**Contested Records** Michael Leong,2020-05-01 Why have so many contemporary poets turned to source material from

newspapers to governmental records as inspiration for their poetry How can citational poems offer a means of social engagement Contested Records analyzes how some of the most well known twenty first century North American poets work with fraught documents Whether it s the legal paperwork detailing the murder of 132 African captives state transcriptions of the last words of death row inmates or testimony from miners and rescue workers about a fatal mine disaster author Michael Leong reveals that much of the power of contemporary poetry rests in its potential to select adapt evaluate and extend public documentation Examining the use of documents in the works of Kenneth Goldsmith Vanessa Place Amiri Baraka Claudia Rankine M NourbeSe Philip and others Leong reveals how official records can evoke a wide range of emotions from hatred to veneration from indifference to empathy from desire to disgust He looks at techniques such as collage plagiarism re reporting and textual outsourcing and evaluates some of the most loved and reviled contemporary North American poems Ultimately Leong finds that if bureaucracy and documentation have the power to police and traumatize through the exercise of state power then so too can document based poetry function as an unofficial counterhegemonic and popular practice that authenticates marginalized experiences at the fringes of our cultural memory *Diasporic Avant-Gardes* C. Noland,B. Watten,2016-04-30 Diasporic Avant Gardes draws into dialogue two differing traditions of poetic practice the diasporic and the avant garde This interdisciplinary collection examines the unacknowledged affinities and crucial differences between avant garde and diasporic formal strategies and social formations The essays foreground the creation of experimental forms and investigate the specific contexts of cultural displacement and language use that inform their poetics *Contemporary Jewish-American Dramatists and Poets* Joel Shatzky,Michael Taub,1999-08-30 Entries summarize the life work and critical reception of contemporary Jewish American dramatists and poets **The Art of Twentieth-Century American Poetry** Charles Altieri,2008-04-15 Written by a leading critic this invigorating introduction to modernist American poetry conveys the excitement that can be generated by a careful reading of modernist poems Encourages readers to identify with the modernists sense of the revolutionary possibilities of their art Embraces four generations of modernist American poets up through to the 1980s Gives readers a sense of the ambitions the disillusionments and the continuities of modernist poetry Includes close readings of particular poems which show how readers can use these works to connect with what concerns them
