who are old enough cannot forget the misdeeds of Imriel's mother Melisande whose self-serving lies plunged their country into war. In order to quell the uprising Queen Ysandre hands down a decree she will not divide the lovers but neither will she acknowledge them. And if they decide to marry Sidonie will be disinherited. That is unless Imriel can find his mother and bring her back to Terre D'Ange to be executed for treason. La Belle assemblée, 1831

Elsevier's Dictionary of Symbols and Imagery Ad de Vries, Arthur de Vries, 2021-10-25

This dictionary supplies associations which have been evoked by plants, animals, gems, objects and concepts throughout the history of Western civilization from the hieroglyphs of ancient Egypt to the poetry of Dylan Thomas. It supplies background information from fields which may not be everyone's speciality such as biology and mythology. It gives not one but several meanings which may apply simultaneously since indefiniteness is the mark of symbols. No fine distinction is made between symbols, allegories, metaphors, signs, types or images since such subtle distinctions, however sensible from a scientific point of view, are useless to a person struggling with the deeper comprehension and thus appreciation of a particular symbol. Important general entries are listed such as archetypes, the binary, bull, calendar, eagle, elements, Great Goddess, Sacred King, sun, etc. which it is advisable to read first. Information was gathered from primary sources both famous and obscure: classical authors, the Bible, the medieval scholar and musician Hildegard von Bingen, but also Donne, Shakespeare and Eliot. Lists of primary and secondary literature are included. From the many notes left behind by the late Ad de Vries, his son has gathered enough new material to enlarge the original 1974 edition more than 20 per cent. Included are many new entries taken from herbals and lapidaries as well as ancient books on medicine, architecture and dreams. This dictionary is an invaluable source of reference for students of many disciplines as well as for writers and artists.

*No Justice* Nolon King, David W. Wright, 2017-09-24

From the bestselling authors of *Hidden Justice 12* and *Miserable Lies* comes the unforgettable thriller series that blends mystery and suspense into pulse-pounding revenge-seeking serial killing action. Where her law ends, his justice is only beginning. Two years ago, detective Mallory Black's world was shredded when her daughter was murdered by a serial killer with an unspeakable fetish and the truly twisted desire to carry it out. Now the man who killed Ashley is back, and another child will die unless Mallory can save her in time. Jasper Parish is a vigilante who punishes killers that have escaped traditional justice. Relying on the psychic visions of his daughter, he wages war from the shadows, doing what the police can't or won't do. Two years ago, he failed to save Mallory's daughter. Now is his chance for redemption. Hero, killer, and vigilante are on a collision course in a world where there is no justice unless you're willing to risk everything in the pursuit of your own. This is a superb thriller with a slight paranormal aspect. As usual, great characters. I finished it in two afternoons, very hard to put down. J. Bell. OMG, I couldn't put it down.
