds against an attack; and how to improve them even further. He also teaches us how to swim safely in the ocean by reading the tides and currents and respecting all the inhabitants. Here are the lessons Peter has learned, the mistakes he has made, the danger he has faced, and the spectacular sights he has seen in the world's largest environment. The book includes 16 pages of black and white photographs. **The Goomba Diet** Steven R. Schirripa, Charles Fleming, 2007-04-24 Presents a plan for living

and enjoying all that life has to offer, from food and drink to the company of good friends. *Gandolfini* Jason Bailey, 2025-04-29 A deeply reported, perceptive, and celebratory biography of beloved actor James Gandolfini from a prominent critic and film historian. Named one of the most anticipated books of the year by the AV Club. Based on extensive research and original reporting, including interviews with friends and collaborators, *Gandolfini* is a detailed and nuanced appraisal of an enduring artist. More than a decade after his sudden passing, James Gandolfini still exerts a powerful pull on

television and film enthusiasts around the world His charismatic portrayal of complex flawed but always human men illuminated the contradictions in all of us as well as our potential for grace and the power of love and family In Gandolfini critic and historian Jason Bailey traces the twinned stories of the man and the unforgettable roles he played Gandolfini s roots were working class raised in northern New Jersey as the son of Italian immigrants and acting was something he loved for a long time before he could see it as a career It wasn t until he was well into his bohemian twenties that he dedicated himself to a life on the stage and screen Bailey traces his rise from bit parts to character roles he enlivened with menace and vulnerability to Tony Soprano the breakout role that would make him a legend and onto a post Sopranos career in which he continued to challenge himself and his audience
