Deepening Community Paul Born, 2014-03-10 Community shapes our identity, quenches our thirst for belonging, and bolsters our physical, mental, emotional, and economic health. But in the chaos of modern life, community ties have become unraveled, leaving many feeling afraid or alone in the crowd, grasping at shallow substitutes for true community. In this thoughtful and moving book, Paul Born describes the four pillars of deep community: sharing our stories, taking the time to enjoy one another, taking care of one another, and working together for a better world. To show the role each of these plays, he shares his own stories as a child of refugees and as a longtime community activist. It's up to us to create community. Born shows that the opportunity is right in front of us if we have the courage and conviction to pursue it.

Theatre and the Good Mark Fearnow, 2007 Theatre and the Good examines the roots of theater from an anthropological perspective as well as theater's capacity for liberation using models of theater in prison, dramatherapy, and a spiritual opening felt by many. The book argues that the ancient needs for which theater has arisen are still relevant and that theater is a much-needed and effective pathway to meaning.
