

# ROSE TINTED GLASSES

Someone always looks at a situation in a positive light or with great optimism

**A conversation between a student and a teacher.**

- Student: I just don't know what to think anymore Ms. Davis. So much has happened over the last year and all I see are negative things coming my way.
- Teacher: Johnny, you can't let the world break you. Bad things happen to everyone. That is no reason to stop seeing the world through rose tinted glasses.
- Student: What do you mean by that?
- Teacher: I mean just because some bad things happen to good people shouldn't be a reason to always think bad things are always going to happen. You have to remain positive and optimistic.
