Longest Battle The Royal Canadian Navy In The Atlantic 1939-1945:

The Longest Battle : the Royal Canadian Navy in the Atlantic 1939-1945 John D. Harbron, 1995 **To Die Gallantly** Timothy J Runyan, Jan M Copes, 2019-08-22 German U boats known as iron coffins terrorized Allied ships during World War II and were responsible for thousands of deaths This volume published to commemorate the 50th anniversary of the Battle of the Atlantic brings together historians from both sides of the ocean to discuss this important campaign As well as offering new insights into both familiar and more neglected aspects the book reflects the human dimension of the conflict paying tribute to the whole spectrum of personnel involved planners and strategists spies and code breakers naval officers and crews merchant sailors and civilians **The Canadian Naval Chronicle, 1939-1945** Robert A. Darlington, Fraser McKee, 1998 In World War II the Canadian Navy embarked on a five year anti submarine offensive with a tiny fleet of six destroyers and a navy largely untrained in submarine warfare This chronicle of ship successes and losses charts the increase in fighting capability of the Canadian naval forces and their growing success against enemy submarines and surface warships From the dreadful loss of sixteen ships out of a single convoy in 1941 to the painstaking teamwork of hunting down and destroying an asdic contact a few years later the authors have managed to capture the drama of these events in considerable detail The information provided in each account represents comprehensive research into the incident from available records and from personal recollections and interviews collected by the authors Each includes the ships and crews involved on both sides their movements just prior to the event the action itself the casualty lists and the medals awarded as a result of the action This book also contains for the first time a complete record of all the Canadian owned Merchant ships lost as well as a table of RCAF Squadron successes against enemy U boats *U-Boat Attack Logs* Bruce Taylor, Daniel Morgan, 2011-11-09 An indispensable reference work for anyone studying either the U boat campaign or WW2 at sea copiously illustrated fascinating and harrowing Navy News During the Second World War over 250 Allied warships from a dozen navies were sent to the bottom by German U boats This ground breaking study provides a detailed analysis of every sinking for which source material survives from both the Allied and the German sides resulting in detailed treatment of the fate of 110 vessels with the remainder summarized in an extensive appendix Uniquely each entry is built around a specialist translation of the relevant segment of the war diary log of the U boat in question taken directly from the surviving originals remarkably this represents the first large scale publication of the U boat war diaries in any language The book offers a wealth of new information not only with respect to the circumstances of the sinkings from both the Allied and German perspectives but also to the technical environment in which they lived as well as the fate of the crews The entries include background details on the vessels concerned and the men involved with a selection of rare and carefully chosen photos from archives and collections around the world Each entry is itself a compelling narrative but is backed with a list of sources consulted including documents published works and websites A decade in the making this is probably the most important book on the U boat war to be

published for many a year Offers significant new information on many of the most famous incidents Maritime Advisor

Our Gallant Doctor James Goodwin,2007-04-30 On September 13 1942 HMCS Ottawa was sunk by a German U boat Dr George Hendry exhausted from hours of difficult surgery was lost along with many others Betrayed Richard O. Mayne,2011-11-01 In January 1944 Vice Admiral Percy Walker Nelles was fired from his position as head of the Royal Canadian Navy Betrayed reveals the true story behind the dismissal a divisive power struggle between two elite groups within the RCN pitted the navy's regular officers against a small group of self appointed spokesmen for the voluntary naval reserve Threats of public scandal mass insurrection and political intimidation caused one of the worst breakdowns in Canadian civil military relations revealing complex aspects of military professionalism and leadership This fascinating investigation into the machinations of a divided navy tackles important questions of military professionalism leadership and identity Betrayed will appeal to readers interested in military history and security studies political science and sociology

Jak P Mallmann Showell,2016-09-14 The Battle of the Atlantic was the longest continuous military campaign of the Second World War raging from 1939 to 1945 It saw the might of the Royal Navy pitted against the Kriegsmarine Germany's secret weapon was their fleet of U boats They had the largest fleet of submarines in the world and this enabled them to play cat and mouse with the Allied forces to devastating effect Hunting in wolf packs they would prey on merchant shipping and naval vessels In this startling new book Jak P Mallman Showell tells the story of this battle as viewed through the conning towers of these U boats Using surviving logs written as the action unfolded You taste the salt smell the nauseating stench of the U boats and hear orders being whispered quietly while diving back in time to the horrendous inhumanity of the Battle of the Atlantic Decision in the Atlantic Marcus Faulkner,Christopher M. Bell,2019-05-17 The Battle of the Atlantic was the longest campaign of the Second World

War This volume highlights the scale and complexity of this bitterly contested campaign one that encompassed far more than just attacks by German U boats on Allied shipping The team of leading scholars assembled in this study situates the German assault on seaborne trade within the wider Allied war effort and provides a new understanding of its place within the Second World War Individual chapters offer original perspectives on a range of neglected or previously overlooked subjects how Allied grand strategy shaped the war at sea the choices facing Churchill and other Allied leaders and the tensions over the allocation of scarce resources between theaters how the battle spread beyond the Atlantic Ocean in both military and economic terms the management of Britain s merchant shipping repair yards the defense of British coastal waters against German surface raiders the contribution of air power to trade defense antisubmarine escort training the role of special intelligence and the war against the U boats in the Arctic and Pacific Oceans *Canadian Defence Quarterly* ,1993

World War II in Europe David T. Zabecki,2015-05-01 World War II defined the 20th century and shaped many events from the decolonization of Africa to the rise and fall of the Berlin Wall This encyclopedia offers a focused overview of this complex and volatile era the circumstances that led up to war the underlying causes its unfolding and consequences Organized for quick and precise access More than 1300 entries by 150 experts are arranged in six sections for easy reference and consultation All the key ideas events actions weapons individuals and organizations that played vital roles in the war are covered from the Axis Pact to the Arab League from the OSS to the Africa Korps from the Chetniks to the Jedburghs from the battle of Kursk to Operation Mincemeat from Bill Donovan to Otto Skorzeny from Gestapo to SMERSH from Georgi Zhukov to Jean Leclerc from the 88 gun to the Norden Bombsight Covers important neglected subjects The Encyclopedia puts special emphasis on the often neglected operations in Eastern Europe and Russia A key section inspects and rates all the major weapons with handy tables for easy comparison And in recognition of the first large scale participation of women in the war the volume thoroughly documents their individual and unit contributions to the Allied effort Finally the encyclopedia discusses battlefield realities that explain for example why the airborne drops at Normandy succeeded and the ones at Arnheim failed A bibliography glossary maps photographs and weapons and data tables enhance the coverage Also includes 16 maps **The American Neptune** ,2001 A quarterly journal of maritime history Dönitz, U-boats, Convoys Jak P. Mallmann Showell,2013-08-21 This unique WWII history combines the memoirs of a Nazi Admiral with secret British naval reports for a comprehensive view of the U Boat war The memoirs of Admiral Karl Dönitz *Ten Years and Twenty Days* are a fascinating first hand account of the Battle of the Atlantic as seen from the headquarters of the U boat fleet Now noted naval historian Jak P Mallmann Showell has combined Dönitz s memoirs in a parallel text with the British Admiralty s secret *Monthly Anti Submarine Reports* to produce a unique view of the U boat war as it was perceived at the time by both sides The British *Monthly Anti Submarine Reports* were classified documents issued only to senior officers hunting U boats They were supposed to have been returned to the Admiralty and destroyed at the end of the War but by chance a set survived in

the archives of the Royal Navy's Submarine Museum in Gosport. They offer significant and hitherto unavailable insight into the British view of the Battle of the Atlantic as it was being fought. With expert analysis of these firsthand sources from opposing sides of the conflict, Jak P. Mallmann Showell presents what may be the most complete contemporary account of the desperate struggle in the North Atlantic during the Second World War. *Canadian Periodical Index*, 1994 **Naval History**, 2008 Battle of the Atlantic, 1994 *The Longest Campaign* Brian Walter, 2020-04-30. The award-winning historian's acclaimed account of British sea power throughout WWII is a must-read for anyone interested in Naval warfare. *PowerShips* magazine. For four centuries the British realm depended on sea power to defend itself against a myriad of threats. The Royal Navy established itself as the Sovereign of the Seas, helping transform a small island nation into the center of a global empire. But Britain's maritime services faced an unprecedented challenge during World War II, and the survival of the nation was at stake. *The Longest Campaign* tells the epic story of British sea power in the Second World War. It is a comprehensive and detailed account of the activities, results, and relevance of Britain's maritime effort in the Atlantic and off northwest Europe. Military historian Brian Walter looks at the entire breadth of the maritime conflict, exploring the contribution of the Royal Navy, Royal Air Force, and British merchant marines, as well as their Commonwealth equivalents. Walter puts the maritime conflict in the context of the overall war effort and shows how the various operations and campaigns were intertwined. Finally, he provides unique analysis of the effectiveness of the British maritime effort and the role it played in Allied victory. **A Bibliography of the History of Canadian Science and Technology** Arnold E. Roos, Canadian Science and Technology Historical Association, 1995 **The Canadian Who's who**, 1997
