Love Anarchy And Emma Goldman:

Love, Anarchy, & Emma Goldman Candace Falk, 2019-06-27 More than an account of Emma Goldman's legendary career as a political activist this biography offers an intimate look into her tumultuous affair with Chicago activist and red light district gynecologist Ben Reitman As it charts her twin passions for Reitman and for social reform it provides new insights into a brilliant complex woman

Love, Anarchy, and Emma Goldman Candace Falk, 1990 Candace Falk's biography captures Goldman's colorful life as a social and labor reformer revolutionary anarchist feminist agitator for free love and free speech and advocate of birth control And it gives the reader a rare glimpse into Goldman as a woman alone searching for the intimacy of a love relationship to match her radiant social vision Falk explores the clash between Goldman's public vision and private life focusing on her intimate relationship with Ben Reitman Chicago's celebrated social reformer hobo king and red light district gynecologist During this passionate and stormy relationship Goldman lectured in public about free love and women's independence while in private she struggled with intense jealousy and longed for the comfort of a secure relationship Falk's account draws upon a serendipitous discovery of a cache of intimate letters between Goldman and Reitman Falk then goes beyond Goldman's ten year relationship with Reitman following Goldman's inner passions through her years of exile and later life Written with a literary sensitivity Falk tells a riveting story consistently placing Goldman in the context of late nineteenth and early twentieth century radicalism

Love, Anarchy, and Emma Goldman Candace Falk, 2019 One of the most famous political activists of all time Emma Goldman was also infamous for her radical anarchist views and her scandalous personal life In public Goldman was a firebrand confidently agitating for labor reform anarchism birth control and women's independence But behind closed doors she was more vulnerable especially when it came to the love of her life This is more than an account of Goldman's legendary career as a political activist it offers an intimate look into her affair with Chicago activist and red light district gynecologist Ben Reitman As it charts her twin passions for Reitman and for social reform it provides new insights into a brilliant complex woman The result is both a riveting love story and a primer on an exciting explosive era in American politics and intellectual life

Women Heroes Julia Miles, 1987 Applause Books The English Channel the United States Government Hitler cancer these are a few of the obstacles which these extraordinary women hurdle on their way to ticker tape parades prison cells and anonymous fates These are not theatrical accolades to daring public feats the inner frontiers we learn are the most treacherous to navigate So these figures are not statues in the park being polished for public view And not heroines in a male melodrama but heroes in their own right and in their own world meet them in Julia Miles new collection from The Women's Project
