could not stop Reader Review *I Will Mix Your Blood with Coal* Oleksandr Mykhed, 2025-04-15 Exploring the post Soviet landscape of the Ukrainian east in a complex journey of loss hope and history In 2014 the Russian army with support from local militants occupied parts of Ukraine's two easternmost regions once the beating industrial heart of the Soviet Union where coal extraction has since exhausted both the human population and the natural resources In late 2016 Oleksandr Mykhed set out on a research trip to explore the deep history and contested present of the area from the perspective of a fellow countryman who'd never been there Mykhed brings us on a painful yet hopeful journey across the Ukrainian east sharing conversations with locals snippets from archival documents and the complicated perspectives of prominent cultural figures such as writer Serhiy Zhadan historian Olena Stiazhkina and philosopher Ihor Kozlovsky who was imprisoned and tortured for nearly two years *I Will Mix Your Blood with Coal* invites us to meet generations of coal miners To learn about the Belgian and British investors who founded the east's industrial cities To remember the harrowing events of the First and Second World Wars and the incalculable brutality of Soviet history To see the activists who are even now working to improve the country To hear sweet memories of a lost utopia that never existed Mykhed provides a unique portrait of life in the east during the war before the full scale invasion that would change everything *EIMI: A Journey Through Soviet Russia* E. E. Cummings, 2007-12-17 A reissue of E E Cummings's long unavailable yet pointed and moving story of a journey through Soviet Russia Unavailable for more than fifty years EIMI finally returns While sometimes termed a novel it is better described as a novelistic travelogue the diary of a trip to Russia in the 1930s during the rise of the Stalinist government Despite some contempt for what he witnesses Cummings's narrator has an effective occasionally hilarious way of evoking feelings of accord and understanding As Ezra Pound wrote Cummings's Soviet Union is laid out there pellucidly on the page in all its Slavic unfinishedness in all of its Dostoevskian slobberyness Does any man wish to know about Russia EIMI A stylistic tour de force EIMI is a mélange of styles and tones the prose containing many abbreviations grammatical and syntactical shifts typographical devices compounds and word coinages This is Cummings's invigorating and unique voice at its finest and EIMI is without question one of his most substantial accomplishments **Prairie and Rocky Mountain Adventures** John C.
