Detoxing Masculinity in Anglophone Literature and Culture Sara Martín, M. Isabel Santalària, 2023-03-07 This edited volume rethinks Masculinity Studies by breaking away from the notion of the perpetual crisis of masculinity. It argues that not enough has been done to distinguish patriarchy from masculinity and proposes to detox masculinity by offering a collection of positive representations of men in fictional and non-fictional texts. The editors show how ideas of hegemonic and toxic masculinity have been too fixed on the exploration of dominance and subservience and too little on the men and the male characters in fiction who behave following other ethical, personal, and socially accepted patterns. Bringing together research from different periods and genres, this collection provides broad multidisciplinary insights into alternative representations of masculinity. **Dr Jekyll and Mr Hyde with the Merry Men and Other**

This volume also includes a collection of Stevenson's short stories. [Dr Jekyll and Mr Hyde and Other Stories](#) Robert Louis Stevenson, 2008-10-30 How thin is the line between good and evil? Discover the classic tale of gothic horror. Dr Jekyll has been experimenting with his identity. He has developed a drug which separates the two sides of his nature and allows him occasionally to abandon himself to his most corrupt inclinations as the monstrous Mr Hyde. But gradually he begins to find that the journey back to goodness becomes more and more difficult, and the risk that Mr Hyde will break free entirely from Dr Jekyll's control puts all of London in grave peril. **Monica, and Other Stories** Paul

Little, 2015-09-25 It can be easy to imagine that Child and Youth Care practitioners are inherently or naturally attuned to issues of diversity and colonization as they pertain to multicultural practice While there are excellent culturally attuned practices that are happening in the field of Child and Youth Care when it comes to collecting

stories of cultural diversity and more specifically the problematic unfolding of some of these stories there remains hesitancy in the field This hesitancy in part is due to assuming we are practicing in postcolonial times where all the messiness the doubting and the pain have been dealt with The authors of this volume suggest otherwise and their chapters represent an important contribution to the field They are a diverse group of practitioners but they share a common concern that the term multicultural practice grooms hegemonic interventions that do not critically examine issues of power difference colonialism Whiteness or species to name a few Although the title of this issue is Troubling Multiculturalism the language within this issue stretches this term troubles it and at times re invents it This book was originally published as a special issue of Child and Youth Services
