Louis Icart The Complete Etchings:

Louis Icart: The Complete Etchings, Revised and Expanded 5th Edition William R. Holland, Clifford P. Catania, Nathan D. Isen, 2015-09-28 This newly expanded book on Louis Icart one of France's most well known art deco artists now includes a section on his oil paintings as well as over 512 different etchings painstakingly acquired and photographed Particular attention has been given to the early years 1911-1924 when Icart was a relatively unknown artist and his edition sizes were small With few exceptions the book contains large full color illustrations that give the reader a true representation of the full size etchings The authors clarify some of the existing confusion surrounding Icart's work explaining the variations in his signature the use of the Windmill seal and other seals and the myriad copyright notations found on his artwork The illustrations have been carefully measured and dated This is a great addition to the Icart legacy *The Etchings of Louis Icart* S. Michael Schnessel, Mel Karmel, 1997-01-09 Artist Louis Icart's famous etchings of beautiful women are pictured here in 456 photos with critical appraisals of his techniques A family background includes personal photos of Icart's wife scenes from his home and studio and a chronological catalog of many of his etchings *The Etchings of Louis Icart* S. Michael Schnessel, Mel Karmel, 1982 **Antique Trader Book Collector's Price Guide** Richard Russell, 2009-11-13 This new edition of Antique Trader Book Collector's Price Guide provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen's *Emma* and J K Rowling's *Harry Potter* and the *Philosophers Stone* recently sold at auction for 254 610 dollars and 40 355 dollars respectively Organized in 13 categories including Americana banned paranormal and mystery this guide discusses identifying and grading books and provides collectors with details for identifying and assessing books in 8 000 listings **Art Nouveau, Art Deco, American Arts & Crafts** Sotheby's (Firm), 1996 **Being Doll** Lisa Pavlik-Malone, 2014-07-24 In this second volume following *Dolls Clowns Things* the author once again explores the symbolic relationship between the self and the object This time however the possible fundamental role of cognitive consonance characterized here as the ability of the mind to integrate opposing ideas into a single expanded understanding of Self is studied in terms of how it might relate to the following three categories of intuitive experience One my physical object in which consonance or wholeness expands one's understanding of Self when ideas about youngness and oldness become integrated as part of episodic memories that involve an actual physical toy doll Two my objectified being in which consonance takes place when again ideas about youngness and oldness become integrated through the metaphoric objectification of certain points located on the human female body And three in which consonance develops as youngness and oldness ideas become integrated through a doll as a work of art Within the theoretical framework of each of these three categories various psychological dynamics which encompass memory metaphor and neuroplasticity are understood to be essential to the molding and shaping of one's subjective experience of doll *(Louis) Icart* S. Michael Schnessel, 1976 Over 500 different etchings with particular attention to the early years 1911-1924 when Icart was a relatively unknown artist and

his edition sizes were small The authors clarify some of the existing confusion surrounding Icart's work explaining the variations in his signature the use of the Windmill seal and other seals and the myriad of copyright notations found on his etchings *Schroeder's Antiques Price Guide* Collector Books,2006-07 To celebrate the 25th anniversary edition this volume is in full color and includes over 50 000 listings from reliable sources more than 500 categories of listings history and pertinent facts and representative photos Antiques Collectibles **Wanted to Buy** Collector,1991 **20th Century Decorative Arts** Sotheby's (Firm),1993 **Modern & Contemporary Works of Art** C.G. Martin Wolpert,Jeffrey Winter,2004 The first half of the 19th Century spawned one of the most exciting concentrations of artists and artistic innovation in history The French impressionists opened the door to creative freedoms never before experienced and a community rich in artistic and intellectual talent coalesced to forever change the direction of art This book documents more than 150 artists who worked studied and exhibited in Paris between 1890 and 1950 Many of them have been completely overlooked by scholars and art historians Their work encompasses the La Belle Epoque Postimpressionist Cubist and School of Paris movements More than 375 color images of their paintings document this fabulous cultural explosion and also present a visual time capsule showing the populace at work and at play in bars cabarets and jazz clubs

even scenes of the artists own studios This book has been a labor of love many years in the making Collectors curators and historians will find it an invaluable tool for understanding the art of this period By documenting artists who have not been written about for many years the authors offer insight to their paintings which can still be acquired at equitable prices

Sotheby's Arcade Auctions ,1993 Maud Humphrey Karen Choppa,Paul Humphrey,1993 Maud Humphrey was one of the most popular illustrators in America at the turn of the century Unfortunately through the years Maud s impact on American illustration was lost until it seemed her only claim to fame was as the mother of Hollywood legend Humphrey Bogart However Maud s role on the American art scene was as remarkable as any role her son ever played on stage or screen Today there is a resurgence of interest in Maud Humphrey s work and that interest has prompted this book It is a look at a young woman growing up in Victorian times and the limitations those times set before her Maud went beyond the limitations to become an early suffragette she maintained her art career even after marriage and a family Many of her images grace the pages of this biography and bring her art to life
