

But distance may also
mean nothing
To a pair of lover's
hearts
Who may be far apart
But choose the path
That may split into two
But despite the divide
Will still meet together
and intertwine
And thus erase any
feeling of distance.

Longing Distance:

The Anatomy of Desire: An Anthology of Distance Shekinah Vera-Cruz, Valerie Wu, 2018-12-27 From the vicious to the clinical to the confessional *The Anatomy of Desire* is filled with poems that cut from where the ache is still tender and rend longing wide open Pulling knives from the body to call them holy crushing berries in fists like deliverance it's an anthology of words that ask hunger what it's made of works that spit blood on the floor every time they try to speak

Longing in a Culture of Cynicism Stephan van Erp, Lea Verstricht, 2008 Through current expressions of religion people are confronted with all kinds of longings and desires which have no place in a rationalised and alienated culture At the same time these longings are seeking and finding opportunities for expression How to understand this cultural ambiguity The authors in this volume explore the possibilities of a rationality beyond rationalism reflecting beyond the borders of human imagination on the hidden God

Fragments of Longing Pasquale De Marco, 2025-07-14 Embark on a profound exploration of longing an intrinsic part of the human experience that shapes our desires motivations and actions This comprehensive book delves into the complexities of longing examining its myriad manifestations from the ache of unrequited love to the bittersweet pangs of nostalgia Through a diverse array of perspectives and insights we uncover the transformative potential of longing revealing how it can drive us to pursue our dreams seek new experiences and forge meaningful relationships We also explore the challenges and obstacles that longing can present and offer tools and strategies for navigating these difficulties with resilience and grace With contributions from experts in psychology philosophy literature and the arts this book provides a comprehensive understanding of longing in all its forms From the timeless poetry of Rumi to the poignant music of Chopin we explore how artists throughout history have captured the essence of longing in their works offering us a glimpse into the universal human experience Join us on this journey of introspection and self discovery as we explore the depths of longing and its profound impact on our lives Through thought provoking essays personal narratives and practical exercises this book invites readers to reflect on their own experiences of longing and to cultivate a deeper understanding of this powerful emotion Whether you are seeking solace inspiration or a deeper connection with yourself and the world around you this book offers a wealth of insights and guidance Discover the transformative power of longing and learn how to harness its energy to live a more fulfilling and meaningful life If you like this book write a review

If Only I Had Listened: Grounds for Marriage II John Fulling Crosby Ph.D., 2019-07-10 This is a book intended to help people think two or three times before getting married The book challenges the separation of societal romanticism from love and sex The basic question is Are you in it for sex or are you in love Is it commitment or is it lust The heart of the matter is one's expectations What we can bring into the marriage and what we are willing to commit to it are always in central focus Crosby treats many of the usual and unusual challenges that we encounter whenever we join forces with a partner This second

edition includes a new chapter on traditional defense mechanisms Passive aggressiveness dependence obsessive compulsiveness and paranoia are reviewed as barriers to solid marital communication **Arts of Wonder** Jeffrey L. Kosky, 2013 Kosky focuses on a handful of artists Walter De Maria Diller Scofidio James Turrell and Andy Goldsworthy to show how they introduce spaces hospitable to mystery and wonder redemption and revelation and transcendence and creation **THE RAIN CHRONICLES** L. Grey, 2012-05-30 Poetry Thoughts Inspiration Loss but always with a Twist In Between The Lines and Solitude **Edinburgh Companion to Nineteenth-Century American Letters and Letter-Writing** Celeste-Marie Bernier, 2016-02-15 This comprehensive study by leading scholars in an important new field the history of letters and letter writing is essential reading for anyone interested in nineteenth century American politics history or literature Because of its mass literacy population mobility and extensive postal system nineteenth century America is a crucial site for the exploration of letters and their meanings whether they be written by presidents and statesmen scientists and philosophers novelists and poets feminists and reformers immigrants Native Americans or African Americans This book breaks new ground by mapping the voluminous correspondence of these figures and other important American writers and thinkers Rather than treating the letter as a spontaneous private document the contributors understand it as a self conscious artefact circulating between friends and strangers and across multiple genres in ways that both make and break social ties **New International Dictionary** , 1920 **Savitri** Sri Aurobindo, 2016-10-14 *The Migratory Impulse Vs. a dynamic praxis of engagement **CEO, I'm Married** Xin Ya,2020-05-14 Married eight years husband addicted to online gambling waste business Xia Yuhan had to take charge of the family business for him to pay off the gambling debts On the crowded way back from work I ran into my husband holding a bright and beautiful little demoness in his arms Xia Yuhan dispiritedly decided to divorce her daughter along with her but her ex husband arrogantly said that giving up on her would be her loss The little goblin even took her ex husband s hand and swore to her Suddenly a refined and mature figure jumped out from the crowd He knelt down on one knee and raised the diamond ring in his hand Dearest please marry me **A Symphony of Distances** Christopher M. Hadley,Christopher M. Hadley, SJ,2022-03-11 The two fold task of A Symphony of Distances is to provide an overview of Hans Urs von Balthasar s use of distance imagery with regard to personal distinctions in the Holy Trinity and to offer a critical analysis of him as a modern Catholic theologian A metaphor of distance integrates all of Balthasar s theological thought as a primary cipher for the many symbols through which he reads the Christian theological tradition in a trinitarian and eschatological mode The book follows a chronological four stage development of Balthasar s trinitarianism through the lens of this distance metaphor as it occurs across representative texts The critical analysis employs the conceit of a symphony of four musical movements that correspond to four varieties of theological distance These distances show certain correspondences of God s creation and redemption of the world marked by the first two distances with the relations of the divine persons to each other in the economy of salvation and in the eternal Trinity itself marked by the third and fourth distances Listening to the four movements of Balthasar s theological distances enables his readers to hear the themes of all four movements in the ascending order of richness complexity and inclusivity over the long development of his thought This fundamentally positive approach of A Symphony of Distances allows for a thorough critique of the internal consistency of Balthasar s applied method of the controversial use of gendered trinitarian notions in his speculations on divine pathos and of his adequacy to the tasks of modern theology The final judgment is that Balthasar s theology of distance can be accepted with reservations as a positive element of his contribution to contemporary trinitarian theology The book can thus serve as a critical reference for readers who find Balthasar s notion of trinitarian distance and indeed his trinitarianism as a whole to be compelling confusing or frustrating **Christ and Culture** Graham Ward,2015-11-04 Leading theologian Graham Ward presents a stimulating series of reflections on Christ and contemporary culture Takes as its starting point Niebuhr s famous volume on Christ and Culture published in the 1970s Explores representations of Christ from sources as diverse as the New Testament and twentieth century continental philosophy Considers Christ and culture in the light of contemporary categories such as the body gender desire politics and the sublime Develops an original and imaginative Christology rooted in Scriptural exegesis and concerned with today s cultural issues The author has been described as the most visionary theologian of his generation **The Augustinian Tradition** Gareth B. Matthews,2023-04-28 Augustine probably the single thinker who did the most to Christianize the classical learning of ancient

Greece and Rome exerted a remarkable influence on medieval and modern thought and he speaks forcefully and directly to twentieth century readers as well The most widely read of his writings today are no doubt his Confessions the first significant autobiography in world literature and The City of God The preoccupations of those two works like those of Augustine's less well known writings include self examination human motivation dreams skepticism language time war and history topics that still fascinate and perplex us 1 600 years later The Augustinian Tradition like a number of recent single authored books expresses a new interest among contemporary philosophers in interpreting Augustine freshly for readers today These articles most of them written expressly for the book present Augustine's ideas in a way that respects their historical context and the long history of their influence Yet the authors among whom are some of the best philosophers writing in English today make clear the relevance of Augustine's ideas to present day debates in philosophy literary studies and the history of ideas and religion Students and scholars will find that these essays provide impressive evidence of the persisting vitality of Augustine's thought This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1999 Augustine probably the single thinker who did the most to Christianize the classical learning of ancient Greece and Rome exerted a remarkable influence on medieval and modern thought and he speaks forcefully and directly to twentieth century readers as *Walking as Critical Inquiry* Alexandra Lasczik, Amy Cutter-Mackenzie-Knowles, David Rousell, 2023-06-22 This book is a transdisciplinary international collection situated within a genealogy of experimental walking practices in the arts arts based research and emergent walking practices in education It brings together emerging cartographies of relation amongst walking practices ranging across arts based ecological activist decolonising queer critical and posthuman modes of inquiry Its particular investment is in the proliferation of artful modes of inquiry that open up speculative practices and concepts of walking as an orientation for pedagogy inquiry and the everyday resisting the gaze of privilege and the relentless commodification of human and nonhuman life processes This is important work for the burgeoning demand for creative methodologies in the social sciences and more specifically for arts based educational research **Whispers of Passion** Pasquale De Marco, 2025-07-15 In the realm of human experience desire stands as a potent force shaping our actions relationships and aspirations It is an intricate tapestry woven with threads of longing passion and ambition Whispers of Passion delves into the profound depths of desire unveiling its multifaceted nature and its profound impact on our lives This comprehensive guide explores the diverse expressions of desire from the pursuit of success and creative fulfillment to the yearning for intimacy and connection With empathy and wisdom the book delves into the complexities of desire both its transformative and its destructive aspects Through thought provoking chapters Whispers of Passion sheds light on the role of desire in our relationships guiding readers through the delicate dance of attraction

intimacy and the challenges of maintaining lasting connections It examines the hunger for achievement revealing how desire can fuel ambition and drive us towards success The book also delves into the realm of creativity exploring the spark of inspiration and the alchemy of desire and expression It offers insights into the nature of self improvement providing strategies for harnessing desire as a catalyst for personal growth and transformation Whispers of Passion confronts the shadow side of desire exploring the dangers of obsession and addiction It offers guidance for navigating the treacherous waters of unrequited love and the pain of heartbreak Through these explorations readers gain a deeper understanding of the power of desire and learn to navigate its complexities with resilience and grace Ultimately Whispers of Passion is an invitation to embrace desire as a transformative force in our lives It empowers readers to harness its energy for positive change cultivate fulfilling relationships and live a life filled with passion purpose and unwavering resolve If you like this book write a review
