

On Levinas

Seán Hand

On Levinas:

Emmanuel Levinas Seán Hand, 2008-09-12 Best known for his theories of ethics and responsibility Emmanuel Levinas was one of the most profound and influential thinkers of the last century In this clear accessible guide Seán Hand examines why Levinas is increasingly fundamental to the study of literature and culture today Exploring the intellectual and social contexts of his work and the events that shaped it Hand considers the influence of phenomenology and Judaism on Levinas's thought key concepts such as the face the other ethical consciousness and responsibility Levinas's work on aesthetics the relationship of philosophy and religion in his writings the interaction of his work with historical discussions his often complex relationships with other theorists and theories Emmanuel Levinas's unique contribution to theory set an exemplary standard for all subsequent thought This outstanding guide to his work will prove invaluable to scholars and students across a wide range of disciplines from philosophy and literary criticism through to international relations and the creative arts **Essays**

on Levinas and Law Desmond Manderson, 2008-12-18 This collection brings together major writers and major works on what Emmanuel Levinas means to law and injects Levinas provocative ethics right into the heart of living law radically changing our understanding of both *Levinas and the Torah* Richard I. Sugarman, 2019-09-01 A Levinasian commentary on the Torah The French philosopher Emmanuel Levinas 1906-95 was one of the most original Jewish thinkers of the twentieth century This book interprets the Hebrew Bible through the lens of Levinas's religious philosophy Richard I Sugarman examines the Pentateuch using a phenomenological approach drawing on both Levinas's philosophical and Jewish writings Sugarman puts Levinas in conversation with biblical commentators both classical and modern including Rashi Maimonides Sforino Hirsch and Soloveitchik He particularly highlights Levinas's work on the Talmud and the Holocaust Levinas's reading is situated against the background of a renewed understanding of such phenomena as covenant promise different modalities of time and justice The volume is organized to reflect the fifty four portions of the Torah read during the Jewish liturgical year A preface provides an overview of Levinas's life approach and place in contemporary Jewish thought The reader emerges with a deeper understanding of both the Torah and the philosophy of a key Jewish thinker Sugarman rightly treats Levinas as a thoroughly Jewish religious thinker an approach to the great thinker that is much needed Taking such an approach he opens up new innovative horizons in Torah commentary and analysis Through a perceptive reading of Levinas through the biblical lens he offers an insightful illumination of both the Bible and Levinas Some may not be sure what to make of Sugarman's work here but then that is how it always is with innovative approaches David Patterson author of *The Holocaust and the Nonrepresentable* Literary and Photographic Transcendence **Ethics as First Philosophy** Adriaan Theodoor Peperzak, 1995 First Published in 1996 Routledge is an imprint of Taylor Francis an informal company

Radicalizing Levinas, [The Oxford Handbook of Levinas](#) Michael L. Morgan, 2019-04-10 Emmanuel Levinas 1906-1995 emerged as an influential philosophical voice in the final decades of the twentieth century and his reputation has

continued to flourish and increase in our own day His central themes the primacy of the ethical and the core of ethics as our responsibility to and for others speak to readers from a host of disciplines and perspectives However his writings and thought are challenging and difficult The Oxford Handbook of Levinas contains essays that aim to clarify and engage Levinas and his writings in a number of ways Some focus on central themes of his work others on the ways in which he read and was influenced by figures from Plato Hobbes Descartes and Kant to Blanchot Husserl Heidegger and Derrida And there are essays on how his thinking has been appropriated in moral and political thought psychology film criticism and more and on the relation between his thinking and religious themes and traditions Finally several essays deal primarily with how readers have criticized him and found him wanting The volume exposes and explores both the depth of Levinas's philosophical work and the range of applications to which it has been put with special attention to clarifying why his interests in the human condition the crisis of civilization the centrality and character of ethics and morality and the very meaning of human experience should be of interest to the widest range of readers

Kierkegaard and Levinas Patrick Sheil, 2017-03-02 The Danish Christian existentialist Søren Kierkegaard 1813-1855 and the Jewish Lithuanian born French interpreter of modern phenomenology Emmanuel Levinas 1906-1995 have enabled theology and philosophy to illuminate and confront one another in radical and important ways This book addresses the theological and philosophical thought of both Kierkegaard and Levinas with a focus on the special form that exists in the grammar of many languages for cases of uncertainty possibility hypothesis and for expressions of hope the subjunctive mood As well as presenting arguments and observations about Kierkegaard and Levinas through an analysis of the subjunctive mood Patrick Sheil offers an interesting and accessible way into the thought of these two major European philosophers and he explores a wide range of Kierkegaardian and Levinasian texts throughout

Lévinas and the Wisdom of Love Corey Beals, 2007 Distinguishing love from other types of wisdom Beals argues that Levinas's wisdom of love is a real possibility one which grants priority to ethics over ontology Richard A Cohen Isaac Swift Distinguished Professor of Judaic Studies University of North Carolina at Charlotte

Levinas between Ethics and Politics B.G. Bergo, 2013-03-09 The act of thought thought as an act would precede the thought thinking or becoming conscious of an act The notion of act involves a violence essentially the violence of transitivity lacking in the transcendence of thought Totality and Infinity The work of Emmanuel Levinas revolves around two preoccupations First his philosophical project can be described as the construction of a formal ethics grounded upon the transcendence of the other human being and a subject's spontaneous responsibility toward that other Second Levinas has written extensively on and as a member of the cultural and textual life of Judaism These two concerns are intertwined Their relation however is one of considerable complexity Levinas's philosophical project stems directly from his situation as a Jewish thinker in the twentieth century and takes its particular form from his study of the Torah and the Talmud It is indeed a hermeneutics of biblical experience If inspired by Judaism Levinas's ethics are not eo ipso confessional What his ethics takes from Judaism rather is a particular way

of conceiving transcendence and the other human being It owes to the philosophy of Franz Rosenzweig and Martin Buber a logos of the world and of the holy which acknowledges their incomensurability without positing one as fallen and the other as supernal

Levinas's Politics Annabel Herzog, 2020-03-13 A compelling account of politics and social philosophy in Levinas's Talmudic commentaries Emmanuel Levinas 1906-1995 was a French philosopher known for his radical ethics and for his contribution to Jewish thought in his commentaries on Talmudic sources In *Levinas's Politics* Annabel Herzog confronts a major difficulty in Levinas's philosophy the relationship between ethics and politics Levinas's ethics describes the encounter with the other that is with any other human being For Levinas the face to face encounter is a relationship in which the ego is commanded by a transcendent and unquestionable order to take responsibility for the other person Politics on the other hand presupposes at least three people the ego the other and any third party Among three people nothing can be transcendent on the contrary everything must be negotiated Against the conventional view of Levinas's conception of the political as the interruption and collapse of the ethical Herzog argues that in the Talmudic readings Levinas constructed politics positively She shows that Levinas's Talmudic readings embody a pragmatism that complements revises and challenges the extreme ethical analyses he offers in his phenomenological works *Totality and Infinity* *Otherwise than Being* and *Of God Who Comes to Mind* Her analysis illuminates Levinas's explanations of the relationship between ethics and politics ethics is the foundation of justice justice contains a necessary violence that must be moderated by mercy and justice general laws and national aspirations must be linked in an attempt to improve universality itself

Levinas, Messianism and Parody Terence Holden, 2011-09-22 There is no greater testament to Emmanuel Levinas reputation as an enigmatic thinker than in his meditations on eschatology and its relevance for contemporary thought Levinas has come to be seen as a principal representative in Continental philosophy alongside the likes of Heidegger Benjamin Adorno and Žižek of a certain philosophical messianism differing from its religious counterpart in being formulated apparently without appeal to any dogmatic content To date however Levinas messianism has not received the same detailed attention as other aspects of his wide ranging ethical vision Terence Holden attempts to redress this imbalance tracing the evolution of the messianic idea across Levinas career emphasising the transformations or indeed displacements which this idea undergoes in taking on philosophical intelligibility He suggests that in order to crack the enigma which this idea represents we must consider not only the Jewish tradition from which Levinas draws inspiration but also Nietzsche who ostensibly would represent the greatest rival to the messianic idea in the history of philosophy with his notion of the parody of messianism

Levinas's Ethical Politics Michael L. Morgan, 2016-05-09 Emmanuel Levinas conceives of our lives as fundamentally interpersonal and ethical claiming that our responsibilities to one another should shape all of our actions While many scholars believe that Levinas failed to develop a robust view of political ethics Michael L Morgan argues against understandings of Levinas's thought that find him politically wanting or even antipolitical Morgan examines Levinas's ethical critique of the political as

well as his Jewish writings including those on Zionism and the founding of the Jewish state which are controversial reflections of Levinas's political expression Unlike others who dismiss Levinas as irrelevant or anarchical Morgan is the first to give extensive treatment to Levinas as a serious social political thinker whose ethics must be understood in terms of its political implications Morgan reveals Levinas's political commitments to liberalism and democracy as well as his revolutionary conception of human life as deeply interconnected on philosophical political and religious grounds

Emmanuel Levinas's Talmudic Turn Ethan Kleinberg, 2021-10-19 In this rich intellectual history of the French Jewish philosopher Emmanuel Levinas's Talmudic lectures in Paris Ethan Kleinberg addresses Levinas's Jewish life and its relation to his philosophical writings while making an argument for the role and importance of Levinas's Talmudic lessons Pairing each chapter with a related Talmudic lecture Kleinberg uses the distinction Levinas presents between God on Our Side and God on God's Side to provide two discrete and at times conflicting approaches to Levinas's Talmudic readings One is historically situated and argued from our side while the other uses Levinas's Talmudic readings themselves to approach the issues as timeless and derived from God on God's own side Bringing the two approaches together Kleinberg asks whether the ethical message and moral urgency of Levinas's Talmudic lectures can be extended beyond the texts and beliefs of a chosen people religion or even the seemingly primary unit of the self Touching on Western philosophy French Enlightenment universalism and the Lithuanian Talmudic tradition Kleinberg provides readers with a boundary pushing investigation into the origins influences and causes of Levinas's turn to and use of Talmud

Derrida and Différance David Wood, Robert Bernasconi, 1988 A Society of the Friends of Difference would have to include Heraclitus Nietzsche Saussure Freud Adorno Heidegger Levinas Deleuze and Lyotard among its most prominent members It is tempting to think of these figures as constituting a distinct philosophical tradition one which would emphasize dissonance separation disparity plurality distinction change over against those who would continue the search for unity identity presence permanence foundations structures and essences

Levinas's Rhetorical Demand Ronald C. Arnett, 2017-03-15 Distinguished Book Award Philosophy of Communication Division National Communication Association 2017 Top Book Award Communication Ethics Division National Communication Association 2017 Philosopher Emmanuel Levinas's ethics as first philosophy explicates a human obligation and responsibility to and for the Other that is an unending and imperfect commitment In Levinas's Rhetorical Demand The Unending Obligation of Communication Ethics Ronald C Arnett underscores the profundity of Levinas's insights for communication ethics Arnett outlines communication ethics as a primordial call of responsibility central to Levinas's writing and mission analyzing it through a Levinasian lens with examination of social artifacts ranging from the Heidegger Cassirer debate to Rupert Murdoch's News of the World story concerning illicit possession of information Levinas's Rhetorical Demand offers an account of Levinas's project and the pragmatic implications of attending to a call of responsibility to and for the Other This book yields a rich and nuanced understanding of Levinas's work revealing the

practical importance of his insights and including a discussion of related theorists and thinkers **Feminist**

Interpretations of Emmanuel Levinas Tina Chanter, 2010-11 This volume of essays all but one previously unpublished investigates the question of Levinas's relationship to feminist thought Levinas known as the philosopher of the Other was famously portrayed by Simone de Beauvoir as a patriarchal thinker who denigrated women by viewing them as the paradigmatic Other Reconsideration of the validity of this interpretation of Levinas and exploration of what more positively can be derived from his thought for feminism are two of this volume's primary aims Levinas breaks with Heidegger's phenomenology by understanding the ethical relation to the Other the face to face as exceeding the language of ontology The ethical orientation of Levinas's philosophy assumes a subject who lives in a world of enjoyment a world that is made accessible through the dwelling The feminine presence presides over this dwelling and the feminine face represents the first welcome How is this feminine face to be understood Does it provide a model for the infinite obligation to the Other or is it a proto ethical relation The essays in this volume investigate this dilemma Contributors are Alison Ainley Diane Brody Catherine Chaliel Luce Irigaray Claire Katz Kelly Oliver Diane Perpich Stella Sandford Sonya Sikka and Ewa Ziarek

Levinas Faces Biblical Figures Yael Lin, 2014-03-20 This collection of essays is an attempt to capture the drama of the encounter of the facing of Levinas and the biblical text It seeks to link Jewish experience and Levinasian themes such as responsibility substitution hospitality suffering and forgiveness and at the same time make the biblical text accessible in a new way The book offers new insights on the opening up of Levinas's thought and biblical stories to one another it considers the ways in which Levinas can open up the biblical text to questioning and how the biblical text can inform our reading of Levinas Setting up in dialogue the heteronomic texts the narrative texts of the bible and Levinas's philosophical texts allows an enforced and renewed understanding of both The examination of these issues is pursued from diverse perspectives and disciplines probing the role biblical figures play in Levinas's thought and the manner by which to approach them Do the biblical allusions serve in Levinas's thought merely as a rhetorical and literary device as illustrations of his ideas or perhaps they have a deeper philosophical meaning which contributes to his project in general Do the references to biblical figures work in Levinas's philosophy in a way that other literary figures are incapable of and how do these references comply with his conflicted attitude towards literature Levinas and Literature Michael Fagenblat, Arthur Cools, 2020-12-07 The posthumous publication of Emmanuel Levinas's wartime diaries postwar lectures and drafts for two novels afford new approaches to understanding the relationship between literature philosophy and religion This volume gathers an international list of experts to examine new questions raised by Levinas's deep and creative experiment in thinking at the intersection of literature philosophy and religion Chapters address the role and significance of poetry narrative and metaphor in accessing the ethical sense of ordinary life Levinas's critical engagement with authors such as Leon Bloy Paul Celan Vassily Grossman Marcel Proust and Maurice Blanchot analyses of Levinas's draft novels *Eros ou Triple opulence* and *La*

Dame de chez Wepler and the application of Levinas's thought in reading contemporary authors such as Ian McEwan and Cormac McCarthy Contributors include Danielle Cohen Levinas Kevin Hart Eric Hoppenot Vivian Liska Jean Luc Nancy and François David Sebbah among others **Emmanuel Levinas: Beyond Levinas** Claire Elise Katz, Lara Trout, 2005

Emmanuel Levinas 1905-1995 was one of the foremost thinkers of the twentieth century His work influencing a wide range of intellectuals such as Maurice Blanchot Jacques Derrida Luce Irigaray and Jean Luc Marion Levinas, Adorno, and the Ethics of the Material Other Eric S. Nelson, 2020-12-01 This book sets up a dialogue between Emmanuel Levinas and Theodor W Adorno using their thought to address contemporary environmental and social political situations Eric S Nelson explores the non-identity thinking of Adorno and the ethics of the Other of Levinas with regard to three areas of concern the ethical position of nature and inhuman material others such as environments and animals the bonds and tensions between ethics and religion and the formation of the self through the dynamic of violence and liberation expressed in religious discourses and the problematic uses and limitations of liberal and republican discourses of equality liberty tolerance and their presupposition of the private individual self and autonomous subject Thinking with and beyond Levinas and Adorno this work examines the possibility of an anarchic hospitality and solidarity between material others and sensuous embodied life

When people should go to the books stores, search start by shop, shelf by shelf, it is essentially problematic. This is why we give the ebook compilations in this website. It will unconditionally ease you to look guide **On Levinas** as you such as.

On Levinas Introduction

In today's digital age, the availability of On Levinas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of On Levinas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of On Levinas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing On Levinas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, On Levinas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing On Levinas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for On Levinas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These

libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, On Levinas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of On Levinas books and manuals for download and embark on your journey of knowledge?

FAQs About On Levinas Books

1. Where can I buy On Levinas books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a On Levinas book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of On Levinas books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.
