Paul Weller In His Own Words:

Paul Weller: My Ever Changing Moods John Reed, 2009-11-05 The best selling biography to the life and mood swings of the one and only Modfather Through his work with The Jam The Style Council and ultimately as a solo artist Weller has remained one of our most uncompromising artists and social commentators John Reed charts the turbulent course of Weller's career as the Woking born songwriter has battled to balance his moral convictions with the demands of being a pop music artist This updated version brings the story fully into the 21st century and includes a comprehensive discography as well as a host of previously unpublished photographs *Paul Weller* Mick St. Michael, 1996 Contains hundreds of quotes from Paul Weller's career from his days with The Jam and The Style Council through to his success as a solo artist The text is illustrated with pictures from all stages of his career *Paul Weller - The Changing Man* Paolo Hewitt, 2011-09-30 Paolo Hewitt has known Paul Weller since they were both teenagers in the depths of Woking through his ascent to fame with The Jam the halcyon years of The Style Council and for all of his critically acclaimed solo career Hewitt has even been the inspiration for some of Weller's songs and he has extraordinary in depth knowledge of the inspiration behind the rest Once when Hewitt interviewed Weller for a music magazine he complained I don't know why people ask me all these questions All the answers are in my songs Largely unnoticed Weller has used thirty years of lyrics to explore his personal history and beliefs Taking as his starting point these lyrics alongside a lifetime's friendship Paolo Hewitt shows us the real Paul Weller the man inside the music

The Jam & Paul Weller: Shout to the Top Dennis Munday, 2009-11-04 The inside story of The Jam and The Style Council by the man who oversaw their careers Record industry executive Dennis Munday's frank account reveals the trials and triumphs of Paul Weller's career from The Jam's first single in 1977 to the break up of The Style Council in 1989 He also writes about Weller's post style Council solo career with a unique insight Working for Polydor the author became a regular presence at the two groups many recording sessions effectively becoming an honorary member of both The Jam and The Style Council Despite a sometimes stormy relationship with the band members and eventually leaving Polydor Munday was the vital link between Paul Weller and his record company or years Here then is a uniquely intimate portrait of a rock hero and two influential groups written by someone who was at the heart of the action This new edition of Shout To The Top has been updated to include details of Paul's new album 22 Dreams ongoing changes in the line up to his band and the emergence of From The Jam the group featuring Paul's former colleagues Bruce Foxton and Rick Buckler which is touring the world performing a set of Jam songs to great acclaim
