Longterm Care In Transition The Regulation Of Nursing Homes:

Long-Term Care in Transition David Barton Smith,2000-09-30 Long Term Care in Transition is a carefully documented case study of the changes that took place in the regulation of nursing homes in New York between 1975 and 1980 It covers the history of the regulatory offensive in New York and strategies of control and their effectiveness touching on such subjects as professional standards rate setting reimbursement criminal prosecution and consumers Invaluable reading for health care professionals involved in the management of nursing homes it concludes with some of the lessons learned from this experience for the health sector as a whole While regulations have changed since 1980 David B Smith has written a new preface which puts the study in perspective Book jacket *NHSQIC Annual Bibliography* National Health Standards and Quality Information Clearinghouse (U.S.),1981

Long-Term Care Medicine Pamela Ann Fenstemacher,Peter Winn,2010-11-23 Long Term Care Medicine A Pocket Guide lessens the uncertainty involved in caring for patients in a long term care facility This practical pocket guide is divided into four sections Introduction Common Clinical Conditions Psychosocial Aspects and Special Issues in Long Term Care The chapters address all the varied components of the LTC system as well as how to take care of the patients and residents living within it The contributors to this easy to read guide are passionate about LTC and many have worked within the American Medical Directors Association to create and disseminate a knowledge base for practitioners Long Term Care Medicine A Pocket Guide is an invaluable resource for clinicians practitioners and educators who are seeking to optimize the care and living experience of residents in LTC by providing resident centered care as well as resident choice well being dignity and an improved quality of life

Handbook of Long-Term Care Administration and Policy Cynthia Massie Mara,Laura Olson,2008-03-27 Attitudes toward long term care contain a strong residue of negativity in today s society and current problems with the system augment such perceptions Unless dealt with now this will only get worse as the 85 and older crowd is the fastest growing part of the population and the first wave of Baby Boomers is approaching 60 Exploring and delineating *Infection Management for Geriatrics in Long-Term Care Facilities* Thomas T. Yoshikawa,Joseph G. Ouslander,2006-09-14 Offering an authoritative overview of all infection management protocols currently utilized by infectious disease specialists geriatricians and infection control practitioners this Second Edition examines current strategies to diagnose treat control and prevent common infectious diseases in long term care geriatric facilities Covering a wide *Effective Management of Long-Term Care Facilities* Douglas A. Singh,2014-10-30 Effective Management of Long Term Care Facilities Third Edition examines the complex operations of the long term care facility and offers critical skills to current and future long term care administrators for delivering quality cost effective services Comprehensive yet concise the Third Edition explores the necessary skills and tools for creating a person centered environment Topics covered include how to adapt an existing nursing facility the growing culture change movement and the laws regulations and financing of the long term care industry as well as its organization and delivery Finally this book offers

extensive coverage of the essential skills necessary to manage it all **Effective Management of Long Term Care Facilities** Douglas Singh, 2010-02-18 *Effective Management of Long Term Care Facilities* explores the complex operations of the long term care facility and offers critical skills to current and future nursing home administrators for delivering quality cost effective services The Second Edition has been thoroughly revised and reorganized to offer a more cohesive presentation of the material New chapters that have been added cover the long term care industry long term care policy and supportive case studies that incorporate management and patient care issues **The Nurse Practitioner in Long-term Care** Barbara S. Lidz, Lynn Fischer, Robert M. Arnold, 1992-09-24 In few places in American society are adults so dependent on others as in nursing homes Minimizing this dependency and promoting autonomy has become a major focus of policy and ethics in gerontology Yet most of these discussions are divorced from the day to day reality of long term care and are implicitly based on concepts of autonomy derived from acute medical care settings Promoting autonomy in long term care however is a complex task which requires close attention to everyday routines and a fundamental rethinking of the meaning of autonomy This timely work is based on an observational study of two different types of settings which provide long term care for the elderly The authors offer a detailed description of the organizational patterns that erode autonomy of the elderly Their observations lead to a substantial rethinking of what the concept of autonomy means in these settings The book concludes with concrete suggestions on methods to increase the autonomy of elderly individuals in long term care institutions **Aging Well** May Wykle, Sarah Gueldner, 2011 *Aging Well Gerontological Education for Nurses and Other Health Professionals* brings a fresh outlook to gerontological education and promotes the experience of aging as a positive circumstance and elders as a treasure of society Discussion centers on the application of research findings to encourage elders to rise above and beyond disability to help them retain their identity of personhood and integrate into society in general and their immediate community in particular Contributors include individuals from the academic gerontological community and clinicians as well as experts from related fields such as social policy and community planning This comprehensive text contains vital information

necessary to caring for elders including topics such as disease and disabilities associated with aging to illuminate underlying philosophical tenants and social issues Each chapter provides a summary of the key points with suggestions on how to apply them on a daily basis "Code of Massachusetts regulations, 1999" ,1999 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 *Cumulated Index Medicus* ,1986
