Lovebytes Claudia Sasse, 2021-03-10 Ancient wisdom meets modern multi dimensional expansion a magical journey into lightness As the author sits in her room she receives and writes down a story that takes her into a fantastical world A world that seems to have little to do with ordinary life yet it feels realer than real I live in two worlds you see On one hand I am traveling up the mysterious path in a jungle unlike any I have ever heard of or imagined On the other hand I am sitting on my sheepskin rug leaning against my bed typing words into my laptop More than just entertainment LoveBytes is an extended healing visualization a living transmission an encoded multi dimensional adventure that bridges different realms bringing forth the light within at an increasing rate and transforming us into a lighter more expanded way of being opening us up to live our greatest potential from power of the heart Fall in love with the delightful cast of characters and allow yourself to be carried home to your true self by the wondrous flow of the journey #shedeservedit Greg Herren, 2022-01-11 Liberty
