Becker, 2021-12-06 The old saying is a picture is worth a thousand words Believe it or not but appearance accounts for a great deal in your life Think of yourself as a book cover It is the book cover that sells the book or not Those same laws of attraction also apply to you So if you're well groomed and wearing the correct apparel you'll attract attention We only get one chance to make a first impression Ninety percent of that first impression is visual and you're being summed up by your observer to the way you look in perhaps sixty seconds or less The other person observer be it a complete stranger peer coworker or employer is judging you based upon the way that you look Do you want to attract people into your life Or do you want to repel people Creating that positive image of yourself can open

the door to conversation and that conversation can lead to opportunities of enriching your life So why would you want to shoot yourself in the foot My book will teach you grooming clothing care and how to buy quality apparel at bargain prices This book if followed will always have you putting your best foot forward and change your life forever **Making Movies on Your Own** Kevin J. Lindenmuth, 1998-07-15 You see them on the video shelves with titles such as Domestic Strangers The Bride of Frank The Blood Between Us Strawberry Estates and Sandman Sceptically perhaps you rent one and slip it into the VCR Hey you think this isn't so bad sometimes actually quite good Suddenly you discover that there is a whole range of movies from filmmakers operating outside the studio system that have their own attractions that the big budget fare can't match You have of course discovered the world of independent filmmaking Intrigued you begin thinking that maybe you could do this maybe you could make an independent feature film In this work J R Bookwalter Ronnie Cramer Mike Gingold Eric Stanze Steve Ballot and 20 others tell what it is really like to make an independent feature Covering such topics as the script equipment actors publicity distribution all facets of production and budgeting these indie filmmakers give a virtual how to for those interested in joining them or just learning more about how those interesting titles end up on video store shelves
