Fasting Elmer Towns, 2011-07-28 People fast for many reasons to break an addiction to seek God for healing to discover the answer to a lingering problem and some fast for revival But the greatest reason to fast is to get to know God intimately and to feed on the Bread of Life The book in your hands is not an instruction manual on the methods of fasting or on how to pray Rather Dr Elmer Towns describes the spirit of fasting that leads to an intimate knowing of Jesus Christ He will show you that fasting is tasting the goodness of the Lord waiting in God's presence to become like Him coming to Jesus to enjoy His presence drinking from God's presence to get spiritual satisfaction learning to discipline yourself even as Jesus did growing

Webster Groves Robert Joseph O'Guillory, 2009-06-09 Webster Groves a suburb on the outskirts of St Louis Missouri seemed like a great place to live in the 1960s Awash in postcard perfect homes and tree lined streets the residents must be happy right But that's not the case for Bobby who first tries running away from home at age five only to realize that he has no choice but to endure brutal beatings from his father and mother Even then he knows that his parents are psychopaths and that his only hope for a normal life is to escape It's not until Bobby is in his mid thirties shopping for the best gun to commit suicide that he realizes that he has problems and they don't stop at the tumor growing in his groin or his recent divorce They go straight back to his childhood Join Bobby as he deals with problems shared by many baby boomers and children of suburbia If he's strong or just crazy enough he may just be able to get past the darkest memories from Webster Groves

The Trading Game Gary Stevenson, 2025-02-11 1 SUNDAY TIMES BESTSELLER The Best Wall Street Book of 2024 Bloomberg A vivid Financial Times rags to riches memoir that takes readers inside the high stakes drama and hubris of the trading floor a darkly funny Guardian tale of Citibank's one time most profitable trader and why he gave it all up Darker than Liar's Poker but if anything even more of a rollicking read the clearest account I've ever read of how trading desks really work Felix Salmon Axios In development as a limited series Longlisted for the FT and Schrodgers Business Book of the Year If you were gonna rob a bank and you saw the vault door there left open what would you do Would you wait around Ever since he was a kid kicking broken soccer balls on the run down streets of East London Gary Stevenson dreamed of something bigger As luck would have it he was good at numbers At the London School of Economics wearing tracksuits and sneakers Stevenson shocked his posh classmates by winning a competition called The Trading Game The prize a golden ticket to a new life as the youngest trader at Citibank A place where you could make more money than you'd ever imagined Where your colleagues are dysfunctional geniuses and insecure bullies yet start to feel like family Where against the odds you become the bank's most profitable trader closing deals worth nearly a trillion dollars A

day Soon you are dreaming of numbers in your sleep and then you stop sleeping at all But what happens when winning starts to feel like losing You re making a killing betting on millions of people becoming poorer like the very people you grew up with The economy is slipping off a precipice and your own sanity starts slipping with it You want to stop but you can t Because nobody ever leaves Would you stick or quit Even if it meant risking everything The Trading Game is an outrageous unvarnished white knuckle journey to the dark heart of an intoxicating world the trading floor from someone who survived the game and then blew it all wide open *The Nsa Files, Code Name: Venusian in Black* Adrian P. Stubbs,2008-08-15

The Last Man on the Moon Eugene Cernan,Donald A. Davis,1999-03-15 A revealing and dramatic look at the inside of the American space program from astronaut Eugene Cernan one of its heroic pioneers of photos Mind Games William Deverell,2022-06-14 Arthur Ellis award winning William Deverell s 2003 bestseller In Mind Games William Deverell returns to the intriguing territory of the law and lawyers and of human psychology and motivation and he does so in familiar Deverell surroundings the streets courtrooms and waters of Vancouver Dr Tim Dare is a forensic psychiatrist whose life is in a mess his wife has just left him to find herself his mother is being sued for libel by a small town mayor over a mystery novel he s been made the monitor of a man just out of psychiatric hospital a man he considers a psychopathic murderer he s being hauled before a disciplinary committee for misplacing a file one of his patients is transferring feelings to him rather too romantically and now someone s threatening to kill him He can t even get into an elevator without falling apart No wonder he thinks he needs to see a shrink himself Under the guidance of fellow psychiatrist Dr Allison Epstein Dare gradually learns how to face the demons within and those in the real world that are really out to get him **The Karmic Car Cycles** Cliff Livingstone,2009-08 The universally themed book titled The Karmic Car Cycles is a hilarious romp of car related misadventures by the author protagonist Cliff R Livingstone The book hits the ground running and is still running at the end Having led one of the wackiest most unusual and so far unlikely lives on the planet the author romps through these awesome and oftentimes unbelievable Karmic Car adventures at the rate of about ten laughs a second The author proposes that his car misadventures occurred because he had a Karmic Car Cycle going on He then builds the case though a series of hilarious

vignettes that work in their right own over and above the narrative In writing it is hard to find an approach that stands out from the crowd But this is what Livingstone has done with this distinctive work which lives up to its billing as a non stop romp morning noon and night The writing style is uproariously funny conversational wry even whimsical at times and is never less than totally entertaining The book is anything but your standard bowl of cornflakes Writing is about addressing other people Mr Livingstone has accurately identified the things about his life s experiences which could be of interest to others This gives the Karmic Car Cycles a more universal appeal than an average straight forward narrative novel might offer The book also has a universal appeal which everyone can enjoy in the sense that while located mainly in Canada the misadventures could just as easily have happened to anybody anywhere in the world whether rich poor male female sane zany or just plain still in their boots Likewise the author s self imposed criterion that all included material be entertaining and or thought provoking for the benefit of others is a rule from which many writers could benefit
