The English Novel in History 1700-1780 John Richetti, 2003-09-02 The English Novel in History 1700 1780 provides students with specific contexts for the early novel in response to a new understanding of eighteenth century Britain It traces the social and moral representations of the period in extended readings of the major novelists as well as evaluating the importance of lesser known ones John Richetti traces the shifting subject matter of the novel discussing scandalous and amatory fictions criminal narratives of the early part of the century the more disciplined realistic and didactic strain that appears in the 1740s and 1750s novels promoting new ideas about the nature of domestic life novels by women and how they relate to the shift of subject matter This original and useful book revises traditional literary history by considering novels from those years in the context of the transformation of Britain in the eighteenth century

Broughton, 2023-11-15. Reprint of the original first published in 1874. **The Secret Book of Kings** Yochi

Brandes, 2025-06-25. This volume by Biblical scholar Yochi Brandes is a riveting novel based on textual sources about the experiences of David and Solomon. Its lessons are also relevant for our turbulent time. Elie Wiesel 1. New York Times and internationally bestselling author of *Night*. In the tradition of *The Red Tent* from internationally bestselling author Yochi Brandes comes the story of the struggles of King David and King Saul in the early days of the Kingdom of Israel, seen through the eyes of Michal, Saul's daughter and David's abandoned queen. Stories are deadlier than swords. Swords kill only those who stand before them; stories decide who will live and die in generations to come. Shelomoam, a young man from the tribe of Ephraim, has grown up in the shadow of dark secrets. He wonders why his father is deathly afraid of the King's soldiers and why his mother has lied about the identities of those closest to him. Shelomoam is determined to unearth his mysterious past, never imagining where his quest will ultimately lead him. *The Secret Book of Kings* upends conventions of biblical novels, engaging with the canonized stories of the founding of the Kingdom of Israel and turning them on their heads. Presented for the first time are the heretofore unknown stories of the House of Saul and of the northern Kingdom of Israel, stories that were artfully concealed by the House of David and the scribes of the southern Kingdom of Judah. Yochi Brandes, one of Israel's all-time bestselling novelists, enlists her unique background in both academic Jewish scholarship and traditional religious commentaries to read the Bible in an utterly new way. In this book, a major publishing phenomenon in Israel and one of the bestselling novels in the history of the country, she uncovers vibrant characters, especially women buried deep within the scriptures, and asks the loaded question: to what extent can we really know our past when history is written by the victors. *A Crystal Age; Utopian novel* W. H. Hudson, 2025-08-23. Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. **Magical Explorer, Vol. 6 (light**
