present He tramps round ancient temples and weird museums summarises the complexity of Indian castes Austronesian languages and Pacific explorations delves into the fate of indigenous peoples and of a missing Malaysian airliner reflects on cultural conflict in Cornwall uncovers the Nazi origins of Frankfurt airport and lectures on imperialism in a desert oasis Everything has its history he writes including the history of finding one's way or of getting lost The personality of the author comes across strongly wry romantic occasionally grumpy but with an endless curiosity and appetite for knowledge As always Norman Davies watches the historical horizon as well as what is close at hand and brilliantly complicates our view of the past
