The Devil's Darning Needle Ben R. Furman, 2006 No Handcuffs: The Final Word on My War with The Krays Eddie Richardson, 2019-05-16 THE FINAL WORD FROM THE LAST KING OF GANGLAND WITH A FOREWORD BY MARTINA COLE Eddie Richardson is the last brand name gangster Say the name and the world of violent criminality grabs you by the throat The Richardson brothers Eddie and Charlie and their infamous Torture Gang made money while their rivals Ronnie and Reggie Kray made fatal mischief They fought each other but now in 2018 Eddie Richardson says They tell me blood is thicker than water but with Charlie it wasn't so He was evil With his brother dead Eddie Richardson feels free to detail the story of a vicious family feud that provoked extravagant acrimony No Handcuffs unravels the mysteries of decades of crime and political incident The story of a turbulent era it rivals the most imaginative fiction in its portrayal of gangland life with all its chanciness and rawness and careless disregard for any obstacle on the way to its target the big money In an inspired collaboration with

bestselling author Douglas Thompson the mature Eddie Richardson is given a voice to reflect on his journey from the scrapyards of South London to the glitz and glamour of the West End nightclubs to the flesh and tease of Soho down Downing Street and through the door of Number 10 to the perils of espionage and international intrigue and his elevation to demigod status in hard men territory and finally as a high security inmate at Her Majesty's pleasure but with a personal fridge kept well stocked with gourmet food No Handcuffs resonates today for if anything greed and corruption are more perverse more rampant As Eddie Richardson points out We wrote the handbook for them The Killer Book of Cold Cases Tom Philbin,2012-02-01 Shocking stories of the most infamous cold crimes The perfect gift for any true crime fan Every criminal dreams of committing the perfect crime A crime that is so well executed with clues and evidence so scarce that even the experts are left baffled The Killer Book of Cold Cases takes you behind the crime scene tape and deep into the investigations of some of the most puzzling and notorious cold cases of all time from murders to kidnappings to massive bombings that were open for years before the criminal was finally brought to justice Read about The New York City judge whose disappearance was so famous his name became synonymous with cold cases The first use of DNA to help solve a murder case that had been cold for years The bomber who took down an entire plane of people just to collect on his mother's insurance The legendary bank robber D B Cooper The murder of two cops in a small California town a case that took more than 50 years to solve The Mad Bomber who drove New Yorkers half crazy in the fifties by planting bombs all over the city Bury yourself in these edge of your seat tales read chilling quotes and test your crime IQ with cold case trivia You'll stay up wondering which criminals might still be on the loose **Serial and Mass Murder** Elizabeth A. Gurian,2021-09-30 This book reframes the study of multicide that is serial and mass murder to use objective measures and aims to expand our understanding of multicide offending through descriptive and inferential statistical analyses of different homicide patterns of the offenders Criminal homicide and multiple murders are rare occurrences that typically account for a very small percentage of all violent crimes in most countries Despite this low occurrence homicide continues to be an area of intense study with a focus on subjective measures and classifications The research and analysis based on a database of over 1 300 cases contributes to the criminological study of violence and draws distinctions between the types of offenders partnered and solo serial and mass male and female etc from a range of different countries and across decades Traditionally studies of homicide focus on male offenders and theories of offending are then applied to females and co offenders The research presented in this book reveals that women and partnered offenders have very different homicide patterns from men Looking at the history of multicide offending this book uses descriptive and inferential statistical analyses to directly compare differences in offending and outcome patterns across multicide offender types This exploration of the multidimensionality of homicide at an international level is useful for scholars and students interested in criminal justice criminology psychology sociology or law *Geographic Profiling* D. Kim Rossmo,2025-04-02 Geographic Profiling explores this cutting edge

investigative methodology for determining the most probable area of an offender's residence by analyzing the locations of a series of connected crimes. Geoprofiling allows police detectives and law enforcement officers to prioritize suspects, focus their investigations, and manage information overload. This extensive and exhaustive work explains the underlying theories and operational principles of the methodology. To provide context, extensive reviews of the research on serial murder, rape, and arson, stranger child murder, behavioral psychological profiling, linkage analysis, and the geography of crime are included. As any police officer who has walked a beat or worked a crime scene knows, streets have hot spots, patterns, and rhythms. Understanding the varied geographic information in a crime series can be challenging. Renowned expert Kim Rossmo explains the concepts and applications of geographic profiling, and in this second edition updates his groundbreaking book with informative and engaging figures, tables, and examples. A range of applications are discussed, including suspect prioritization, database searches, tactical response plans, missing person investigations, clandestine grave identification, and the role of geography in wrongful conviction reviews. Dr. Rossmo discusses the nature of police inquiries, criminal evidence, investigative challenges, and failures, and more. The book explores the application of geographic profiling to violent and property crime, single offenses, epidemiology, counterterrorism, insurgency, and even earthquake epicenter and pirate base prediction. Fascinating new case studies include the Golden State Killer, Operation Lynx, the Zodiac Killer, the Lindbergh baby kidnapping, the DC Snipers, and the Austin Midnight Assassin. Geographic Profiling is a must-have reference for detectives, crime analysts, and law enforcement officers who want to follow the geographic clues in their cases. Its clear presentation makes it ideal for college courses, police training, university scholars, and students of true crime.

An Idea Whose Time Has Come Todd S. Purdum, 2014-04-01. The story of the behind-the-scenes political battle to pass the 1964 Civil Rights Act. Excellent, a highly readable play-by-play. The Atlantic. It was a turbulent time in America, a time of sit-ins, freedom rides, a March on Washington, and a governor standing in the schoolhouse door when John F. Kennedy sent Congress a bill to bar racial discrimination in employment, education, and public accommodations. Countless civil rights measures had

died on Capitol Hill in the past But this one was different because as one influential senator put it it was an idea whose time has come In this revealing book Todd S Purdum tells the story of the Civil Rights Act of 1964 recreating the legislative maneuvering and the larger than life characters who made its passage possible From the Kennedy brothers to Lyndon Johnson from Martin Luther King Jr to Hubert Humphrey and Everett Dirksen Purdum shows how these all too human figures managed in just over a year to create a bill that prompted the longest filibuster in the history of the US Senate yet was ultimately adopted with overwhelming bipartisan support He evokes the high purpose and low dealings that marked the creation of this monumental law drawing on extensive archival research and dozens of new interviews that bring to life this signal achievement in American history an example in our own troubled time of what is possible when bipartisanship decency and patience rule the day Brilliantly rendered and emotionally powerful a riveting account of one of the most dramatic and significant moments in American history Doris Kearns Goodwin Today's reader will be startled if not astonished by how the bill made its way through Congress The Washington Post Worthy timely and intelligent The New Yorker A first rate narrative The Wall Street Journal *Romantic Outlaws, Beloved Prisons* Martha Grace Duncan, 1999-09 An ex convict struggles with his addictive yearning for prison A law abiding citizen broods over his pleasure in violent illegal acts A prison warden loses his job because he is so successful in rehabilitating criminals These are but a few of the intriguing stories Martha Grace Duncan examines in her bold interdisciplinary book *Romantic Outlaws Beloved Prisons* Duncan writes This is a book about paradoxes and mingled yarns about the bright sides of dark events the silver linings of sable clouds She portrays upright citizens who harbor a strange liking for criminal deeds and criminals who conceive of prison in positive terms as a nurturing mother an academy a matrix of spiritual rebirth or a refuge from life's trivia In developing her unique vision Duncan draws on literature history psychoanalysis and law Her work reveals a nonutopian world in which criminals and non criminals while injuring each other in obvious ways nonetheless live together in a symbiotic as well as an adversarial relationship needing each other serving each other enriching each other's lives in profound and surprising fashion **Man on the Scene** Jeff Quinn, 2003 An authentic attempt at chronicling some of my travels from Alaska to Russia A humorous look at life on the road and the characters I find alongside it Discussions with babalawas bums and shunned hermits are all in a day's work

Smoke on the Water Loren D. Estleman, 2025-02-11 From the master of the hard boiled detective novel and recipient of the Private Eye Writers of America Lifetime Achievement Award comes Loren D Estleman's next enthralling Amos Walker mystery *Smoke on the Water* As the smoke from Canadian wildfires chokes Detroit PI Amos Walker is tasked with investigating a fatal hit and run The victim is Spencer Bennett a junior law associate with the Waterford Group and he supposedly had a file of confidential documents on him when he died But those documents have now gone missing and the firm is dead set on Walker finding them As Walker digs deeper into the events leading to Bennett's death all signs are pointing towards the crash being anything but accidental Summer in Detroit was hot enough before the smoke descended

but as the temperature rises and more bodies crop up in connection to the missing file Walker will have to track down those documents and unearth why they were worth killing over before it's too late At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Serial Killers: The World's Most Evil** Nigel
