organized tribes led by a crazed West Point trained cavalry officer intent on death and destruction With the army providing protection and Skye acting as scout it was just barely possible that a wagon train from Ft Leary would survive a trek through the Dakotas But with one or another dark haired beauty working overtime to make his pulse race Skye needed an extra measure of his trailman's instincts to outlast and outthink the murderous White Savage If the wagons and the fort itself were destroyed then the fury of this madman who fancied himself the Ghengis Khan of the Great Plains would be unleashed on the rest of the country
