Lorca's Experimental Theater Andrew A. Anderson, 2024-11-25 Critical and historical discussions of the life and work of Federico Garc a Lorca Spain s foremost poet and playwright of the twentieth century often obscure the author s more avant garde dramatic works In Lorca s Experimental Theater Andrew A Anderson focuses on four of Lorca s most challenging plays Amor de don Perlimpl n con Belisa en su jard n El p blico As que pasen cinco a os and El sue o de la vida previously known as Comedia sin t tulo and on

the surrounding context in which they came to be written and in only one case performed during his lifetime While none of Lorca's plays can be considered conventional these four works stand out in his corpus for challenging theatrical conventions most forcefully both thematically and technically With discussions of stagecraft artistic modernism and the historical avant garde Lorca's Experimental Theater provides detailed interpretive readings of the four plays surveys their textual and performative history and examines the most important contemporary influences on Lorca's creation of these expressive innovative works

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e.g. Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e.g. poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e.g. the Thousand and One Nights or writers e.g. Ibsen Proust but the majority offer a critical overview of a genre e.g. Chinese poetry Spanish Golden Age drama or of a national literature e.g. Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

powerful and uncompromising demand for sexual and specifically homosexual freedom as predicted it was never performed in Lorca's time it was first performed in this country by Theatre Royal Stratford East in the 80s Play Without a Title an unfinished Lorca rarity realises his wish to do something different including modern plays on the age we live in *Exploring Race, Ethnicity, Gender, and Sexuality in Four Spanish Plays* Beth Ann Bernstein, 2021-07-21 Exploring Race Ethnicity Gender and Sexuality in Four Spanish Plays explores society's influence on identity in Spanish theatrical works and discusses parallels to these works in contemporary popular culture The Spanish plays *El retablo de las maravillas* The Marvelous Puppet Show by Miguel de Cervantes Saavedra 1615 *Virtudes vencen* *se a les Virtues Overcome Signs* by V. I. de Guevara 1620 *El público* The Audience by Federico García Lorca 1929 and *La llamada de Lauren* Lauren's Call by Paloma Pedrero 1985 all deal with characters in the midst of a crisis of identity Using an eclectic approach supported by contemporary theories of race ethnicity gender and sexuality Beth Bernstein analyzes the four plays in terms of identity and shows how society imposes the construction of identity As the characters reach to define themselves internal and external pressures guide them in interpreting acceptable behavior This book offers a close reading of the psychological struggle of the characters driven by society to cover their differences with a symbolic mask which if donned will eventually devour their true identity European Theatre 1960-1990 (Routledge Revivals) Ralph Yarrow, 2014-10-14 European theatre has been the site of enormous change and struggle since 1960 There have been radical shifts in the nature and understanding of performance fuelled by increasing cross cultural and international influence Theatre has had to fight for its very existence adapting its methods of operation to survive *European Theatre 1960-1990* first published in 1992 tells that story The contributors who in many cases have been theatre practitioners as well as critics provide a wealth of fascinating information covering Germany France Poland Italy Spain and Sweden as well as Britain The book offers an historical and descriptive overview of developments across national boundaries enabling the reader to compare and contrast acting and directing styles administrative strategies and the relationship between ideology and achievement Chapters trace the evolution of theatre in all its aspects including such elements as the end of censorship in many countries the upsurge in political and personal awareness of the 1960s shifting patterns of state artistic policy and the effects on companies directors performers and audiences This book should be of interest to undergraduates postgraduates and academics of theatre studies **Spanish Theatre 1920-1995** Maria M. Adapting Translation for the Stage Geraldine Brodie,Emma Cole,2017-07-06 Adapting Translation for the Stage presents a sustained dialogue between scholars actors directors writers and those working across boundaries exploring common themes encountered when writing staging and researching translated works One Island, Many Voices Eduardo R. del Rio,2022-04-12 Cuban American writers have been studied primarily within the context of Latino literature as a whole Seeing a need to distinguish and define this unique literary perspective Eduardo del Rio selected twelve important well known authors and conducted interviews He chose writers who were born in Cuba but have lived in the United States for a significant amount of time and whose works include themes he considers elemental to Cuban American literature identity duality memory and exile But rather than a cohesive homogeneous group these conversations unveiled a kaleidoscope of individuality style and motive The authors bonds to Cuba inform their creative work in vastly different ways and attempts to categorize their similarities only highlight the range of character and experience within this assemblage of talented writers From playwright Dolores Prida to author and literary critic Gustavo P rez Firmat these voices run the gamut of both genre and personality In addition to the essential facts of literary accomplishment the interviews include a wealth of insight into

each writer's history, motivations, concerns, and relationship to language. These personal details serve to humanize and illuminate the unique circumstances and realities that have shaped both the authors and their work. What del Río has ultimately brought together is a series of intimate sketches that will not only serve as an important reference for any discussion of the literature but will also help readers to develop for themselves a sense of what Cuban American writing is and what it is not.
