On Land Sea With Caesar:

New Heaven, New Earth Jan H. Blits, 2009-06-16 Patterned after his previous books on Shakespeare's plays Jan H. Blits's *New Heaven New Earth* is a scene by scene line by line philosophical study of Antony and Cleopatra Combining close attention to detail with interpretive breadth Blits approaches Shakespeare as a first rank thinker who master of his own thought and writing produced plays and poetry with an infinitely conscious art like any commonly recognized philosophical poet Treating the play as a fully coherent whole Blits shows that Antony and Cleopatra as much a history play as a love story depicts the transition from the pagan to the Christian world from the aftermath of the collapse of the Roman Republic and the decline of the pagan gods to the emergence of the Roman Empire and the conditions giving rise to Christianity Instead of being organized thematically *New Heaven New Earth* follows the play from beginning to end closely examining Shakespeare's text on its own terms and not on the terms of modern literary theory Using this approach Blits draws significant and insightful conclusions that will satisfy the interests of scholars of politics literature and history alike *Antony & Cleopatra* William Shakespeare, 2008 This Easy Reading Shakespeare work text will introduce the famous literary accomplishments of William Shakespeare Easy reading adaptations ignite interest of reluctant and enthusiastic readers This play has been condensed and reformulated into a novel type book with 10 short chapters and language arts activities after each reading selection Key words are defined and used in context Multiple choice questions require the recall of specific details sequence of events the drawing of inferences developing a new story name choosing the main idea and more This 8.5 x 11 book includes illustrations preview words and improves fluency vocabulary and comprehension Excellent for English Language Learners adults and students reading below grade level Also a great way to introduce the works of William Shakespeare

Caesar's Civil War Adrian Goldsworthy, 2023-01-19 Fully illustrated with colour maps and images this is an accessible introduction to Julius Caesar's Civil War Julius Caesar and Pompey the Great were two of the greatest generals Rome had ever produced Together they had brought vast stretches of territory under Roman dominion In 49 BC they turned against each other and plunged Rome into civil war In this book Adrian Goldsworthy relates the gripping story of this desperate power struggle Drawing on original accounts of the war he examines how legion was pitched against legion in a vicious battle for political domination of the vast Roman world The armies were evenly matched but in the end Caesar's genius as a commander and his great good luck brought him victory in 45 BC Updated and revised for the new edition with full colour maps and 40 new images this is a detailed introduction to one of the last conflicts in the Roman Republic before the establishment of the Roman Empire **Storming The Heavens** Antonio Santosuosso, 2018-03-09 In the closing years of the second century B C the ancient world watched as the Roman armies maintained clear superiority over all they surveyed But social turmoil prevailed at the heart of her territories led by an increasing number of dispossessed farmers too little manpower for the army and an inevitable conflict with the allies who had fought side by side with the Romans to establish

Roman dominion Storming the Heavens looks at this dramatic history from a variety of angles What changed most radically Santosuosso argues was the behavior of soldiers in the Roman armies The troops became the enemies within their pillage and slaughter of fellow citizens indiscriminate their loyalty not to the Republic but to their leaders as long as they were ample providers of booty By opening the military ranks to all the new army abandoned its role as depository of the values of the upper classes and the propertied Instead it became an institution of the poor and drain on the power of the Empire Santosuosso also investigates other topics such as the monopoly of military power in the hands of a few the connection between the armed forces and the cherished values of the state the manipulation of the lower classes so that they would accept the view of life control and power dictated by the oligarchy and the subjugation and dehumanization of subject peoples whether they be Gauls Britons Germans Africans or even the Romans themselves **Lucan's Egyptian Civil War**

Jonathan Tracy,2014-09-22 Explores how a cultural clash between traditional Pharaonic and latter day Ptolemaic Egypt is used to mirror the Roman civil war **Latin prose exercises based upon Caesar's Gallic war, with a classification of Caesar's chief phrases, and grammatical notes on Caesar's usages.
