Love Cafe:

Second Chances at the Little Love Café Lucy Mitchell, 2024-08-01 From the author of *The Car Share* Her broken heart is bad for business but can a partnership with her first love save the day If she's honest Alice has stopped believing in the power of love Finding your fiancé in bed with a woman he met during his bachelor party will do that So when Alice's first love Noah the one who got away reappears in her seaside hometown after more than twenty years the cynical single mom doesn't know how to feel However when Alice and Noah are left in charge of The Little Love Café while the owner goes abroad her jaded attitude has a negative effect on the business And soon the heartbreak café threatens to start trending She's on a sure path to self destruction a family feud is brewing and the café is in peril Can anyone help them turn things around Or is The Little Love Café doomed to close its doors for a final time Praise for Lucy Mitchell Mitchell's writing is deliciously funny and has so much heart Sandy Barker author of *One Summer in Santorini* *Love, Coffee, and Revolution* Stefanie
