Four Lives Janice Rubin, Honey Hilzen, Peggy O'Hea, Theda von Schultz Bray, 2001-11-14 Why are some people able to survive unpropitious beginnings thrive and even excel while others in equivalent circumstances cannot The four women whose memoirs make up this volume met several years ago in an autobiography workshop Despite early years that included physical emotional and sexual abuse deaths and abandonments and the terror of living in a country at war they remained sufficiently self possessed and determined to go on to live productive lives often giving back more than they had received How did they manage to do it Was Theda's loving family her protective shield Was Honey's willingness to accept help and learn from others her salvation Did Peggy's brightness charm and independence give her the confidence to take on the world Was Janice's determination to matter her incentive This book offers no answers but there are enough clues in each of the four stories on which to base reasonable conjectures

Looking Back, Moving on David Rogers, Janice Rubin, 2000-07 David Rogers has a specific point of view and he lets it all out in a new extremely enjoyable book of three marvelous long short stories Stories by an Atheist Here are paragraphs from each Sunday Morning There was a pond behind the house they rented a good distance off for some legs In the evenings sometimes while Julia was busy in the kitchen getting supper Jay and the boys walked down to the pond Jay to stand on the dock and watch while the boys lay on their stomachs and peered between the planks The pond was alive with sunnies that rushed at everything that fell into the water especially breadcrumbs Some had white edges on their fins and fringes on their tails and they were the best kind The other kind smaller darker and quicker got most of the bread Once a little painted turtle appeared and paddled around and around chasing all the fishes and though shouted at and spat upon wouldn't go away Seventeen You saw her didn't you said Gus What more do you want What's she hanging around here for If it wasn't raining she'd be out of the road thumbing for Chrisake She's got to get to town absolutely has to get to town some big deal with her girl friend If she don't get there she'll die Go home and get your car and come back and tell her you'll take her anywhere she wants to go and you know what you do you take her out in the woods and tell her either she fucks or she walks and what do you bet she fucks I couldn't do that said Herby He was shocked She's only a kid He was only a kid himself The Funeral Emily and Micky Christine were among the last to reach the celebrity The priest pushed through the crowd as they approached put his arms around them kissed them both on the lips Everett noted and sorrowfully shook his head Everett was brought forward and introduced an introduction he would rather have avoided

were it possible The priest shook his hand patted his arm and said it was good to see him He told the girls he had known their father for years more years than he cared to remember and had known their mother as well a lovely woman It had hit him hard her passing and now here it was old Jim s turn not an old man by any means and did they know what had taken him On learning that no one seemed to know he said the doctors might be good people but they didn t know as much as they thought they did They had lost a good man in Jim Turner but it looked as if they had found another He said this with a roguish glance at Everett who flushed with pleasure in spite of himself and felt a damned fool for so doing An Accidental Memoir Wendy Reed,2013-01-01 In this collection of deliberately fragmented essays a talented documentary filmmaker points the lens at herself and explores a succession of personal tragedies Told from unusual perspectives and in highly figurative language the essays draw on the Southern Gothic tradition of Flannery O Connor and feature dark humor flawed people disastrous events and moments of spiritual grace Taken together they become a meditation on subjects such as death work family responsibilities and raising a child **Into the Sun** Neil Volz,2011-11-22 Into the Sun puts a human face on the business of American politics It also makes you rethink what you believe about Washington When Neil Volz moved from small town Ohio to Capitol Hill he was a young idealistic college student Twelve years later he was a high profile symbol of Washington corruption A former lobbyist and public official Volz paints a vivid and disturbing picture of his rise and fall He ushers the reader in to the clandestine world of congressional deal making and special interest lobbying all the while telling of his journey down the slippery slope of personal corruption The book describes first hand what it was like to be a target of a Justice Department investigation as well as a government witness during the worst political corruption scandal since Watergate The author outlines important life lessons he learned from the experience And raises fundamental questions about the role of money of politics How do people become corrupt Is it an individual failure Or the result of a failed political system While Into the Sun is a personal story about hope failure and faith it also a larger story about how Washington works and how it doesn t **A Look Back in Time: Memoir of a Military Kid in the 50s** Bernard N. Stars over Shiralee: A Sheryl McCorry Memoir 2 Sheryl McCorry, 2009-11-01 Sheryl McCorry's memoir *Diamonds and Dust* was a runaway bestseller in 2007. Now in *Stars over Shiralee*, Sheryl brings her story up to date, picking up from the death of her husband Bob McCorry. Having moved from the Kimberley to a property called the Shiralee, Sheryl is rocked by the death of her ex-husband. While continuing to run the Shiralee, Sheryl at first leans on her parents and her children for comfort. But soon she meets a new man, one who pursues her with ardour and is seemingly a wonderful match for her. Sheryl agrees to marry him, but not before she is diagnosed with breast cancer. Moving and inspirational, *Stars over Shiralee* is the million-acre cattle queen's surprising memoir of what happened next. *Matters of the Heart* Jacinta Nampijinpa Price, 2025-02-01 The moving story of an Indigenous woman who beat disadvantage and violence to become one of Australia's most influential political voices. Jacinta Nampijinpa Price was nine months pregnant and due to give birth the night she attended her high school formal. With her baby tucked in her arms, she completed year 12 from her hospital bed. Early in their relationship, she took her future husband Colin to the Alice Springs morgue to identify the body of a family member who'd been killed. Nothing about the life of this passionate and steely Warlpiri woman could ever be described as ordinary. In this remarkable memoir, Jacinta Nampijinpa Price candidly recalls her journey from the remote outback communities of Yuendumu and Alice Springs in the Northern Territory, a young girl with big dreams and the red dust of her ancestors under her fingernails, to the corridors of Canberra and beyond. Honest, raw, and at times heartbreaking, *Matters of the Heart* is a deeply personal reflection of how a young Indigenous woman growing up surrounded by violence and tragedy beat the odds to become one of the most powerful political voices of our time. I've been to hell and back and I've survived. **Lost in Motherhood: The Memoir of a Woman who Gained a Baby and Lost Her Sh*t** Grace Timothy, 2018-02-22 Previously published as *Mum Face*, Best described as *The Wrong Knickers* for mums in this wry, resonant and darkly funny memoir, journalist Grace Timothy explores motherhood as an issue of identity. *Moving the Needle* Joe Sweeney, Mike Yorkey, 2014-10-28 A detailed system that will help you achieve your professional and personal goals. *Moving the Needle* provides both the kick in the pants and the game plan many of us need to break out of the rut and get moving to achieve our goals. This highly practical guide outlines a change process that can be applied to professional or personal goals, giving readers a concrete plan for making big things happen. Rather than blindly shooting for the moon, readers will formulate a solid, systematic, actionable plan that can only result in progress. In today's tenuous business climate, employers and employees alike can be glued to the ground, unsure of the path they should take or whether they have the freedom to move forward. *Moving the Needle* helps readers clarify their current position, identify their optimum position, and formulate a workable strategy for getting from here

to there Find what moving forward means for your career and life Shake off the doldrums of routine and establish a culture of innovation Improve performance on a consistent basis at every level Break the inertia and get moving in the right direction Stagnation is diametrically opposed to progress Moving forward requires a vision a plan and the impetus to get things done Those who sense that big things can happen need to get clear get free and start Moving the Needle *Truly Blessed and Highly Favored* H. graduates and two others John McCain and Jim Webb from Annapolis through Vietnam and into the Reagan years In Blue Eyed Boy Timberg relates how he came to know and develop a deep understanding of these five men and how their stories helped him understand the ways the Vietnam War and the furor that swirled around it continued to haunt him and the nation as a whole as they still do even now nearly four decades after its dismal conclusion Like others of his generation Robert Timberg had to travel an unexpectedly hard and at times bitter road In facing his own life with the same tools of wisdom human empathy and storytelling grit he has always brought to his journalism he has produced one of the most moving and important memoirs of our time
