Delphi Complete Paintings of Camille Pissarro (Illustrated)

Camille Pissarro, Peter Russell, 2017-10-02 Camille Pissarro was a key figure in the history of Impressionism being the only artist to show his work in all eight Impressionist exhibitions remaining dedicated to the movement's artistic beliefs. His paintings combine a fascination of rural subject matter with the empirical study of nature under different conditions of light and atmosphere offering delicate studies of light and colour. A supportive mentor to influential artists such as Cézanne and Gauguin, Pissarro was described by many as the Father of the Impressionists. Delphi's Masters of Art Series presents the world's first digital e-Art books allowing readers to explore the works of great artists in comprehensive detail. This volume presents Pissarro's complete paintings in beautiful detail with concise introductions, hundreds of high quality images and the usual Delphi bonus material. Version 1: The complete paintings of Camille Pissarro over 1200 paintings fully indexed and arranged in chronological and alphabetical order. Includes reproductions of rare works. Features a special Highlights section with concise introductions to the masterpieces giving valuable contextual information. Enlarged Detail images allowing you to explore Pissarro's celebrated works in detail as featured in traditional art books. Hundreds of images in colour highly recommended for viewing on tablets and smart phones or as a valuable reference tool on more conventional eReaders. Special chronological and alphabetical contents tables for the paintings. Easily locate the paintings you wish to view. Includes a selection of Pissarro's drawings. The Making of Paris Russell Kelley, 2021-03-01 Paris has long been the world's most popular destination and in the view of many the world's most beautiful city the product of two thousand years of continuous improvement and refinement. The Making of Paris is the story of how Paris evolved from a small fishing village on an island in the middle of the Seine River into the City of Light. The focus of the book is on the city as seen from the street in order to understand the evolution of the urban landscape of Paris through the rues and boulevards and the buildings and monuments from its long and storied past.
