Misemer, 2010 Many critical shifts in concepts of time and society s consciousness of modernity were derived from the railway and World Standard Time in the nineteenth century These innovations restructured the way people viewed the world and dealt with public and private time The forward projectile motion along a linear track mimicked the passage of public chronological time Conversely the train also invoked a private nostalgic view of time as the traveler was yanked from his/her traditional view of the space-time continuum via the train s velocity Travelers observed the landscape disappear in their backward glance from the window although the landscape and interior compartment s space remained stagnant This optical illusion caused passengers to perceive the world in new ways Thus the train unveils a conflictive blend of nostalgia and progress in the River Plate as these countries move forward but look back      Looking Backward, Looking

Forward Stephen J. Garber, 2002      **Walking Forward, Looking Back** Dinah Latham, 2014-10-28 The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog It is a touchingly honest work written straight from the heart The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve Divorce and single parenthood accompany her career journey while living alone escorts her into retirement It is then that fortune takes a hand or rather a paw and brings Harriet the dog into her life This may just have been the coming together of chance and good timing but destiny or happy accident it was certainly a blessing It was her need to be taken on daily walks that finds our author evoking memories randomly flicking through a lifetime of unwritten diaries Together they share their walks taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway one with an unfamiliar landscape a one way journey into growing old This is a voyage of discovery one that promises many unexpected new experiences not the least of which is their most recent pastime sheepherding      A Look Back Arghya Sengupta, A Look Back is an anthology written by 31 writers contributing their beautiful piece of art to this beautiful book It is a collection of short stories poems quotes and articles tied together in an ambivalent theme This book is filled with mixed emotions and experiences every writer has faced during the COVID 19 pandemic that ll make you keep reading Happy reading      **Don't Look Back** Marcia Penland, 2022-09-30 Trouble isn t something the art ladies set out looking for but sometimes it finds them anyway Life happens and this merry band of artists from the small town of Calhoun including Stubby who is the former governor of Texas face problems and misfortunes head on The daughter in law of one of the women deserts her family for reasons unknown in the beginning This leaves art lady Shannon and the others in the group to pick up the pieces and help her eight year old twin grandchildren get on with life The women are so committed to restoring happiness to these broken hearts that they participate in a mother child softball game Competing against mothers half their age along with trying to corral a mischievous group of third graders involves heart warming and hilarious situations all at the same time While this is going on find out what Stubby owner of the two cow ranch does to upset the apple cart by surprising the women and others in the community with a totally new endeavor that comes completely out of left field Meanwhile the missing daughter in law spins her own web of confusion and mystery that ties together the insecurities and formerly dead end life of Lila the homeless young mother introduced in It s a New Day The attitudes of forgiveness understanding humor and second chances are all brought to life in Don t Look Back Members of the art group make choices on how to live life as they embark on the vacation of a lifetime and the issues they leave behind These women will make you laugh cry and more than anything cause you to search yourself for what values you deem most important      How the Other Half Looks Sara Blair, 2018-06-05 How New York s Lower East Side inspired new ways of seeing America New York City s Lower East Side
