**Louis-Ferdinand Céline**

## **Louis Ferdinand Celine:**

*Louis-Ferdinand Céline* Merlin Thomas, 1980 This book is neither an apology nor a defense it s a critical biography of the late French novelist *Louis-Ferdinand Céline. [With a Portrait.]* Pol VANDROMME, Louis-Ferdinand Céline, 1963

Céline: Journey to the End of the Night John Sturrock, 1990-05-10 A detailed study of C line s novel *Journey to the End of the Night* **Louis-Ferdinand Céline** Damian Catani, 2021-10-13 The first English language biography in more than two decades of the French writer one of the great novelists of the twentieth century Louis Ferdinand C line was one of the most innovative novelists of the twentieth century and his influence both in his native France and beyond remains huge This book sheds light on C line s groundbreaking novels which drew extensively on his complex life he rose from humble beginnings to worldwide literary fame then dramatically fell from grace only to return belatedly to the limelight C line s subversive writing remains fresh and urgent today despite his controversial political views and inflammatory pamphlets that threatened to ruin his reputation The first English language biography of C line in more than two decades this book explores new material and reminds us why the author belongs in the pantheon of modern greats **Louis Ferdinand Celine** David Hayman, 1965-11

Louis-Ferdinand Céline Michel Beaujour, 1968 CÃ©line , 1997-01-01 Louis Ferdinand Celine the pseudonym of Louis Destouches was a famous novelist and ferocious anti Semitic pamphleteer who rose to fame before Hitler but perfectly represented the fascist mind set that swept across Europe between 1932 and 1944 Never a Nazi himself he was author of *Journey to the End of the Night* *Death on the Installment Plan* *Guignol s Band* *Homage to Zola* and a series of pamphlets The latter are a potpourri of racist editorials ballet scenarios and anti Semitic confessions so violent that an aesthete like Andre Gide thought them parodies of other anti Semitic literature Little wonder the Nazis regarded Celine as a fellow traveler He retreated with the Nazis across the Rhine and sought refuge with them first in Germany and then in Denmark In 1951 he benefitted from an amnesty as a wounded veteran of both World Wars Before his death in 1961 he had regained his popularity with the public and was regarded as a classic writer Now that the body of his work is in translation Celine s fame in the literary world circles the globe Celine perhaps more than any other analysis helps shed some light on this enigmatic figure It establishes his literary importance and at the same time examines his anti Semitism After a final meeting Hindus declared that Celine is a splinter in my mind that I ve got either to absorb completely or eject completely The reader of this fascinating critical memoir of one of the twentieth century s most controversial literary figures is apt to be left with a similar dilemma **Journey to the End of the Night** Louis-Ferdinand Céline, 2014-02-14 C line s masterpiece colloquial polemic hyper realistic boiling over with black humor C line s masterpiece colloquial polemic hyper realistic boils over with bitter humor and revulsion at society s idiocy and hypocrisy *Journey to the End of the Night* is a literary symphony of cruelty and violence that hurtles through the improbable travels of the petit bourgeois and largely autobiographical antihero Bardamu from the trenches of WWI to the African jungle to New York to the Ford Factory in Detroit and finally to life in Paris as a

failed doctor Ralph Manheim's pitch perfect translation captures Céline's savage energy and a dynamic afterword by William T. Vollmann presents a fresh, furiously alive take on this astonishing novel. **Conversations with Professor Y** Louis-Ferdinand Céline, 2006 So begins the imaginary interview that comprises this novel. Professor Y, the interviewing academic, asks questions that allow Céline a character in his own book the chance to rail against convention and defend his idiosyncratic methods. In the course of their outrageous interplay, Céline comes closer to defining and justifying his poetics than in any of his other novels. But this is more than just an interview. As the book moves forward, Professor Y reveals his real identity and the characters travel through the streets of Paris toward a bizarre climax that parodies the author, the critic, and most of all the establishment. Louis-Ferdinand Céline David Hayman (critico letterario.), 1965 **Louis-Ferdinand Céline** Nicole Debré, 1982 Louis-Ferdinand Céline, 1963 As part of Pegasos Kuunsankosken Kaupunginkirjasto of Finland presents a biographical sketch about the French novelist Louis Ferdinand Destouches 1894-1961 who used the pseudonym Louis Ferdinand Céline. Destouches was also a physician. Destouches wrote novels and pamphlets that expressed his views against Communism. Some of Destouches' works include *Journey to the End of the Night* 1932, *Death on the Installment Plan* 1932, and *The Fine Mess* 1941. **Death on Credit** Louis-Ferdinand Céline, 2017 When Céline's first novel *Journey to the End of the Night* was first published in 1932, it created an instant scandal, being extravagantly praised by its supporters and savagely attacked by its horrified opponents. Four years later came the sequel *Death on Credit*. Both were a new kind of novel, frank about the author's thoughts and actions in ways that readers had never encountered: ultra-realistic and full of incidents that could not possibly be true to life and characters that stretched the imagination. In *Death on Credit*, Ferdinand Bardamu, Céline's alter ego, is a doctor in Paris treating the poor who seldom pay him but who take every advantage of his availability. The action is not continuous but goes back in time to earlier memories and often moves into fantasy, especially in Bardamu's sexual escapades. The style becomes deliberately rougher, and sentences disintegrate to catch the flavour of the teeming world of everyday Parisian tragedies: the struggle to make a living, illness, venereal disease, the sordid stories of families whose destiny is governed by their own stupidity, malice, lust, and greed. This fascinating book by one of the greatest twentieth-century novelists is an unforgettable experience for the reader. *North* Louis-Ferdinand Céline, 1972 In this novel Louis Ferdinand Céline's *Journey to the End of the Night*, *Death on the Installment Plan* offers us a vivid chronicle of a desperate man's frantic flight from France in the final months of World War II. Accompanied by his wife, their cat, and an actor friend, our autobiographical narrator Ferdinand leaves Paris for Baden-Baden, a World War II hideaway for wealthy Germans, is then sent to a bombed-out Berlin, and finally leaves for Denmark in search of the gold he had stashed there prior to the war. With the Third Reich in ruins and the Allied armies on Ferdinand's heels, *North* combines documentary realism with hallucinatory images capturing the chaos of war and its toll on both victim and victimizer. Critical Essays on Louis-Ferdinand Céline William K. Buckley, 1988 *Elizabeth and Louis* Alphonse Juillard, 1991 **The Crippled Giant**

Milton Hindus, 1986      Louis-Ferdinand Céline David O'Connell, 1976      **Castle to Castle** Louis-Ferdinand Céline, 1997 It is Germany near the end of World War II the Allies have landed and members of the Vichy France government have been sequestered in a labyrinthine castle replete with secret passages and subterranean hideaways The group of 1 400 terrified officials their wives mistresses flunkies and Nazi protectors including Céline his wife their cat and an actor friend attempt to postpone the postwar reckoning under the constant threat of air raids and starvation With an undercurrent of sensual excitement Céline paints an almost unbearably vivid picture of human society and the human condition      *War*

Louis-Ferdinand Céline, 2024-07-09 In an incredible turn of events Louis Ferdinand Céline as if declaiming from his grave thunders back to life that inimitable scorching and monstrously powerful voice roars at us a new in this long lost novel Céline had long claimed that *Death on the Installment Plan* was part of a trilogy and that the manuscripts of *War* and *London* had been stolen by the Resistance from his apartment when he fled for his life an abhorred collaborator from Paris Few believed him but then mysteriously the manuscripts came to light in 2020 Greeted rapturously in France a miracle *Le Monde* the discovery of a great text *Le Point* *War* is sure to be more controversy abroad Though much revered as the most blackly humorous and disenchanted voice in all of French literature *London Review of Books* Céline is also reviled for his infamous antisemitic wartime pamphlets *War* begins with Ferdinand waking in shock on the battlefield grievously injured with all his comrades sprawled out dead around him it is a scene of visceral horror carnage and pain The novel's key idea that trench warfare lodges itself in the soldier's head forever goes on destroying him cuts him off from those who have not been on the front and makes the hypocrisies of their safe world repugnant drives itself under the reader's skin powered by the sheer velocity of Céline's voracious gritty raw graphic style

Ignite the flame of optimism with *Crafted* by motivational masterpiece, **Louis Ferdinand Celine** . In a downloadable PDF format ( \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
