

Long Stays In Spain

Fernando Elorza Guerrero

Long Stays In Spain:

Buying a Property in Spain For Dummies Colin Barrow, 2010-06-21 Buying a property abroad is one of the biggest decisions you'll ever make. But don't worry, your Spanish dream needn't become a nightmare. From finding an estate agent and arranging a mortgage to negotiating the best price and moving in, this book is packed with practical advice on every aspect of the Spanish property market. It leads you safely and simply through the legal, logistical and financial minefields, helping you maximise your time and your money to enjoy a hassle-free property purchase. *France * Spain: Basque Country and Navarre* Murray Stewart, 2024-12-06 This new thoroughly updated third edition of *The Basque Country and Navarre*, Bradt's award-winning guidebook, remains the most in-depth guide to a multi-lingual, multi-cultural borderland that is neither Spain nor France but straddles the Pyrenees mountains that divide the two countries. Bradt's guide offers real insights into a profound regional identity, uncovering the peculiarities which imbue the area with intrigue and takes you way beyond the delightful well-known cities into the heart of the beautiful Basque countryside. Deep-seated Basque traditions, singular cuisine, world-class wine, strange sports, unique language, bold art and architecture all converge to showcase a land that continues to mystify and reveal itself the more you visit. Secluded valleys and rugged mountains, wild coastlines and the vestiges of industry long gone provide a strange mix that pays homage to a troubled past, a lively present and a constant reinvention that promises an exciting future for the Basques. Large and sparsely populated, little-known and little-visited, neighbouring Navarre offers natural attractions ranging from high Pyrenees to arid semi-desert. This former kingdom's troublesome history is waymarked by lonely hilltop castles but only in the frenetic bull-running days of Pamplona's San Fermín festival does it announce itself noisily on the world stage, welcoming hundreds of thousands of visitors to Ernest Hemingway's favourite party town. With advice on where to walk, cycle, horseride, surf and birdwatch, accompanying traditional listings of where to stay and eat, author Murray Stewart guides travellers through this increasingly popular area. Find the best pintxos, tapas and txakoli wine, the finest chuletín (beef chop) and the freshest fish. From elegant Biarritz via the French Basque Pyrénées to the Navarran badlands of Bardenas Reales, travel to fascinating, less-visited places that host thrilling local festivals. New elements in this edition include a host of elegant hotels in San Sebastián, the city on the beach; transport improvements; new restaurants serving culinary specialities; a major reconfiguration of Bilbao's Bellas Artes museum; and constantly evolving wine tourism opportunities. Whether you are a hiker or surfer, foodie or cyclist, spiritualist or golfer, let Bradt's *The Basque Country and Navarre* help you enjoy a fascinating, rewarding holiday. *Migration Law in Spain* Fernando Elorza Guerrero, 2019-02-18 Derived from the renowned multi-volume *International Encyclopaedia of Laws*, this monograph on the rules on immigration and right of residence of non-nationals in Spain examines the legal and administrative conditions for persons not having the citizenship of a State to enter the country and to stay and reside there. It provides a survey of the subject that is both usefully brief and sufficiently detailed to answer most questions likely to arise in

any pertinent legal setting It follows the common structure of all monographs appearing in the International Encyclopaedia for Migration Law thus allowing easy comparison between the country studies As migration and economic activities are often interlinked the analysis pays particular attention to labour market access and regulation of self employed activities for non nationals The book describes the status of such specific categories of persons as students researchers temporary workers and asylum seekers as well as the position of family members detailing applicable legislation and providing practical information on administrative procedures sanctions and legal remedies and guarantees The impact of international human rights law and various bilateral and multilateral agreements is considered along with the broader application of national and local law to non citizens in such areas as family relations labour social security and education Lawyers scholars practitioners policymakers government administrations and non governmental organizations involved in the development practice and study of migration law will find this book indispensable It will be welcomed by lawyers representing parties with interests in Spain and immigration specialists in both public and private organizations Academics and researchers also will appreciate its value in the study of comparative trends and harmonization initiatives affecting migrants

Wernham,2020-11-25 Actions against the Spanish Armada and campaigns in the Netherlands left the Queen's coffers empty For this reason proposals to capture the Spanish treasure fleet were given royal support The treasure fleet homeward bound from the Americas would be intercepted in the Azores A diversion at Santander to damage the Spanish fleet would prevent protection of the treasure fleet and more importantly prevent further actions against England or Ireland However the project was diverted further with backers wanting to re-instate Don Antonio as King of Portugal with ideas of gaining lucrative Portuguese trade rights At sea a further diversion was taken with news of shipping at Corunna and the prospect of capturing merchantmen Profit was already challenging strategy This diversion gave their enemies more time to prepare The failure at Lisbon was partly from a lack of co-ordination between the navy and army but also from the lack of promised support from Don Antonio's supporters The decision to sail for the Azores to intercept the Spanish treasure fleet

was at last made only for Drake to be driven back to England by a storm Short of supplies and with sick crews the ships were in no condition to continue with the Queen s demands so there was no great treasure and the Spanish fleet was still in being The sale of prizes and their contents failed to cover the cost of the expedition and so the expedition was considered a financial and strategic failure *The city trip guide for Móstoles (Spain)* YouGuide Ltd,
