Love Among the Allies Margot Arnold, 1985-09-12 While attending a NATO conference in Rome with their husbands senior officers of the NATO nations a group of wives encounters personal drama and passionate temptations **The Criterion Between the allies of the Merciful & the Allies of the Devil** Ibn Taymiyya, **Evangelical Christendom**, 1883 **Crises in the Atlantic Alliance** L. Eznack, 2012-11-28 Through a theoretical and empirical examination of the 1956 Suez Crisis the 1966 NATO crisis and the 2003 Iraq crisis Eznack explores the connections between affect and emotion the occurrence of crises and the repair of those crises in close allies relationships and provides a new perspective on alliances and friendly relations among states **The Keim and Allied Families in America and Europe**, 1898 *The Living Age*, 1911 **Fortnightly Review**, 1911 **The Fortnightly Review**, 1911 **Allied Encounters** Marisa Escobar, 2019-07-02 Honorable Mention for the 2019 American Association for Italian American Book Prize 20 21st Centuries Allied Encounters uniquely explores Anglo American and Italian literary cinematic and military representations of World War II Italy in order to trace critique and move beyond the gendered paradigm of redemption that has conditioned understandings of the Allied Italian encounter The arrival of the Allies global forces in an Italy torn by civil war brought together populations that had long mythologized one another yet liberation did not prove to be the happy ending touted by official rhetoric Instead of a honeymoon the Allied Italian encounter in cities such as Naples and Rome appeared to be a lurid affair where the black market reigned supreme and prostitution was the norm Informed by the historical context as well as by their respective traditions these texts become more than mirrors of the encounter or generic allegories Instead they are sites in which to explore repressed traumas that inform how the occupation unfolded and is remembered including the Holocaust the American Civil War and European colonialism as well as individual traumatic events like the massacre of the Fosse Ardeatine and the mass civilian rape near Rome by colonial soldiers **Nordic, Central, and Southeastern Europe 2023-2024** Wayne C. Thompson, 2023-06-23 The World Today Series Nordic Central and Southeastern Europe is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is organized by individual chapters for each country and presents a complete and authoritative overview of each region s geography people history political system constitution parliament parties political leaders and elections The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 21st edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets
