Scotland The Cold War

Cairns Craig

Scotland The Cold War:

Facing the Bear Trevor Royle, 2019-08-22 Between the end of the Second World War and the collapse of Communism confrontation with the Soviet Union was an everyday reality As part of Nato s response Scotland played a key role in the alliance s forward maritime defence strategy aimed at containing the Soviet threat from naval and air forces During this period 10 per cent of the UK s naval and air forces were based in Scotland and there was a substantial US presence as well as top secret satellite and command stations In this book Trevor Royle paints a fascinating portrait of this extraordinary period examining not just the wider military and political contexts but also showing how the defence industry brought huge economic benefits how CND maintained a high profile presence and how anti nuclear sentiments underpinned much of the left s thinking in Scotland and contributed to the hegemony enjoyed by the Labour Party in Scotland during the Cold War

Military History of Scotland Spiers Edward M. Spiers, 2014-07-11 The Scottish soldier has been at war for over 2000 years Until now no reference work has attempted to examine this vast heritage of warfare A Military History of Scotland offers readers an unparalleled insight into the evolution of the Scottish military tradition This wide ranging and extensively illustrated volume traces the military history of Scotland from pre history to the recent conflict in Afghanistan Edited by three leading military historians and featuring contributions from thirty scholars it explores the role of warfare in the emergence of a Scottish kingdom the forging of a Scottish British military identity and the participation of Scots in Britain s imperial and world wars Eschewing a narrow definition of military history it investigates the cultural and physical dimensions of Scotland s military past such as Scottish military dress and music the role of the Scottish soldier in art and literature Scotland s fortifications and battlefield archaeology and Scotland s military memorials and museum collections Scotland and the Cold War Brian P. Jamison, 2003 This book offers an introduction to Scotland s Cold War experience and represents an interesting sample of the numerous issues faced by communities north of the Border from the close of the Second World War until the late 1990s The Cold War was an event that touched every aspect of life in Scotland and this collection does not claim to provide a definitive statement on such a vast subject area However with contributions based either on personal experience or scholarship the intent is to bring segments of Scotland s Cold War experience to light and to inspire new lines of research *Cold War Museology* Jessica Douthwaite, Holger Nehring, Samuel J.M.M. Alberti, 2024-11-27 Cold War Museology is the first volume to bring together interdisciplinary and international contributions from leading practitioners and academics specialising in Cold War museology Bringing the most recent historiography of the Cold War into conversation with museological theory and practice chapters within the volume analyse the current condition of Cold War museology By unpicking some of the unique challenges facing museum specialists dealing with the Cold War this book takes a lead in developing the collection display and interpretation of this history The chapters question what makes a Cold War object address the complexity of Cold War time face up to questions of Cold War race gender and imperialism and reveal how

to materialise the Cold War imaginary in museums Most importantly perhaps the volume demonstrates that a consideration of the interconnecting forces of global twentieth century history enables experts to add important complexity and nuance to the narratives with which they work and improve visitor understandings through innovative interpretations Cold War Museology will encourage readers towards a more nuanced holistic and inclusive approach to Cold War materiality in museums It will be of great interest to academics museum professionals and students engaged in the study of museums heritage and the Cold War as well as those with an interest in archaeology media culture and memory **Scotland's Wings** Robert Jeffrey,2022-09-15 Scotland has a worldwide reputation for launching some of the greatest ships ever built but far less is known about our pioneering work on aviation Yet in the great industrial cities and remote islands across the country men and women risked their reputations resources and lives to advance experiments in flight Before airliners crossed the Atlantic Ocean and bombers secretly flew into the NATO airbase at Machrihanish pioneers of aviation worked in the unlikely surroundings of Kelvingrove Park in Glasgow among other places Their humble flying crafts made with wood and canvas would become the luxurious jet engined aircraft of today Including the first flight over Everest the construction of the most northerly airship station in mainland Britain and the experience of civilians and pilots during the Clydebank Blitz of 1941 Scotland s Wings is a glimpse into the dramatic and sometimes controversial adventures within Scottish aeronautics In Scotland s Wings Robert Jeffrey tells a fascinating history highlighting innovators whose ideas heralded the modern age of transport and revealing how the airfields of previous years will once again be used to progress into a daring new age of travel

A History of Scotland Dominic Connolly,2024-09-29 Discover more about Robert the Bruce and other unforgettable figures that made Scotland the great nation it is today Through fascinating images and expert text A History of Scotland takes you through each decade of Scotland s varied and dramatic past up to the present day Scotland's Cruel Sea Robert Jeffrey,2014-11-06 High cliffs jutting out into the Atlantic and the North Sea many hundreds of rocky skerries deep sea lochs dangerous unseen reefs powerful tides and gales that batter the land fiercely from all points of the compass Scotland has a coastline of immense beauty and danger and its cruel sea has claimed many lives down the years Disaster at sea is a poignant part of Scotland s history and in this chilling and awe inspiring book bestselling author Robert Jeffrey tells the compelling stories of the victims of the ocean deeps Car ferries fishing boats troopers pleasure yachts and Navy vessels of all sorts including submarines have gone to the bottom And in brave attempts to save those in danger with lifeboats many have died Including the famous tales of the Princess Victoria the ill fated K13 submarines the Longhope lifeboat and the Iolaire Scotland s Cruel Sea remembers the maritime tragedies that made headlines and became part of the folk memory of a seagoing nation

Scotland's Muslims Peter Hopkins,2017-09-14 No detailed description available for Scotland s Muslims **Scotland** AA.VV.,2024-10-29T00:00:00+01:00 National Geographic Traveler guidebooks contain must know travel information inspiring photography insider tips and expert advice you won t find on the internet for bucket list destinations around the

world Scotland's rich history and culture offers incredible experiences you can't find anywhere else and this newly updated guidebook part of a best selling series has everything you need to know to plan an unforgettable trip to this fascinating country Whether you're seeking out the stunning landscape of the Highlands witnessing a log toss competition at the Highland Games cycling in picturesque Galloway Forest Park or sampling famous Scottish whisky this knowledgeable guide can help you experience it all Drive the North Coast 500 one of the most beautiful panoramic roads in the world climb the summit of Ben Nevis walk Edinburgh's majestic Royal Mile take in the breathtaking cliffs of the Isle of Skye and learn about the Gothic architecture of Glasgow With detailed itineraries suggestions of can't miss sites and 20 maps this volume from the experts at National Geographic will help you plan the trip of a lifetime *Scotland the Bold* Gerry Hassan, 2016-10-28 How our nation has changed and why there's no going back Scotland has changed fundamentally This story has become a familiar one but have we yet understood its full meaning and the resulting consequences What kind of choices do we face as a society and nation about our future and how can we best shape them Scotland the Bold explores how Scotland became what it is considers what choices and obstacles it faces identifies signs of people taking power into their own hands and addresses what we can all do to create a radically different democratic and better Scotland Scotland is now visibly different from the rest of the UK and the self-evidently bankrupt economic social and political thinking that dominate British elites Majority Scottish opinion is repulsed by a million people relying on food banks and the prevalence of welfare sanctions in the fifth richest economy in the world However that doesn't mean that Scotland is automatically morally superior for in our own nation we have our own poverty our own shames and silences and our own elites For self-government to have any meaning it entails addressing some hard and difficult truths about ourselves All of this requires that we begin to talk honestly and maturely about Scotland's future and some of the difficult choices we will have to make reflecting on where we have come from what we are proud of mistakes and how we do things better in the future There could be no better harbinger of possibilities than this bracing searching discomfiting and ultimately exhilarating book Fintan O Toole Irish Times **A History of Scotland** Allan I. Macinnes, 2018-09-27 This illuminating and insightful guide offers a comprehensive overview of Scottish history from the kingdom's genesis in the ninth century to the independence debates of the present day Considering both internal dynamics and international horizons Allan Macinnes asserts Scotland's heritage as significant and compelling in its own right rather than reducing it to an offshoot of England's past Rigorous and wide-ranging this textbook is an essential companion for undergraduate and postgraduate students of History Its lively and accessible style makes it suitable for anyone with an interest in Scotland's national development **Rick Steves Scotland** Rick Steves, 2020-04-07 Whether you take the high road or the low road Scotland is yours to explore with Rick Steves Inside Rick Steves Scotland you'll find Comprehensive coverage for spending two weeks or more exploring Scotland Rick's strategic advice on how to get the most out of your time and money with rankings of his must-see favorites Top sights and hidden gems from the wild beauty of

Orkney Islands and the Hebrides to cozy corner pubs in Edinburgh How to connect with local culture Chat with experts on the Speyside Whisky Trail cheer on the locals at a Highland Games event or try authentic haggis Beat the crowds skip the lines and avoid tourist traps with Rick s candid humorous insight The best places to eat sleep and relax with a dram of scotch Self guided walking tours of lively neighborhoods and historic sites Detailed neighborhood maps and a fold out regional map for exploring on the go Useful resources including a packing list a phrase book of Scottish slang a historical overview and recommended reading Over 400 bible thin pages include everything worth seeing without weighing you down Complete up to date information on Edinburgh Glasgow Stirling St Andrews the Scottish Highlands Oban Mull Iona Staffa Glencoe Fort William Inverness Loch Ness Pitlochry Balmoral Castle the Isle of Skye Wester Ross the Orkney Islands and more Make the most of every day and every dollar with Rick Steves Scotland Spending less than two weeks in Scotland Hit the highlights with Rick Steves Best of Scotland

Scotland's Books Robert Crawford,2009-01-30 From Treasure Island to Trainspotting Scotland s rich literary tradition has influenced writing across centuries and cultures far beyond its borders Here for the first time is a single volume presenting the glories of fifteen centuries of Scottish literature This is a marvelous and lively literary history that will appeal to general readers Scots and travelers alike *Cold War Scotland* Holger Nehring,Jessica Douthwaite,Samuel J. M. M. Alberti,Sarah Harper,2024-07-04

Scotland David J. Whyte,1998 Designed for the independent traveller to Scotland this guide covers all the popular places of interest events and attractions together with a factfile providing essential travel information It offers advice on means of travel route details accommodation eating out and sporting activities

Intending Scotland Cairns Craig,2020-03-31 A major reconsideration of our understanding of the development of Scottish culture from the Enlightenment to the present day Debating Scotland Michael Keating,2017-01-19 On 18 September 2014 Scotland held a referendum on the question Should Scotland be an independent country This is a most unusual event in modern democracies and engaged the political class civil society and the general public to an unprecedented degree leading to an 85 per cent turnout in the final vote This was an occasion to debate not just the narrow constitutional issue but the future of the nation including the economy social welfare defence and security and Scotland s place in Europe and the world Debating Scotland comes from a team of researchers who observed the debates from close up and engaged with both sides with the media and with the public in analyzing the issues while remaining neutral on the independence question The book examines the main issues at stake how they were presented and how they evolved over the course of the campaign The editors and contributing authors explore the ways both independence and union were framed the economic issues the currency welfare defence and security the European Union and how the example of small independent states was used The volume concludes with an analysis of voter responses based upon original survey research which demonstrates how perceptions of risk and uncertainty on the main issues played a key role in the outcome

The Rough Guide to Scotland Rob Humphreys,2011-05-02 The Rough Guide to Scotland is the ultimate travel guide to

this beguiling and beautiful country with clear maps and detailed coverage of all of Scotland's attractions from the world class cities of Edinburgh and Glasgow to its many idyllic islands Written in Rough Guides trademark honest and informative style The Rough Guide to Scotland features detailed practical advice on what to see and do and how to get about plus up to date reviews of the best hotels bbs pubs shops and restaurants This guide coverseverything from traditional village pubs to puffin spotting on Shetland plus of course a few tips on whisky tasting with features on Scotland's legendary festivals and its culinary traditions Whatever your budget The Rough Guide to Scotland will help you make the most of your time in Scotland

Edinburgh History of the Book in Scotland, Volume 4: Professionalism and Diversity 1880-2000 David

Finkelstein,2007-11-23 In this volume a range of distinguished contributors provide an original analysis of the book in Scotland during a period that has been until now greatly under researched and little understood The issues covered by this volume include the professionalisation of publishing its scale technological developments the role of the state including the library service the institutional structure of the book in Scotland industrial relations union activity and organisation women and the Scottish book and the economics of publishing Separate chapters cover Scottish publishing and literary culture publishing genres the art of print culture distribution and authors and readers The volume also includes an innovative use of illustrative case studies Connecting Scotland's History Anna Groundwater,2025-05-30 What was happening elsewhere in the world when Robert the Bruce was outlawed and Mary Queen of Scots lost her head When Genghis Khan was on the warpath and Ivan the Terrible was the Russian czar what was happening in Scotland Find the answers to these questions in 2 000 years of Scottish history presented alongside what was happening in the rest of the world By placing events in Scotland in relation to those elsewhere we can see what is different or distinctive about Scotland's experience Simultaneously we can also see where movements in Scottish history were part of wider cultural or political change in Europe and beyond John Knox's fiery sermons of the 1560s were connected into a wider Protestant Reformation but they also represented a singularly Scottish version of a European phenomenon Connecting Scotland's History also gives us a history of many Scotlands We see the hybrid nature of a country where multiple peoples have come together in a distinctively Scottish mixture From the Gaels Picts and Norse people to more recent influxes from England Ireland continental Europe and beyond Scotland's history tells us of internal connections as well as connections between Scotland and the wider world
