Love And Family Raising A Traditional Family In A Secular World:

A Catechism for Family Life Sarah Bartel, John S. Grabowski, 2018-08-29 The purpose of A Catechism for Family Life Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life see *Amoris Laetitia* 202 To address this need we gathered pertinent questions facing men women and pastoral workers in marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book s main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question *Bioethics, Law, and Human Life Issues* D. Brian Scarnecchia, 2010-06-02 Provides an overview of the Catholic perspective on some of the most controversial issues in today s society covering reproductive technology embryo adoption contraception abortion family same sex marriage euthanasia and assisted suicide *Love & Family* Mercedes Arzú Wilson, 1996 This book displays the tools parents need to guide and protect their children by enriching their knowledge with the latest statistical evidence presented in simple to understand graphs **The Contraception Deception: Catholic Teaching on Birth Control** Patrick Coffin, 2018-05-01 The Contraception Deception Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church s sexual ethic In this expanded revised edition of *Sex Au Naturel What It is and Why It s Good for Your Marriage* Coffin demonstrates how the rejection of *Humanae Vitae* impacts more than just our national birthrates With relevant insight into the development and reception of Paul VI s landmark 1968 encyclical Coffin explains why *Humanae Vitae* is more timely than ever In *The Contraception Deception* you ll learn where exactly the Bible teaches against birth control the differences between contraception and natural family planning hint they re more profound than you think why other reproductive technologies fall short of God s vision for marriage and family and most importantly how to rely on the ever present grace of God rather than your own strength in faithfully following this challenging life giving aspect of Christian discipleship **Sex Au Naturel** Patrick Coffin, 2010 *Sex Au Naturel What It Is and Why It s Good For Your Marriage* by radio host Patrick Coffin is a bracing ride across the landscape of the Catholic sexual ethic If you re looking

for intellectual ammo with which to defend and explain the teaching of Humanae Vitae or if you reject it altogether you will agree that Coffin approaches the topic from a wide array of new and persuasive angles With humor and enthusiasm and a total absence of moralizing you will learn Why Paul VI's landmark 1968 encyclical was widely rejected a generation ago and why it is gaining new respectability now Where exactly the Bible teaches against birth control The differences between contraception and natural family planning hint they are more profound than you think The meaning of the natural law and how it applies to birth control How the dogma of the Blessed Trinity implicitly condemns birth control That every single Protestant denomination rejected birth control until 1930 Why the myth of overpopulation is used against the Church and how to answer it How faithful adherence to the teaching of Humanae Vitae is causally related to marital happiness and longevity Why it is not too late to start over even if you've been sterilized How to rely on the ever present grace of God rather than your own strength in faithfully following this challenging life giving aspect of Christian discipleship Much much more **Sex and**

Virtue John S. Grabowski, 2012-08-07 Grabowski offers a compelling rationale for the virtue of chastity that takes into account the sensibilities and challenges of the contemporary world Raymond Dennehy Professor Emeritus University of San Francisco A welcome addition to an often contentious literature Sex and Virtue provides a theological foundation for consideration of the moral dimensions of human sexuality from a Roman Catholic perspective Catholic Books Review In the hope of contributing to the ongoing renewal of moral theology sparked by the Second Vatican Council John S Grabowski discusses the systemic application of biblical and virtue based categories on the topic of sexuality A number of issues are examined including the historical setting regarding attitudes and practices concerning sexuality key biblical historical and contemporary resources for articulating a virtue based approach to sexual ethics current issues with which such an approach must wrestle and some description of how to foster growth in moral virtue particularly chastity Ultimately Sex and Virtue offers a compelling vision of human sexuality in the light of Christian faith that can provide a viable alternative to dominant cultural ideologies that trivialize sex and concrete practices that can enable growth in moral freedom Sex and Virtue is a splendid result of Grabowski's response to the call of Vatican II to find scriptural support for Catholic moral teaching The ecumenical potential of this book is tremendous Christians can only marvel at the resources in scripture for establishing sexual morality a morality that puts sexuality in service of love life and salvation Janet E Smith former professor of moral theology Sacred Heart Major Seminary of Detroit Conjugal Love and Procreation Kevin Schemenauer, 2011-05-05

Dietrich von Hildebrand contributed to the Catholic tradition's increased recognition of conjugal love in marriage in the early twentieth century and as Kevin Schemenauer argues in Conjugal Love and Procreation von Hildebrand's work remains relevant to contemporary Catholic thought as well While some argue that this German Catholic philosopher and theologian neglected the role of procreation in marriage this book shows that von Hildebrand's writings on reverence and superabundant finality contribute to a contemporary understanding of the significance of procreation within marriage

Schemenauer analyzes von Hildebrand's integration of conjugal love and procreation showing him to be an insightful and parallel voice to the that of John Paul II His thorough exploration of von Hildebrand's writings reveals not only how conjugal love and openness to new life are essential to marriage but also how essential the role of procreation is to the conception of conjugal love *Faith Facts* Leon J. Suprenant, 2004 Where did the Mass come from What is an annulment Where is heaven Is there salvation outside the Catholic Church In today's world Catholics must be ready at any moment to face unexpected questions about the teaching of the Church Faith Facts II is a valuable resource for anyone who needs answers on topics that are crucial to belief and evangelization Emmaus Road delivers another great resource on the Catholic faith It's a gold mine that helps save you time and effort it should be on every Catholic's bookshelf Z E ROMANOWSKY CRISIS Magazine

Inside the Vatican , 1998 **Love, Marriage, and Family in Jewish Law and Tradition** Michael Kaufman, 1996-02-01 Love Marriage and Family in the Jewish Law and Tradition is everything you wanted to know about the Jewish view on marriage sexuality and child bearing in clear and concise language This comprehensive book looks to inform the reader about all the Jewish laws concerning family marriage procreation and child rearing
