Selfish Gifts:

Selfish Gifts Lisa McNee,2000-06-08 Investigates the politics and poetics of women s gendered identity in West Africa

Selfish Gifts Alison V. Scott,2006 Selfish Gifts examines how early modern clients moved quickly and strategically to assimilate the language of competition and equality characteristic of an emerging market economy within their existing discourses of gift exchange in order to maximize the rewards they might induce from an increasingly diverse group of patrons Jacket **The Power of Gifts** Felicity Heal,2014-10-23 Gifts are always with us we use them positively to display affection and show gratitude for favours we suspect that others give and accept them as douceurs and bribes The gift also performed these roles in early modern English culture and assumed a more significant role because networks of informal support and patronage were central to social and political behaviour Favours and their proper acknowledgement were preoccupations of the age of Erasmus Shakespeare and Hobbes As in modern society giving and receiving was complex and full of the potential for social damage Almost nothing men of the Renaissance learned from that great classical guide to morality Lucius Annaeus Seneca is more disgraceful than the fact that we do not know how either to give or receive benefits The Power of Gifts is about those gifts and benefits what they were and how they were offered and received in the sixteenth and seventeenth centuries It shows that the mode of giving as well as what was given was crucial to social bonding and political success The volume moves from a general consideration of the nature of the gift to an exploration of the politics of giving In the latter chapters some of the well known rituals of English court life the New Year ceremony royal progresses diplomatic missions are viewed through the prism of gift exchange Gifts to monarchs or their ministers could focus attention on the donor those from the crown could offer some assurance of favour These fundamentals remained the same throughout the century and a half before the Civil War but the attitude of individual monarchs altered specific behaviour Elizabeth expected to be wooed with gifts and dispensed benefits largely for service rendered James I modelled giving as the largesse of the Renaissance prince Charles I s gift exchanges focused on the art collecting of his coterie And always in both politics and the law courts there was the danger that gifts would be corroded morphing from acceptable behaviour into bribes and corruption The Power of Gifts explores prescriptive literature pamphlets correspondence legal cases and financial records to illuminate social attitudes and behaviour through a rich series of examples and case studies **Rediscovering Our**

Gifts from Glory: A Collection of True Stories on Prayer Fern Hill,2019-10-09 Gifts from Glory is the true account of some of the prayers God has answered during Fern s lifetime They begin back in her childhood and continue through the present day The book is entertaining and inspiring It tells of the growth and expansion of God s work in transforming many young lives through prayer One reader commented You ve done it again You brought me to tears This is a clear testament to the power of God alive in and through you This book will help readers understand the blessings of trusting God in all of life s challenges I put the manuscript on my computer about one thirty this afternoon and I meant to just get a feel of the book by looking at the table of contents and format Well there was no stopping I could not leave the computer until I had finished reading it It was so mesmerizing The time felt more like one hour instead of three I truly could not put it down I can t imagine anyone reading it without coming away with an increase in the effectiveness and fervency and likely frequency of one s prayer life God s people need to read Gifts from Glory Clara Shannon Author Speaker Teacher Wife Mother and Grandmother To know Fern Hill is to stand back at some point and say I just don t know how she does it Well this book is the answer Fern goes back to her beginning in Oklahoma then young adulthood through her zealous college years and early married life and tells us the story of her conversations with God We see her passion faults and failures and ultimately the knee bending prayers that gave her direction and buoyancy through tragedy Gifts of Glory is the backstory to a great life S J Dahlstrom Author of the award winning Wilder Good book series

Gifts of Sobriety Barbara S Cole,2009-06-03 Inspiring stories from those who encountered life changing blessings from seemingly unimportant events Why try we sometimes ask ourselves when faced with the uncertainties and hard work of recovery But the answers are all around us in the rich and spirited lives of those who have made the journey before us each one a member of the joyful possibilities that await These possibilities come alive in Gifts of Sobriety a book that gives immediate meaning to the Big Book s promise We are going to know a new freedom and a new happiness In this book Gifts of Sobriety those who have freed themselves of alcohol or drug addiction share the gifts that sobriety has given them Their stories are in turn a gift for those who have made the journey and for those who just embarking seek gladdening news of the good life to come

The Philosophy of Life E. Winchester Loveland,2023-04-16 Reprint of the original first published in 1859 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

Your Life Bruce McArthur,1993 Every aspect of life is governed by universal laws that were created out of love and promise the potential of a

life of prosperity and joy Learn how to use these laws to connect with one s higher self improve finances attract loving relationships and create harmony Poetics and the Gift Adam R. Rosenthal,2022 Using a broad comparative approach this study shows how the figure of the gift structures poetic discourse and does so from the age of Homer up through twenty first century conceptual poetics Beginning from a new interpretation of Derrida s writings on the gift Adam R Rosenthal argues that this ambivalent figure names at one and the same time poetry s most extreme aneconomic privilege and the point of its closest contact with the interested exchange of the market In this way the gift conducts material relays of patronage and theories of poetic origination in genius inspiration and imagination Poetics and the Gift capitalizes on this double function in order to read material historical accounts of poetry alongside philosophical and poetic ones By way of his original reading of Derrida s work in *Given Time* and *Economimesis* Rosenthal offers a novel account of gift poetics and a new understanding of what makes poetry poetry **Right to Remain Silent** L. Crippen Monica L. Crippen-Cunningham,2009-05 Burying painful secrets from her past Miya Carpenter appears to have it all together now She s finally found true love with her street hustlin boyfriend Jamar Or so she thinks Despite the warnings from her friends and family Miya is determined to hold on to Jamar But at what cost And how much is she willing to lose to be with him Through her emotional journey and the unconditional love of her lifelong friend Shante Miya learns a remarkable lesson in faith and the power of God that will change her life forever John Donne and the Conway Papers Daniel Starza Smith,2014 John Donne and the Conway Papers examines the archive of the Conway family and considers how the archive came to contain a concentration of manuscript poetry by Donne and what this tells us in terms of seventeenth century politics patronage and culture **You Are Enough** Danielle Bean,2018-10-15 Every one of us is made in the image of God We are unique we are worthy of love and we are called to greatness In this world though it can be easy to be distracted from that truth and begin to doubt God s love is real We live in a world that tells us we are not smart enough not pretty enough not sexy enough not rich enough not thin enough and don t have enough friends It s easy to focus on the ways we fall short of worldly perfection and to forget that we are already made perfect We are already enough God has made each of us for a unique purpose and he calls each of us to know him in unique ways In a world where everything feels fleeting and temporary we are made for everlasting life we are meant to experience God s abiding love You Are Enough uses the timeless tales of the Bible to clarify that truth for modern women See how God s love for each of us shines forth through the stories of the women of the Old Testament Connect with the hopes dreams struggles and experiences of these remarkable women Learn how the lives of these women contain valuable lessons for our lives today Find hope and encouragement as you discover that you are enough you are accepted for who you are as a beloved daughter of God *The 28 Laws of Attraction* Thomas J. Leonard,2007-12-11 In the Bestselling Tradition of *The Secret* Master the Universal Laws of Attracting Success Would you like to learn how to recognize a good opportunity when it presents itself to you Do you want to discover your true passions and make them work for you Would you like to find the

people in your life who can help you achieve your goals dreams and aspirations Do you find yourself wishing you had more time with your family and friends If you've been seeking fulfillment and felt that it has always eluded you these 28 Laws will show you how to stop chasing success and let it chase you With Thomas Leonard's time tested power packed system you will learn how to maximize the brilliance and energy you already possess to create a thoroughly satisfying life based on what's best about you As you apply these 28 Laws you'll gain the ability to define what success is for you and learn how to attract the things that matter the most in life

The Everything Answer Book Amit Goswami, 2017-01-01 Quantum physics is not only the future of science but also the key to understanding consciousness God psychology death and the meaning of life says Dr Amit Goswami It is an antidote to the moral sterility and mechanistic approach of scientific materialism and is the best and clearest approach to understanding our universe In short quantum physics is indeed the theory of everything In sixteen chapters Goswami and his friends and colleagues discuss how quantum physics affects our understanding of the following Zen Thought feeling and intuition Dreams Quantum reincarnation Free will and creativity The spiritualization of economics and business politics education and society itself Back cover

Marriage Steve Stephens, 1995-02 [Bible School 2 Semester 1](#) Shofar Christian Church, 2021-01-01 The Bible teaches us that there is nothing more important than becoming like Jesus The life of Jesus not only shows the full picture of who God is but He also shows us what it means to be human He is the quintessential man In Him we see what a perfect relationship with God looks like what our moral outlook should be and what constitutes a good and worthy life Through the ages the church has confirmed that the Bible is both the standard and the guide that instructs confronts and inspires us in the process of following Jesus The way we see understand and experience God ourselves and the world around us should thus ultimately be based upon what the Bible teaches us This Bible School course is therefore intended to help you to build your life around the Word of God

Senegal Sojourn Kathleen M. Madigan, 2010-02-08 *Senegal Sojourn* Selections from One Teacher's Journal is a personal account of experiences while working with foreign language teachers and writers of fiction in Africa during an academic year Affording glimpses into that stay whether in classrooms on the streets of the capital Dakar at concerts with writers and intellectuals or while sightseeing in Senegal and Mali the journal offers a record of what the year held for a Fulbright Scholar learning from as well as contributing to a vibrant cultural scene The diary is based on lived experience in a predominantly Muslim country in an effort to begin to interact with and learn from a part of the world which demands respect and challenges impositions yet continues to intrigue While these experiences are set within the framework of a particular year 2003 2004 stories are woven from them which suggest ongoing practices and traditions changes and tensions struggles and feats as well as a hint of what transcends this particular time The result is an invitation to consider Africa and in particular the dynamics of life in Dakar in and out of the classroom Reading from this journal before approaching theoretical analysis provides grounding and the opportunity to walk with the author into another space and rhythm It is a diary that brings Africa out of the textbook and propels the reader

body and soul into Senegal Secrets to Getting More Done in Less Time Donna Otto, 2006-03-15 Deadlines Clutter Unending responsibilities These things and many others can overwhelm the daily experience of joyful living for most women Now home and life management expert Donna Otto reveals how secrets of the trade will help readers get more done and have time left over With Donna s proven methods and practices the least organized or most overworked woman will discover easy ways to master time and maximize it use personalized planners effectively involve the family so everybody benefits Handy forms clever advice relatable examples from Donna s life and contagious enthusiasm make this a productive and inspirational read Home owners brides stay at home moms and women in the workforce will appreciate these easy steps to a better life Formerly titled Get More Done in Less Time **Affective Authority: Passions, Morality and Governance in Early Modern England** Linda A. Linda Pollock, 2025-06-10 Throws new light on the history of emotions as well as on cultural norms and elite governance in early modern English society This book investigates the intimate connection between emotion and morality in the landed ranks in England from 1580 to 1700 reintegrating the artificially separated spheres of emotions and ethics It argues that long before the modern eighteenth century emotions lay at the core of early modern ethics virtues and passions were fused and affect underpinned authority Passions affections and ethics were intertwined and must be understood together feelings enabled and constituted ethical conduct and were often mandated obligations while cultural norms were based on affective concepts Through a detailed analysis of four key affective values love gratitude repentance and obedience the book throws new light on the history of emotions as well as on cultural norms and elite governance in early modern English society The book merges social cultural and intellectual history It explores how ideals and concepts were practiced in daily life emphasizes the importance of the domestic familial world for the understanding and exercise of public authority and governance and insists on the centrality of the passions and affections to early modern morality It contributes to the history of emotions by reconnecting affect and ethics advances the history of English society by showing how authority was based on affect thus demonstrating the relevance of emotion to larger historical issues
