Cavalry Journal ,1928 **Musical Observer** ,1925 Pimping the Welfare System Kerry C. Woodward,2013-03-14 Based on ethnographic research in Contra Costa County California CCC Pimping the Welfare System highlights a welfare program implemented after welfare reform that differed in significant ways from the predominant work first approach implemented by most welfare programs The book argues that by imparting dominant economic social and cultural capital CCC's welfare program empowered participants and improved their quality of life and life chances Successfully transmitting these types of capital however was dependent upon the discourses practices and pedagogy deployed by welfare workers as well as the policies practices and resources of the welfare program In particular CCC's welfare workers encouraged the acquisition and use of dominant capital that which is desired by the labor market by acknowledging and respecting the various types of capital welfare participants already had and by encouraging participants to make strategic choices about deploying different types of capital This book calls into question monolithic understandings of economic social and cultural capital and encourages a new conceptualization of capital that resists framing poor women as fundamentally lacking In addition it points to ways welfare administrators and welfare workers can develop more empowering programs even within the confines of federal state and local regulations

The Foundry ,1911 **Coming of Age** David Goulet,2017-03-30 Coming of age is difficult at any time but for young men in the late 60s it was particularly stressful The military draft was going to be implemented by President Nixon while the Vietnam War raged on The country had been in turmoil the past few years with events occurring that impacted the direction the country and its youth would take Dan Horning had been a star athlete in high school and hoped for an athletic scholarship to college He was battling a strained relationship with his father who wanted him to join the military while he worked in a foundry But a chance meeting at a local college would soon set him on a new path Diane Rosen knew she wanted to attend the University of Miami since she was a little girl She was bright determined and focused Just the opposite of Dan who would transfer to the same school The two would meet by accident under less than ideal circumstances Dan hoped to get to know Diane after their encounter but she felt very differently about him When a series of events occurred at the university out of Dan's control that made playing basketball impossible he changed his major much to the frustration of his father and his college career took off

Success in school didnt help Dan at home but things were changing with Diane But things still bothered Dan so he took up surfing and bought a motorcycle to replace the basketball fiasco A serious medical event would happen affecting both Dan and Diane as they neared graduation and would change their lives forever Interspersed with numerous current events of that tumultuous era Coming of Age tells the story of two college students trying to find their way and the challenges they faced individually and together wanting to succeed But tragedy would ultimately strike and one of them would never be the same
